All statements made in this Proxy Statement that are not statements of historical fact are forward-looking statements. Without limiting the generality of the foregoing, words such as “anticipates,” “believes,” “seeks,” “estimates,” “expects,” “intends,” “continue,” “can,” “may,” “plans,” “potential,” “projects,” “should,” “could,” “will,” “would” or similar expressions and the negatives of those expressions may identify forward-looking statements, although not all forward-looking statements contain these identifying words. Such forward-looking statements include, but are not limited to, any statements that refer to projections of our future financial condition and results of operations, capital needs and financing plans, competitive position, industry environment, potential growth and market opportunities, acquisition plans and strategies, compensation plans, governance structure and policies and/or the price of our common stock.

The forward-looking statements included herein represent our management’s current expectations and assumptions based on information available as of the date of this report. These statements involve numerous known and unknown risks, uncertainties and other factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Factors that may cause or contribute to such differences include, but are not limited to:

- our ability to expand our aiWARE software-as-a-service (“SaaS”) business;

- our requirements for additional capital to support our business growth, and the availability of such capital on acceptable terms, if at all;
- our reliance upon a limited number of key customers for a significant portion of our revenue;
- fluctuations in our results over time;
- the impact of seasonality on our business;
- our ability to manage our growth, including through acquisitions and our further expansion into international markets;
- our ability to enhance our products and introduce new products that achieve market acceptance and keep pace with technological developments;
- actions by our competitors, partners and others that may block us from using the technology in our aiWARE platform, offering it for free to the public or making it cost prohibitive to continue to incorporate their technologies into our platform;
- interruptions, performance problems or security issues with our technology and infrastructure, or that of our third party service providers;
- the impact of the continuing economic disruption caused by the recent and potential future disruptions in access to bank deposits or lending commitments due to bank failures, the COVID-19 pandemic and the Russian invasion of Ukraine on the business of the Company and that of its existing and potential customers;
- increasing interest rates and inflationary pressures in the United States and around the world; and
- any additional factors discussed in more detail in “Item 1. Business,” and “Item 1A. Risk Factors” of Part I and “Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations” of Part II of our Annual Report on Form 10-K for the year ended December 31, 2022.

All forward-looking statements are necessarily only estimates of future results, and there can be no assurance that actual results will not differ materially from expectations. You should carefully review these risks, as well as the additional risks described in other documents we file from time to time with the Securities and Exchange Commission. In light of the significant risks and uncertainties inherent in the forward-looking information included herein, the inclusion of such information should not be regarded as a representation by us or any other person that such results will be achieved, and readers are cautioned not to place undue reliance on such forward-looking information, which speak only as of the date of this Proxy Statement.

**PROXY STATEMENT  
FOR THE 2023 ANNUAL MEETING OF STOCKHOLDERS**

This proxy statement (the “Proxy Statement”) is being furnished in connection with the solicitation of proxies by our Board of Directors (the “Board”) for use at our 2023 Annual Meeting of Stockholders (the “Annual Meeting”) to be held online in a virtual meeting format only via live webcast on Thursday, June 8, 2023 at 10:30 a.m., Mountain Time. Stockholders may attend the Annual Meeting online by visiting [www.virtualshareholdermeeting.com/VERI2023](http://www.virtualshareholdermeeting.com/VERI2023).

In this Proxy Statement, we refer to Veritone, Inc. as the “Company,” “Veritone,” “we,” or “us” and to our Board of Directors as our “Board.”

**IMPORTANT NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS**

This Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2022 (the “2022 Annual Report”) are available on the Internet at [www.proxyvote.com](http://www.proxyvote.com). These materials are also available on our corporate website at [investors.veritone.com](http://investors.veritone.com). References to our website in this Proxy Statement are provided for convenience only and the content on our website does not constitute part of this Proxy Statement.

**VOTING INFORMATION**

**Why did I receive only a Notice of Internet Availability of Proxy Materials?**

As permitted by the Securities and Exchange Commission (the “SEC”), we are furnishing our proxy materials, including our Notice of Annual Meeting, Proxy Statement and 2022 Annual Report, to most stockholders over the Internet. On or about April 27, 2023, we will mail a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) to stockholders of record that did not request to receive printed copies of our proxy materials or that are otherwise receiving our materials electronically by email, while brokers, banks and other nominees who hold shares on behalf of beneficial owners will be sending their own similar Notice of Internet Availability to the beneficial owners. The Notice of Internet Availability contains instructions on how stockholders can access and review our proxy materials via the Internet and vote their shares. The Notice of Internet Availability also contains instructions on how to request, free of charge, paper copies of the proxy materials.

We believe the delivery options that we have chosen will allow us to provide our stockholders with the proxy materials they need, while lowering the cost of the delivery of the materials and reducing the environmental impact of printing and mailing printed copies.

**When and where is the Annual Meeting?**

The Annual Meeting will be held on June 8, 2023 at 10:30 a.m. Mountain Time, via live webcast on the Internet. You may listen to and participate in the Annual Meeting by going to [www.virtualshareholdermeeting.com/VERI2023](http://www.virtualshareholdermeeting.com/VERI2023). You will be able to access the Annual Meeting using the control number found on your Notice of Internet Availability, proxy card or voting instruction form, as applicable.

**Why is the Company holding the Annual Meeting virtually?**

We believe a virtual-only meeting format facilitates stockholder attendance and participation by enabling all stockholders to participate fully, equally and without cost, using an Internet-connected device from any location around the world. In addition, the virtual-only meeting format increases our ability to engage with all stockholders, regardless of size, resources or physical location.

## TABLE OF CONTENTS

### **What am I being asked to vote on at the Annual Meeting?**

At the Annual Meeting, stockholders will act on the following matters:

1. To elect two nominees named in the accompanying Proxy Statement to serve as Class III directors to serve until the Company's 2026 annual meeting of stockholders and until their respective successors are duly elected and qualified;
2. To ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023;
3. To approve, on an advisory basis, the compensation of our named executive officers;
4. To approve, on an advisory basis, the frequency of future advisory votes on named executive officer compensation;
5. To approve our 2023 Equity Incentive Plan;  
and
6. To transact such other business as may properly come before the Annual Meeting or any postponement or adjournment thereof.

### **How does the Board recommend that I vote?**

The Board recommends that you vote your shares:

- “**FOR**” each of the two Class III director nominees named in this Proxy Statement;
- “**FOR**” the ratification of the appointment of Grant Thornton LLP;
- “**FOR**” the approval, on an advisory basis, of the compensation of our named executive officers;
- In favor of “**ONE YEAR**” for the frequency of future advisory votes on named executive officer compensation; and
- “**FOR**” the approval of the 2023 Equity Incentive Plan.

### **Who may vote?**

Only holders of record of the Company's common stock (the “Common Stock”), at the close of business on the record date, April 11, 2023 (the “Record Date”), are entitled to notice of and to vote at the Annual Meeting. Holders of Common Stock are entitled to cast one vote for each share held by them on each matter to be voted upon. As of the Record Date, there were 36,597,650 shares of Common Stock issued and outstanding. Our Common Stock is the only class of securities of the Company authorized to vote. Stockholders are not entitled to cumulative voting rights in the election of directors.

### **What must I do if I want to attend the Annual Meeting?**

We will be hosting the Annual Meeting on the Internet via live webcast. **You will not be able to attend the Annual Meeting physically in person.** All holders of shares of our Common Stock as of the close of business on the Record Date, including stockholders of record and stockholders who hold our Common Stock through a broker, bank or other nominee (i.e., in “street name”), may listen to and participate in the Annual Meeting by going to [www.virtualshareholdermeeting.com/VERI2023](http://www.virtualshareholdermeeting.com/VERI2023).

You will need the 16-digit control number included on your Notice of Internet Availability, proxy card or voting instruction form (if you received a printed copy of the proxy materials) or included in the email to you (if you received the proxy materials by email) to be able to attend the Annual Meeting. Please note that if you hold your shares in street name and the Notice is being forwarded to you by your broker, bank or other nominee, that organization is considered to be the holder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee regarding how to vote the shares in your account. However, since you are not the holder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank or other nominee and provide your 16-digit control number.

The Annual Meeting webcast will begin at 10:30 a.m., Mountain Time. Stockholders may access the Annual Meeting beginning at 10:15 a.m., Mountain Time, through [www.virtualshareholdermeeting.com/VERI2023](http://www.virtualshareholdermeeting.com/VERI2023).

## TABLE OF CONTENTS

### **How may I ask questions of management and the Board at the Annual Meeting?**

Stockholders will be able to submit questions by means of the “Ask a Question” field on the virtual meeting platform beginning at 10:15 a.m. on the morning of the Annual Meeting and throughout the duration of the meeting by accessing the meeting through [www.virtualshareholdermeeting.com/VERI2023](http://www.virtualshareholdermeeting.com/VERI2023). Following the presentation of all proposals at the Annual Meeting, we will answer stockholder-submitted questions pertinent to meeting matters as time permits. Any questions that are relevant to our business that we are unable to address during the Annual Meeting will be answered on our website at [investors.veritone.com](http://investors.veritone.com) following the Annual Meeting. If we receive substantially similar questions, we will group the questions together and provide a single response to avoid repetition. We will not answer any questions that are irrelevant to the purpose of the Annual Meeting or our business or that contain inappropriate or derogatory references which are not in good taste.

### **What happens if I experience technical difficulties during the Annual Meeting?**

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting or submitting questions. If you encounter any difficulties accessing the virtual Annual Meeting during the check-in or meeting time, please call the technical support number that will be provided in the meeting access email that will be sent approximately one hour prior to the Annual Meeting.

### **What constitutes a quorum?**

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. If there is no quorum, the holders of a majority of shares present at the meeting or represented by proxy may adjourn the meeting to another date.

### **How do I vote my shares?**

#### *Voting at the Annual Meeting*

All holders of shares of our Common Stock as of the close of business on the Record Date, including stockholders of record and stockholders who hold shares of our Common Stock in street name, may attend and vote their shares at the Annual Meeting. See above under “*What must I do if I want to attend the Annual Meeting?*”

Even if you plan to be virtually present at the Annual Meeting, we recommend that you submit your proxy or voting instructions in advance to authorize the voting of your shares at the Annual Meeting so that your vote will be counted if you later are unable to attend the Annual Meeting.

#### *Submitting a Proxy or Voting Instructions*

- **Submitting a Proxy for Shares Registered Directly in the Name of the Stockholder.** If you hold your shares of our Common Stock as a record holder and you are reviewing a printed copy of this Proxy Statement, you may vote by completing, signing, dating and returning the enclosed proxy card in the accompanying prepaid envelope, or by submitting a proxy over the Internet or by telephone by following the instructions on the proxy card. If you hold your shares of Common Stock as a record holder and you are viewing this Proxy Statement on the Internet, you may vote by submitting a proxy over the Internet or by telephone by following the instructions on the Notice of Internet Availability previously mailed to you. If you submit a proxy by Internet or telephone, you need not return a written proxy card by mail.
- **Submitting Voting Instructions for Shares Registered in Street Name** If you hold your shares of our Common Stock in street name, which means your shares are held of record by a broker, bank or nominee, you will receive instructions from your broker, bank or other nominee on how to vote your shares. Your broker, bank or other nominee will allow you to deliver your voting instructions over the Internet and may also permit you to provide your voting instructions by telephone. In addition, if you received a printed copy of this Proxy Statement, you may submit your voting instructions by completing, signing and dating the voting instruction form that was included with this Proxy Statement and returning it in the accompanying prepaid envelope. If you provide voting instructions by Internet or telephone, you need not return a written voting instruction form by mail.

[TABLE OF CONTENTS](#)

**What is the deadline for voting my shares if I do not attend the Annual Meeting?**

If you are a stockholder of record, your proxy must be received by telephone or the Internet by 11:59 p.m., Eastern Time, on June 7, 2023 for your shares to be voted at the Annual Meeting. If you are a stockholder of record and received your proxy materials by mail, and you cause your shares to be voted by completing, signing, dating and returning the enclosed proxy card, your proxy card must be received before the Annual Meeting for your shares to be voted at the Annual Meeting.

If you hold your shares in street name, please comply with the deadlines for voting provided by the broker, bank or other nominee that holds your shares.

**What vote is required for adoption or approval of each matter to be voted on?**

<b>Proposal</b>	<b>Vote Required</b>
<b>Proposal 1: Election of Directors</b>	The nominee receiving a plurality of the votes cast with respect to his or her election will be elected (that is, the two nominees receiving the highest number of votes cast “For” such nominee will be elected).
<b>Proposal 2: Ratification of the Appointment of our Independent Registered Public Accounting Firm</b>	The affirmative vote of a majority of the votes cast on the matter.
<b>Proposal 3: Approval, on an Advisory Basis, of the Compensation of our Named Executive Officers</b>	The affirmative vote of a majority of votes cast on the matter.
<b>Proposal 4: Approval, on an Advisory Basis, of the Frequency of Future Advisory Votes on Named Executive Officer Compensation</b>	The affirmative vote of a majority of the votes cast on the matter. However, if no frequency option receives the affirmative vote of a majority of the votes cast on the matter, our Board will consider the option receiving the highest number of affirmative votes.
<b>Proposal 5: Approval of the 2023 Equity Incentive Plan</b>	The affirmative vote of a majority of the votes cast on the matter.

**What happens if I do not give specific voting instructions?**

If you are a stockholder of record and you properly submit a signed proxy card or submit your proxy by telephone or the Internet, but do not specify how you want to vote your shares on a particular proposal, then the named proxy holders will vote your shares in accordance with the recommendations of the Board on all matters presented in this Proxy Statement. See above under the heading “*How does the Board recommend that I vote?*”

In accordance with applicable stock exchange rules, if you hold your shares through a brokerage account and you fail to provide voting instructions to your broker, your broker may generally vote your uninstructed shares of our Common Stock in its discretion on routine matters at a stockholder meeting. However, a broker cannot vote shares of our Common Stock held in street name on non-routine matters unless the broker receives voting instructions from the stockholder. Generally, if a broker exercises this discretion on routine matters at a stockholder meeting, a stockholder’s shares will be voted on the routine matter in the manner directed by the broker but will constitute a “broker non-vote” on all of the non-routine matters to be presented at the stockholder meeting. Proposal 1 (election of directors), Proposal 3 (approval, on an advisory basis, of the compensation of the Company’s named executive officers), Proposal 4 (approval, on an advisory basis, of the frequency of future advisory votes on named executive officer compensation) and Proposal 5 (approval of the 2023 Equity Incentive Plan) are considered non-routine matters. Proposal 2 (ratification of the appointment of Grant Thornton as our independent registered public accounting firm) is considered a routine matter.

Consequently, if you hold your shares in street name through a brokerage account and do not submit voting instructions to your broker, your broker may exercise its discretion to vote your shares on Proposal 2 but will not

## TABLE OF CONTENTS

be permitted to vote your shares on Proposals 1, 3, 4 or 5 or on any other business as may properly come before the Annual Meeting. If your broker exercises this discretion on Proposal 2, your shares will be counted as present for determining the presence of a quorum at the Annual Meeting and will be voted on Proposal 2 in the manner directed by your broker, but your shares will constitute broker non-votes on Proposals 1, 3, 4 and 5 at the Annual Meeting.

### **What are “broker non-votes”?**

As discussed above, when a beneficial owner of shares of our Common Stock held in street name does not give voting instructions to his or her broker, bank or other nominee as to how to vote on matters deemed to be “non-routine” under applicable stock exchange rules, the broker, bank or other nominee cannot vote the shares. These un-voted shares are counted as “broker non-votes.” As noted above, Proposals 1, 3, 4 and 5 are considered to be “non-routine,” and we therefore expect broker non-votes to exist in connection with those proposals.

*As a reminder, if you are a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you **must** provide voting instructions to your broker, bank or other nominee by the deadline provided in the materials you receive from your broker, bank or other nominee.*

### **What are my choices for casting my vote on each matter to be voted on?**

Your choices for casting your vote on each proposal to be voted on at the Annual Meeting are as follows:

<b>Proposal Number</b>	<b>Proposal Description</b>	<b>Voting Options</b>	<b>Effect of Abstentions</b>	<b>Effect of Broker Non-Votes</b>
1	Election of Directors	“For All,” “Withhold All,” or “For All Except” with respect to each of the two director nominees	Not applicable	No effect
2	Ratification of the Appointment of our Independent Registered Public Accounting Firm	“For,” “Against,” or “Abstain”	No effect	Not applicable
3	Approval, on an Advisory Basis, of the Compensation of our Named Executive Officers	“For,” “Against,” or “Abstain”	No effect	No effect
4	Approval, on an Advisory Basis, of the Frequency of Future Advisory Votes on Named Executive Officer Compensation	Indicate a frequency of every “One,” “Two,” or “Three” years, or “Abstain”	No effect	No effect
5	Approval of the 2023 Equity Incentive Plan	“For,” “Against,” or “Abstain”	No effect	No effect

### **How will voting on any other business be conducted?**

Although the Board does not know of any business to be considered at the Annual Meeting other than the items described in this Proxy Statement, if any other business properly comes before the Annual Meeting, a stockholder’s properly submitted proxy gives authority to the proxy holders to vote on those matters in their discretion.

## TABLE OF CONTENTS

### **How can I change or revoke my proxy?**

If you are a stockholder of record, you may change or revoke a previously submitted proxy at any time before the final vote at the Annual Meeting by one of the following methods:

- delivering a later dated proxy card or by submitting another proxy by telephone or the Internet (your latest telephone or Internet voting instructions will be followed);
- delivering to the Secretary of Veritone at our principal executive offices a written notice of revocation prior to the voting of the proxy at the Annual Meeting; or
- by attending the Annual Meeting and voting online. Virtual attendance at the Annual Meeting will not, by itself, revoke your proxy.

Prior to May 5, 2023, written notices of revocation should be addressed to:

Veritone, Inc.  
Attn: Secretary  
2420 17th St., Office 3002  
Denver, Colorado 80202

On or after May 5, 2023, written notices of revocation should be addressed to:

Veritone, Inc.  
Attn: Secretary  
1615 Platte Street  
2nd Floor  
Denver, Colorado 80202

Any change to your proxy that is provided by telephone or the Internet must be submitted before the deadlines set forth above under “*What is the deadline for voting my shares if I do not attend the Annual Meeting?*” If your shares are held in street name, you must contact your broker, bank or other nominee to find out how to change or revoke your voting instructions.

### **Who will bear the cost of this proxy solicitation?**

We will bear the cost of solicitation of proxies. This includes the charges and expenses of preparing, assembling, and mailing the Notice of Internet Availability, Proxy Statement, and other soliciting materials and the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of our issued and outstanding Common Stock. We have retained Alliance Advisors, a third-party solicitation firm, to assist in the distribution of proxy materials and solicitation of proxies on our behalf for an estimated fee of \$19,000, plus reimbursement of certain out-of-pocket expenses. **PROPOSAL ONE  
ELECTION OF DIRECTORS**

**BOARD OF DIRECTORS**

Our Board of Directors is currently fixed at five directors. Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws (“Bylaws”) provide for a staggered, or classified, Board consisting of three classes of directors, each serving a staggered three-year term and with one class being elected at each year’s annual meeting of stockholders as follows:

- the Class III directors are Mr. Chad Steelberg and Mr. Ryan Steelberg, and their terms will expire at the Annual Meeting.
- the Class I directors are Mr. Richard H. Taketa and Mr. Jeffrey P. Gehl, and their terms will expire at the annual meeting of stockholder to be held in 2024.
- the Class II director is Mr. Knute P. Kurtz, and his term will expire at the annual meeting of stockholder to be held in 2025.

Upon the expiration of the term of a class of directors, directors for that class may be elected for a new three-year term at the annual meeting of stockholders in the year in which their term expires. Each director’s term is subject to the election and qualification of his or her successor, or his or her earlier death, resignation or removal. Subject to any rights applicable to any then outstanding preferred stock, any vacancies on our Board may be filled only by the affirmative vote of a majority of the directors then in office.

The Corporate Governance and Nominating Committee of the Board is responsible for reviewing and recommending to the Board from time to time the criteria for Board membership including independence, character, judgment, diversity, age, expertise and corporate experience, as well as identifying, evaluating and recommending prospective director nominees for election to the Board. The Corporate Governance and Nominating Committee will review and consider any candidates recommended by stockholders in accordance with the bylaws of the Company. In considering candidates for nomination or appointment to the Board, the Board considers such factors such as whether the director candidate has relevant expertise upon which to be able to offer advice and guidance to management, has sufficient time to devote to the affairs of the Company, has demonstrated excellence in his or her field, has the ability to exercise sound business judgment and has the commitment to rigorously represent the long-term interests of the Company’s stockholders. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting its assessment, the Board considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experiences, background and capability. Although we do not have a formal diversity policy, we believe it is important to have an appropriate mix of diversity for the optimal functionality of the Board. In the case of incumbent directors whose terms of office are set to expire, the Board reviews such directors’ overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors’ independence.

All of our directors bring to the Board a wealth of executive leadership experience. Below we identify and describe the key experience, qualifications, and skills our directors bring to the Board that are important in light of our businesses and structure. The directors’ experiences, qualifications, and skills that the Board considers in their re-nominations are included in their individual biographies.

**Board Diversity**

The Board Diversity Matrix, below, provides diversity statistics for our Board. As discussed above, we consider numerous factors in assessing potential new Board members, including diversity, age, skills, domain expertise and such other factors as we deem appropriate given the needs of the Board and the Company at the time. Although we do not have a formal diversity policy, we believe it is important to have an appropriate mix of diversity for the optimal functionality of the Board. Of our current five Board members, one member identifies as part of an under-represented community. With the resignation of Ms. Nayyar in December 2022, we no longer have any women on our Board, however, we are committed to returning to a gender diverse mix on our Board within the next year.

## CORPORATE GOVERNANCE

### Corporate Governance Guidelines

Our Board has developed corporate governance practices to help it fulfill its responsibility to stockholders to oversee the work of management in the conduct of the Company's business and to seek to serve the long-term interests of stockholders. The Company's corporate governance practices are memorialized in our Corporate Governance Guidelines which direct our Board's actions with respect to, among other things, our Board composition and director qualifications, composition of the Board's standing committees, stockholder communications with the Board, succession planning and the Board's annual performance evaluation.

A current copy of our Corporate Governance Guidelines is available on our website at [investors.veritone.com](http://investors.veritone.com).

### Annual Board Evaluations

Pursuant to our Corporate Governance Guidelines and the charter of the Corporate Governance and Nominating Committee, the Corporate Governance and Nominating Committee oversees an annual evaluation of the performance of the Board and each of its committees to assess the overall effectiveness of the Board and its committees. The evaluation process is designed to facilitate ongoing, systematic examination of the Board's effectiveness and accountability, and to identify opportunities for improving its operations and procedures. The effectiveness of individual directors is considered each year when the directors stand for re-nomination.

### Director Independence

Our Board affirmatively determined that a majority of the members of our Board qualify as "independent," as required under applicable NASDAQ rules. Our Board affirmatively determined that each of our current directors, Messrs. Gehl, Kurtz and Taketa, and each of our former directors, Ms. Nayyar and Mr. Graziadio, qualify as an "independent director" under the applicable rules of NASDAQ and the SEC. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with the Company.

In making its independence determinations, our Board considered the relationships that each of these non-employee directors has with the Company, and all other facts and circumstances our Board deemed relevant in determining their independence. As required under applicable NASDAQ rules, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

All members of our Audit, Compensation, and Corporate Governance and Nominating Committees are independent directors. In addition, each of the members of the Audit Committee and Compensation Committee meet the additional independence criteria required for membership on those committees under applicable NASDAQ listing standards. Our Board also has determined that each member of the Audit Committee qualifies as an "audit committee financial expert" under SEC rules.

### Board Leadership and Structure

Our Corporate Governance Guidelines provide that the Board will exercise its discretion in combining or separating the offices of the Chairman of the Board and the Chief Executive Officer, based on the Board's judgment of the best interests of the Company and its stockholders from time to time. The Board recognizes that the roles of Chief Executive Officer and Chairman of the Board are distinct. While the Chief Executive Officer is responsible for setting our strategic direction and for our day-to-day leadership and performance, the Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for, and presides over, meetings of the Board. Mr. Ryan Steelberg currently serves as our Chief Executive Officer and Mr. Chad Steelberg currently serves as our non-executive Chairman of the Board. The Board has determined that having a non-employee director serve as Chairman is in the best interests of our stockholders at this time. This structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations. The Board also believes that having a non-employee director serve as Chairman of the Board ensures a greater role for the non-employee directors in the oversight of the Company and active participation of the non-employee directors in setting agendas and establishing Board priorities and procedures. Further, the Board believes Mr. Chad Steelberg's prior experience as our Chief Executive Officer will benefit him in his role as our Chairman of the Board.

### Board Role in Risk Oversight

The Board believes that effective risk management involves our entire corporate governance framework. Both management and the Board have key responsibilities in managing risk throughout the Company.

**TABLE OF CONTENTS**

Management continually monitors the material risks we face, including financial risk, strategic risk, enterprise and operational risk and legal and compliance risk. The Board, as a whole and at the committee level, has an active role in, and is responsible for, exercising oversight of management’s identification and management of, and planning for, those risks as shown below. In fulfilling this oversight role, our Board focuses on understanding the nature of our enterprise risks, including our operations and strategic direction, as well as the adequacy of our risk management process and overall risk management system. Our Board performs these functions in a number of ways, including the following:

- at its regularly scheduled meetings, the Board receives management updates on our business operations, financial results, committee activities, and strategy and discusses risks related to the business;
- the Audit Committee assists the Board in its oversight of risk management by discussing with management our policies regarding financial risk management, including major risk exposures, and the steps management has taken to monitor and mitigate such exposures;
- the Compensation Committee assists the Board by evaluating potential risks related to our compensation programs; and
- through management updates and committee reports, the Board monitors our risk management activities, including the enterprise risk management process and cybersecurity risks, risks relating to our compensation programs, risks related to environmental, social and governance practices, and financial, legal and operational risks.

We strive to advance social inclusion in the way we do business and seek ways to include our ESG strategy as part of our corporate mission and priorities. In addition, we aim to ensure that material ESG factors are integrated into our strategy, operations and risk frameworks. The following are a summary of some of the existing ESG priorities that we continue to advance.

#### ***Environmental Highlights***

As part of our commitment to being good stewards of the environment, we continue to work toward understanding, quantifying and reducing our impact on climate change. We understand that climate change poses risk and presents opportunities for our business to address such impacts in several ways. With the growing awareness that all companies need to manage their environmental impact, we have:

- Become a “remote first” organization, allowing our employees to work primarily from home, which significantly reduces our carbon footprint by cutting down on our employees’ commuting requirements.
- With respect to office locations which we do maintain in Irvine, CA, New York, NY and Tel Aviv, Israel, endeavored, where possible, to select sites with the highest possible energy efficiency ratings.
- Established our production environments, pursuant to which we provide and service all of our customer products and solutions, at AWS (Amazon) and Azure (Microsoft), each of whom provide robust environmental protections for these production environments at scale.
- Implemented policies to reduce non-essential travel for our employees.
- Promoted responsible recycling of e-waste and paper and use of resources, including water and electricity.

We continue to assess on a regular basis future energy and other environmental goals.

#### ***Human Capital/Social Highlights***

We were founded in part to make the world better through AI and advancing inclusion is core to our business. This includes advocating for inclusive policies and programs in the markets in which we operate at both government and community levels.

As such, we strive to cultivate an environment where all our employees can succeed, which includes the following:

### ***Corporate Governance Highlights***

We maintain governance practices that we believe establish meaningful accountability for our Company and our Board, including:

- All of our Directors except our non-executive chairman and Chief Executive Officer are independent.
- All of our standing Board committees are comprised entirely of independent directors.
- We are committed to Board diversity with one director who is from an underrepresented community.
- We conduct annual Board and committee evaluations.

### **Meetings and Attendance**

During fiscal year 2022, our Board held nine meetings, the Audit Committee held seven meetings, the Compensation Committee held five meetings and the Corporate Governance and Nominating Committee held four meetings. Each of our directors attended at least 75% of the aggregate meetings of the Board and the committees of the Board on which he or she served during fiscal year 2022. In addition, the independent directors meet regularly in executive session without the presence of management.

## TABLE OF CONTENTS

It is the Board's policy to encourage directors to attend the annual meeting of stockholders. Our Board expects each director to attend the Annual Meeting. All of our then-current directors attended last year's annual meeting of stockholders.

### **Executive Sessions**

In fiscal 2022, our independent directors met privately, without any members of management present, four times during the year. Our independent directors have robust and candid discussions at these executive sessions during which they can critically evaluate the performance of our Company, Chief Executive Officer and management. These private sessions are generally held in conjunction with the regular quarterly Board meetings. Other private meetings are held as often as deemed necessary by the independent directors.

In addition, executive sessions of the Audit Committee are scheduled following each regular meeting of the Audit Committee (with our independent auditors, with the head of our internal audit department, with outside counsel and with executive management, if deemed necessary). Also, an executive session of the Compensation Committee is scheduled following any Compensation Committee meeting at which executive compensation determinations are made. Executive sessions of the Corporate Governance and Nominating Committee are held when deemed necessary by the members of that committee.

### **Committees of Our Board**

Our Board has a standing Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee. Each committee operates under a written charter adopted and reviewed annually by our Board, which satisfy the applicable standards of the SEC and NASDAQ. Copies of the charters of all standing committees are available on our website at *investors.veritone.com* under "Governance." Our Board may establish other committees from time to time as deemed appropriate by our Board based on the needs of our Board and the Company.

The composition of each of our three standing committees is set forth below. Messrs. Chad Steelberg, our non-executive Chairman of the Board, and Ryan Steelberg, our Chief Executive Officer, do not serve on any committees of the Board.

Gehl, Graziadio, Kurtz and Taketa meets the definition of an "independent director" for purposes of serving on an audit committee under Rule 10A-3 of the Exchange Act and NASDAQ rules. In addition, our Board has determined that each of Messrs. Kurtz, Graziadio, Gehl and Taketa qualifies as an "audit committee financial expert," as such term is defined in Item 407(d)(5) of Regulation S-K.

Our Audit Committee has the responsibility to, among other things:

### ***Compensation Committee***

Our Compensation Committee consists of Messrs. Gehl and Taketa, and Mr. Taketa serves as the Chairman. Our Board has determined that each member serving on the Compensation Committee is “independent” as that term is defined in the applicable NASDAQ rules.

Our Compensation Committee has the responsibility to, among other things:

- review and determine the compensation arrangements for our executive officers;
- establish and review general compensation policies with the objective to attract and retain superior talent, to reward individual performance and to achieve our financial goals;
- administer our equity incentive plans and other incentive compensation plans;
- evaluate the performance of our Chief Executive Officer and participate in the evaluation of other executive management;
- evaluate and make recommendations to our Board regarding the compensation of our Board and its committees;
- evaluate whether the Company’s compensation plans, programs or practices would encourage unnecessary or excessive risk-taking; and
- review the independence of any compensation advisers engaged by our Compensation Committee.

From time to time, the Compensation Committee has retained a compensation consultant as it deems necessary to provide advice as to market levels of compensation, compensation program design and compensation trends. In 2022, our Compensation Committee engaged the services of Compensia, Inc. (“Compensia”), a compensation consulting firm, to advise the Compensation Committee regarding the amount and types of compensation that we provide to our executives and directors, our compensation philosophy and how our compensation practices compare to the compensation practices of other similar and peer companies. Compensia does not provide any services to us other than the services provided to the Compensation Committee. The Compensation Committee believes that Compensia does not have any conflicts of interest in advising the Compensation Committee under applicable SEC rules or NASDAQ listing standards. The Compensation Committee has assessed the independence of Compensia pursuant to SEC rules and NASDAQ listing standards and concluded that no conflict of interest exists that would prevent Compensia from independently representing the Compensation Committee.

## EXECUTIVE COMPENSATION

The following is a summary of the compensation policies, plans and arrangements for all individuals who served at any time as an executive officer of the Company during 2022. This summary should be read in conjunction with the Summary Compensation Table and related disclosures set forth below. We are eligible to, and have chosen to, comply with the executive compensation disclosure rules applicable to a “smaller reporting company,” as defined in applicable SEC rules.

### Overview

Our executive compensation plans and arrangements are overseen and administered by our Compensation Committee, which is comprised entirely of independent directors as determined in accordance with applicable NASDAQ rules. Our Compensation Committee has established compensation plans and arrangements that are intended to fulfill three primary objectives: first, to attract and retain the high caliber executives required for the success of our business; second, to reward these executives for strong financial and operating performance; and third, to align their interests with those of our stockholders to incentivize them to create long-term stockholder value. The key components of executive compensation are base salaries, cash incentives and equity awards.

Our Compensation Committee reviews and evaluates executive compensation on an annual basis. In May 2020, the Compensation Committee reviewed the base salaries, cash incentives and equity compensation of Chad Steelberg, our Chief Executive Officer at the time, and Ryan Steelberg, our President, as well as other key terms of their employment, including compensation and benefits to which they would be entitled in the event of a change in control of Veritone. Based on such review, the Compensation Committee determined that it was appropriate to establish new compensation arrangements for such officers, which were set forth in new employment agreements entered into with these officers in June 2020.

In connection with the appointment of Mr. Zemetra as our Executive Vice President, Chief Financial Officer and Treasurer, the Compensation Committee reviewed multiple factors, including the base salaries, cash incentive compensation and equity compensation for chief financial officers of other software companies of comparable size range, in establishing the compensation arrangements for Mr. Zemetra, which were set forth in the employment agreement entered into with Mr. Zemetra in October 2020.

Mr. Chad Steelberg resigned as our Chief Executive Officer effective as of December 31, 2022. Mr. Ryan Steelberg was appointed by our Board as President and Chief Executive Officer, effective as of January 1, 2023. In connection with this CEO transition, the Compensation Committee, with assistance from its compensation consultant, Compensia, reviewed the base salaries, cash incentives and equity compensation of Ryan Steelberg and Michael Zemetra, as well as the Company’s compensation philosophy and pay for performance metrics. Based upon that review, the Compensation Committee determined that it was appropriate to establish new compensation arrangements for Messrs. Ryan Steelberg and Zemetra, which were set forth in new employment agreements entered into with these officers in January 2023, as discussed under the heading “2023 Employment Agreements” below.

### 2020 Employment Agreements

#### *Chad Steelberg and Ryan Steelberg*

As noted above, in June 2020, we entered into new employment agreements with Chad Steelberg and Ryan Steelberg, which superseded the employment agreements previously entered into with such officers in 2017 and the compensation plans and arrangements established for them in 2018 and 2019 (which had superseded the compensation terms set forth in those previous 2017 agreements). Each employment agreement had an initial term expiring on December 31, 2022, which would renew automatically for additional one-year terms unless either we or the officer elects not to renew the agreement by providing written notice to the other party at least 90 days prior to the expiration of the then-current term. As a result of Mr. Chad Steelberg’s resignation on December 31, 2022, his 2020 employment agreement terminated. Mr. Ryan Steelberg’s 2020 employment agreement was replaced and superseded by a new employment agreement entered into in January 2023 in connection with his transition to our President and Chief Executive Officer. See “2023 Employment Agreements” below.

Pursuant to these employment agreements, the annual base salaries of Chad Steelberg and Ryan Steelberg were set initially at \$500,000 and \$375,000, respectively. Each officer’s base salary was subject to review by our

## TABLE OF CONTENTS

Board at least annually and, in any event, was to be increased by no less than 5% annually. Each officer could, subject to certain conditions, elect to receive up to 25% of his base salary during any calendar quarter in the form of fully vested stock awards issued under our stock incentive plans (with the number of shares determined based on the average of the daily volume-weighted average prices per share of our common stock during the quarter).

The employment agreements also provided that each officer was entitled to receive annual cash incentives, with a target incentive amount equal to at least 120% of his then-current annual base salary for Chad Steelberg and 100% for Ryan Steelberg. Half of the incentive amount was tied to the achievement of annual performance goals with earned amounts paid annually, and the remaining half of the incentive amount was tied to the achievement of quarterly performance goals with earned amounts paid quarterly. However, Chad Steelberg would receive a total bonus each year equal to at least 50% of his then-current base salary, and Ryan Steelberg would receive a total bonus each year equal to at least 25% of his then-current base salary, whether or not the applicable performance goals have been achieved.

Pursuant to the employment agreements, we granted an initial award of 350,000 restricted stock units (“RSUs”) to Chad Steelberg and 140,000 RSUs to Ryan Steelberg in June 2020, each of which vested fully in 2021.

In addition, commencing in 2021, Chad Steelberg became entitled to receive on an annual basis an award of RSUs representing the right to receive upon vesting (i) 175,000 shares of our common stock, plus (ii) a number of shares of our common stock determined by dividing \$150,000 by the average of the daily volume-weighted average prices of our common stock for the ninety (90) calendar day period ended on the last trading day prior to the grant thereof. The RSU grants we made to Chad Steelberg in accordance with the terms of his employment agreement in 2021 and 2022 are discussed in more detail under the heading “2021 Equity Awards” and “2022 Equity Awards” below. Each RSU award will vest in full on the first anniversary of the grant date, subject to continued service and acceleration under certain circumstances, as discussed under the heading “Payments Upon Termination of Employment or Change in Control” below.

Commencing in 2021, Ryan Steelberg became entitled to receive on an annual basis an award of RSUs representing the right to receive upon vesting (i) 125,000 shares of our common stock, plus (ii) a number of shares of our common stock determined by dividing \$75,000 by the average of the daily volume-weighted average prices of our common stock for the ninety (90) calendar day period ended on the last trading day prior to the grant thereof. The RSU grants we made to Ryan Steelberg in accordance with the terms of his employment agreement in 2021 and 2022 are discussed in more detail under the heading “2021 Equity Awards” and “2022 Equity Awards” below. Each RSU award will vest in full on the first anniversary of the grant date, subject to continued service and acceleration under certain circumstances, as discussed under the heading “Payments Upon Termination of Employment or Change in Control” below.

The employment agreements provided for payment of other benefits to each officer, including (i) payment of a commuting allowance of \$25,000 per calendar quarter for Chad Steelberg and \$12,500 per calendar quarter for Ryan Steelberg, (ii) purchase of separate healthcare policies covering each officer and his family, (iii) reimbursement of legal fees reasonably incurred in the negotiation of both officers’ employment agreements, up to a maximum of \$50,000 and (iv) other benefits generally made available to employees under our employee benefit plans.

The employment agreements with Chad Steelberg and Ryan Steelberg were at-will agreements and could be terminated at any time and for any reason or without reason. However, if the officer had been terminated other than for cause (as defined in his employment agreement) or resigned for good reason (as defined in his employment agreement), then the officer would have been entitled to receive cash severance payments and acceleration of the vesting of certain of his equity awards, as discussed under the heading “Payments Upon Termination of Employment or Change in Control” below.

### ***Michael Zemetra***

On October 6, 2020, we entered into an employment agreement with Mr. Zemetra in connection with his appointment as our Executive Vice President, Chief Financial Officer and Treasurer. The employment agreement had an initial term expiring on October 8, 2024, which renewed automatically for additional one-year terms unless either we or Mr. Zemetra elected not to renew the agreement by providing written notice to the other

party at least 90 days prior to the expiration of the then-current term. We entered into a new employment agreement with Mr. Zemetra in January 2023 that replaced and superseded this agreement. See “2023 Employment Agreements” below.

Pursuant to Mr. Zemetra’s employment agreement, his annual base salary was set initially at \$325,000. He was also eligible to receive annual incentives under our cash incentive program, with his target incentive amount set at 50% of his annual base salary initially. Mr. Zemetra’s base salary and target incentive were subject to review by the Board at least annually. Mr. Zemetra was also entitled to receive: (i) reimbursement of relocation expenses under certain circumstances, up to a maximum of \$10,000, and (ii) payment by us of 100% of the premiums for medical, dental and vision insurance coverages for him and his eligible family members under our group insurance plans.

Pursuant to his employment agreement, we granted the following initial equity awards to Mr. Zemetra in October 2020: (i) 40,000 RSU’s, which vested over two years; (ii) 60,000 time-based stock options which vest over a four-year period with an exercise price of \$11.10; and (iii) 120,000 performance-based stock options, which vested in full in 2021 with an exercise price of \$11.10.

Mr. Zemetra’s employment agreement also provided that, during the first calendar quarter of each year and subject to his continued employment with us, we would grant to him an RSU award covering a number of shares of our common stock determined by dividing \$300,000 by the average of the daily volume-weighted average prices of our common stock for the ninety (90) calendar day period ended on the last trading day prior to the grant date thereof. Each such RSU award would vest in full on the first anniversary of the grant date thereof, subject to Mr. Zemetra’s continued employment through the relevant vesting date and acceleration under certain circumstances, as discussed under the heading “Payments Upon Termination of Employment or Change in Control” below. The RSU grants we made to Mr. Zemetra in accordance with the terms of his employment agreement in 2021 are discussed in more detail under the heading “2021 Equity Awards” below.

Our employment agreement with Mr. Zemetra was an at-will agreement and could be terminated at any time and for any reason or without reason. However, if Mr. Zemetra had been terminated other than for cause (as defined in his employment agreement) or resigned for good reason (as defined in his employment agreement), then he would have been entitled to receive cash severance payments and acceleration of the vesting of certain of his equity awards, as discussed under the heading “Payments Upon Termination of Employment or Change in Control” below.

### ***2023 Employment Agreements***

As noted above, in January 2023, as part of our CEO transition, we entered into new employment agreements with Ryan Steelberg and Michael Zemetra, which superseded and replaced the employment agreements previously entered into with such officers in 2020. These new employment agreements are intended to ensure that our executive compensation program is designed to pay for performance. Our Compensation Committee believes it is important to structure a significant portion of our named executive officers’ compensation so that it is aligned with the Company’s corporate strategies and business objectives, and it incentivizes our named executive officers to create long-term value for our stockholders without encouraging unnecessary or excessive risk taking. In line with this compensation philosophy, generally, a substantial majority of each named executive officer’s annual compensation opportunity is not fixed but consists of performance-based compensation (annual bonus opportunity and equity awards with performance-based vesting requirements) and/or compensation tied to long-term vesting requirements with a value dependent on our stock price (all equity awards).

*Ryan Steelberg.* Pursuant to Mr. Ryan Steelberg’s 2023 employment agreement, his annual base salary was set initially at \$525,000. He will also be eligible to receive annual incentives under our cash incentive program, with a target of not less than one hundred percent (100%) of his annual base salary, up to a maximum amount determined by our Compensation Committee in accordance with the terms of our annual bonus plan.

Pursuant to his 2023 employment agreement, Mr. Ryan Steelberg is entitled to the following initial equity awards: (i) a time-based RSU award with a value of \$1,000,000 and (ii) a performance-based RSU award with a target value of \$1,000,000, with the number of shares of our common stock subject to the awards in each case being determined by dividing the value of the award by the 90-day average closing price of our common stock prior to the date of grant. The time-based RSU award will vest in equal installments on the first three

## TABLE OF CONTENTS

anniversaries of the effective date of Mr. Ryan Steelberg's employment agreement, subject to his continuous service through the relevant vesting date. The performance-based RSU award will vest based on achievement of revenue and non-GAAP net income targets (each equally weighted) over a three-year performance period, which achievement shall then be modified (up to a 20% increase or decrease) based on our relative total shareholder return over such three-year period, as compared with the S&P Software and Services Select Industry Index. Based on our performance, Mr. Ryan Steelberg may earn from 0% to 200% of the target number of shares of the performance-based RSU award. The performance-based RSU award is subject to acceleration or conversion to a time-based award under certain circumstances relating to a change in control and separation of his employment, as discussed under the heading "Payments Upon Termination of Employment or Change in Control" below.

Mr. Ryan Steelberg is also entitled to receive: (i) purchase of a separate healthcare policy covering him and his family; (ii) reimbursement of legal fees reasonably incurred in the negotiation of his employment agreement, up to a maximum of \$15,000; and (iii) other benefits generally made available to employees under our employee benefit plans. Mr. Ryan Steelberg also received a one-time cash promotion bonus in the amount of \$400,000.

Our employment agreement with Mr. Ryan Steelberg is an at-will agreement and may be terminated at any time and for any reason or without reason. However, if Mr. Ryan Steelberg terminates his employment as a Good Leaver (as defined in his employment agreement), then he will be entitled to receive cash severance payments and acceleration of the vesting of certain of his equity awards, as discussed under the heading "Payments Upon Termination of Employment or Change in Control" below.

*Michael Zemetra.* Pursuant to Mr. Zemetra's 2023 employment agreement, his annual base salary was set initially at \$400,000. He will also be eligible to receive annual incentives under our cash incentive program, with a target of not less than one hundred percent (60%) of his annual base salary, up to a maximum amount determined by our Compensation Committee in accordance with the terms of our annual bonus plan.

Pursuant to his 2023 employment agreement, Mr. Zemetra is entitled to the following initial equity awards; (i) a RSU award with a value of \$450,000; (ii) on or prior to June 30, 2023, and subject to approval by the Compensation Committee and to our stockholders approving adoption of a new equity incentive plan, a second time-based RSU award under the new plan with a value of \$150,000; and (iii) a performance-based RSU award with a target value of \$150,000, with the number of shares of our common stock subject to the awards in each case being determined by dividing the dollar value of the award by the 90-day average closing price of our common stock prior to the date of grant. The time-based RSU awards will vest in equal installments on the first three anniversaries of the effective date of Mr. Zemetra's employment agreement, subject to his continuous service through the relevant vesting date. The performance-based RSU award will vest based on achievement of revenue and non-GAAP net income targets (each equally weighted) over a three-year performance period, which achievement shall then be modified (up to a 20% increase or decrease) based on our Company's relative total shareholder return over such three-year period, as compared with the S&P Software and Services Select Industry Index. Based on our performance, Mr. Zemetra may earn from 0% to 200% of the target number of shares of the performance-based RSU award. The performance-based RSU award is subject to acceleration or conversion to a time-based award under certain circumstances relating to a change in control and separation of his employment, as discussed under the heading "Payments Upon Termination of Employment or Change in Control" below.

Mr. Zemetra is also entitled to receive: (i) payment by us of 100% of the costs of healthcare benefits for Mr. Zemetra and his family; (ii) reimbursement of legal fees reasonably incurred in the negotiation of his employment agreement, up to a maximum of \$5,000; and (iii) other benefits generally made available to employees under our employee benefit plans.

Our employment agreement with Mr. Zemetra is an at-will agreement and may be terminated at any time and for any reason or without reason. However, if Mr. Zemetra terminates his employment as a Good Leaver (as defined in his employment agreement), then he will be entitled to receive cash severance payments and acceleration of the vesting of certain of his equity awards, as discussed under the heading "Payments Upon Termination of Employment or Change in Control" below.

### **Compensation Components**

#### ***Base Salaries***

The base salaries of our executive officers are subject to review annually. In February 2021, the Compensation Committee reviewed the base salaries of our executive officers and determined that the base

## TABLE OF CONTENTS

salaries for 2021 for Chad Steelberg and Ryan Steelberg would be increased by 5%, pursuant to the terms of their employment agreements. Accordingly, for 2021, the annual base salary of Chad Steelberg was set at \$525,000 and the annual base salary of Ryan Steelberg was set at \$393,750. The Compensation Committee also reviewed the base salary of Mr. Zemetra at that time and determined that no change would be made for 2021 and his annual base salary would remain set at \$325,000.

In March 2022, the Compensation Committee reviewed the base salaries of our executive officers and determined that the base salaries for 2022 for Chad Steelberg and Ryan Steelberg would be increased by 5%, pursuant to the terms of their employment agreements. Accordingly, for 2022, the annual base salary of Chad Steelberg was set at \$551,250 and the annual base salary of Ryan Steelberg was set at \$413,437.50. The Compensation Committee also reviewed the base salary of Mr. Zemetra at that time and determined that no change would be made for 2022 and his annual base salary would remain set at \$325,000.

### ***Cash Incentives***

The Compensation Committee has established a cash incentive program for our executive officers to link a significant portion of each executive's total compensation to the achievement of pre-established quarterly and/or annual financial performance goals. For 2021 and 2022, the Compensation Committee established target and maximum levels for each financial measure, with the target level corresponding to the level for such measure reflected in our annual operating plan and the maximum level reflecting significant overachievement of the target level. Achievement of the target level for a measure would result in a payout of 100% of the target incentive amount tied to that financial measure, and achievement of the maximum level for such measure would result in a payout of 200% of the target incentive for such measure. Payouts are prorated on a straight-line basis in the event of achievement between the target and maximum levels for the applicable financial measure.

*2021 Annual Bonus.* For 2021, the target incentive amount for Chad Steelberg was set at 120% of his annual base salary, the target incentive amount for Ryan Steelberg was set at 100% of his annual base salary and the target incentive amount for Mr. Zemetra was set at 50% of his annual base salary, in each case pursuant to the terms of the applicable officer's employment agreement.

For the annual performance goals for 2021, the Compensation Committee selected three financial measures, which were weighted, and established target levels for such measures equal to the levels for such measures set forth in the annual operating plan approved by our Board for 2021, as follows: (i) reported GAAP revenue of \$78.1 million (45% weighting), (ii) non-GAAP net loss prior to any bonus accrual of \$17.2 million (45% weighting) and various strategic objectives (10% weighting). The maximum achievement levels for these measures were set at up to a 200% target payout at (i) reported GAAP revenue of \$85.3 million and (ii) pre-bonus non-GAAP net loss of \$10.1 million. Chad Steelberg and Ryan Steelberg were entitled to receive certain minimum payouts of their cash incentives on a quarterly basis in accordance with their respective employment agreements.

Excluding acquisitions made during the year ended December 31, 2021, our reported GAAP revenue for 2021 was \$77.0 million (99% payout), our non-GAAP net loss prior to any bonus accrual for 2021 was \$15.0 million (131% payout) and we met substantially all of our 2021 strategic objectives (100% payout). As a result, the computed bonus for 2021 was 114% of targeted payout. However, given the extraordinary performance in fiscal 2021, which included the unplanned acquisition and integration of PandoLogic Ltd., the Board elected to payout each of our executive officers at the 131% payout target.

An explanation of non-GAAP net loss and a reconciliation of this non-GAAP measure to our net loss calculated in accordance with GAAP for 2021 is included under the heading "Non-GAAP Financial Measures" in Part II, Item 7 (Management's Discussion and Analysis of Financial Condition and Results of Operations) of our Annual Report on Form 10-K for the fiscal year ended December 31, 2021.

*2022 Annual Bonus.* For 2022, the target incentive amount for Chad Steelberg was set at 120% of his annual base salary, the target incentive amount for Ryan Steelberg was set at 100% of his annual base salary and the target incentive amount for Mr. Zemetra was set at 50% of his annual base salary, in each case pursuant to the terms of the applicable officer's employment agreement.

For the annual performance goals for 2022, the Compensation Committee selected three financial measures, which were weighted, and established target levels for such measures equal to the levels for such measures set forth in the annual operating plan approved by our Board for 2022, as follows: (i) reported GAAP revenue of

## TABLE OF CONTENTS

\$193.5 million (45% weighting), (ii) non-GAAP net income prior to any bonus accrual of \$11.8 million (45% weighting) and various strategic objectives (10% weighting). The maximum achievement levels for these measures were set at up to a 200% target payout at (i) reported GAAP revenue of \$210.9 million and (ii) pre-bonus non-GAAP net income of \$21.4 million. Chad Steelberg and Ryan Steelberg were entitled to receive certain minimum payouts of their cash incentives on a quarterly basis in accordance with their respective employment agreements.

For the year ended December 31, 2022, our reported GAAP revenue was \$149.7 million (0% payout), our non-GAAP net loss prior to any bonus accrual for 2022 was \$15.9 million (0% payout) and we did not meet substantially all of our 2022 strategic objectives (0% payout). As a result, we paid no incentive bonuses under our cash incentive program to our executive officers for 2022. However, we paid certain contractual cash bonuses to Mr. Chad Steelberg and Mr. Ryan Steelberg for 2022 as required by their respective 2020 employment agreements.

### ***Equity Incentives***

We provide long-term incentive compensation to our executive officers through equity-based awards under our stock incentive plans, such as stock options and RSUs, with time-based and/or performance-based vesting conditions.

#### *2014 Plan and 2017 Plan*

Our 2014 Stock Option/Stock Issuance Plan (the “2014 Plan”) was approved by our Board and stockholders in 2014, and our 2017 Stock Incentive Plan (the “2017 Plan”) was approved by our Board and stockholders at the time of our initial public offering (“IPO”) in May 2017. Under these plans, the Compensation Committee or our Board has authority to grant awards of incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock and/or RSUs to our executive officers, directors, employees and consultants. Our Board resolved not to make any further awards under the 2014 Plan following the completion of our IPO, but such plan will continue to govern all outstanding awards granted thereunder.

All stock options granted under the 2014 Plan and 2017 Plan have exercise prices equal to or greater than the fair market value of our common stock on the grant date, and expire 10 years after the grant date, subject to earlier expiration in the event of termination of the awardee’s continuous service with the company. All equity awards granted under the 2014 Plan and 2017 Plan vest in accordance with the vesting schedules established by the Compensation Committee at the time of award, subject to the awardee’s continued service with our company. The vesting of equity awards granted to our executive officers under the 2014 Plan and 2017 Plan is subject to acceleration under certain circumstances as discussed under the heading “Payments Upon Termination of Employment or Change in Control” below.

#### *2018 Performance-Based Stock Incentive Plan*

In May 2018, our Board approved our 2018 Performance-Based Stock Incentive Plan (the “2018 Plan”), and a special committee comprised of independent and disinterested members of the Board approved awards of performance-based nonstatutory stock options to Chad Steelberg (the “CEO Award”) and Ryan Steelberg (the “President Award”) under the 2018 Plan. The CEO Award, President Award and the 2018 Plan were approved by our stockholders in June 2018. The numbers of shares of common stock underlying the CEO Award and the President Award are 1,809,900 and 1,357,425, respectively.

The CEO Award, the President Award and all awards granted to our other executive officers and employees under the 2018 Plan are 100% performance-based, which vest and become exercisable in three equal tranches only if we achieve certain stock price milestones. All stock options granted under the 2018 Plan have exercise prices equal to or greater than the fair market value of our common stock on the grant date, and expire 10 years after the grant date, subject to earlier expiration in the event of termination of an awardee’s service with the company.

Due to the significant decline in our stock price following the adoption of the 2018 Plan in 2018 through the first half of 2020, the Compensation Committee determined that the 2018 Plan was not achieving its intended goals. As such, in June 2020, the Compensation Committee, and the disinterested members of our Board, authorized, subject to stockholder approval, certain amendments to the 2018 Plan, the stock option award

agreements evidencing awards under the 2018 Plan (including the CEO Award and the President Award), and certain stock option award agreements entered into pursuant to our 2017 Plan on substantially the same terms as the 2018 Plan (collectively, the “Performance Awards”). Such amendments included: (i) amendment of the stock price milestones applicable to the Performance Awards; (ii) reduction of the exercise prices of the CEO Award and the President Award from \$21.25 per share to \$11.97 per share; (iii) extension of the period of time during which the exercisable portion of the CEO Award and the President Award will remain exercisable in the event of the officer’s separation from service under certain circumstances to the expiration of the 10-year term of such awards; and (iv) removal of the provision of the 2018 Plan that provided that, unless determined otherwise by a committee of independent and disinterested Board members, neither Chad Steelberg or Ryan Steelberg would be eligible to receive additional equity awards under the 2018 Plan or the 2017 Plan. Our stockholders approved these amendments in July 2020 and based on such approval, our Board adopted the amendments effective as of August 27, 2020.

The stock price milestones applicable to the Performance Awards, as amended, are set forth in the table below. Our stock price must equal or exceed the applicable stock price for thirty consecutive trading days for the stock price milestone to be achieved.

<b>Tranche</b>	<b>Stock Price Milestone</b>
1	\$17.50 per share
2	\$22.50 per share
3	\$27.50 per share

Due to the strong financial performance of our business throughout 2020, we experienced significant appreciation in our stock price during the second half of 2020 and first quarter of 2021. As a result, the first and second stock price milestones applicable to the Performance Awards were achieved in January 2021, and the third stock price milestone was achieved in February 2021. Accordingly, all of the Performance Awards were fully vested as of February 2021. As of April 11, 2023, the Performance Awards are “out-of-the-money” and remain unexercised and continue to be outstanding.

### *Inducement Grant Plan*

Our Inducement Grant Plan was adopted by our Board in October 2020. Under the Inducement Grant Plan, nonstatutory stock options, stock appreciation rights, stock awards, RSUs and dividend equivalent rights may be granted as an inducement material for eligible persons to enter into employment with the company in accordance with NASDAQ Marketplace Rule 5635(c)(4) and the related guidance under NASDAQ IM 5635-1, and any amendments or supplements thereto. All stock options granted under the Inducement Grant Plan have exercise prices equal to or greater than the fair market value of our common stock on the grant date, and expire 10 years after the grant date, subject to earlier expiration in the event of termination of the awardee’s continuous service with the company. All equity awards granted under the Inducement Grant Plan vest in accordance with the vesting schedules established by the Compensation Committee at the time of award, subject to the awardee’s continued service with our Company. The vesting of equity awards granted to our executive officers under the Inducement Grant Plan is subject to acceleration under certain circumstances as discussed under the heading “Payments Upon Termination of Employment or Change in Control” below.

On March 30, 2023, our Board amended and restated the Inducement Grant Plan to increase by 425,000 the number of shares of our common stock reserved for issuance pursuant to equity awards granted under the Inducement Grant Plan to 1,175,000 shares. After giving effect to this increase, as of April 11, 2023, there are 152,180 shares of Common Stock currently available for issuance under the Inducement Grant Plan. In accordance with NASDAQ Listing Rule 5635(c)(4), we did not seek stockholder approval of the amended and restated Inducement Grant Plan. Other than the increase in the Inducement Grant Plan share reserve, there were no other changes to any terms and conditions of the previously existing Inducement Grant Plan.

## **Generally Available Benefit Programs**

### ***Section 401(k) Plan***

We make available a tax-qualified retirement plan that provides eligible employees, including our executives, with an opportunity to save for retirement on a tax advantaged basis. Participants are able to defer up to 80% of their eligible compensation, subject to applicable annual limits under the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"). Pre-tax contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participant's directions. We do not currently make any matching contributions under the 401(k) plan.

### ***Employee Stock Purchase Plan***

We maintain an employee stock purchase plan (the "ESPP"), which is intended to qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code, to promote stock ownership by employees. Under the ESPP, eligible employees are able to acquire shares of our common stock by accumulating funds through payroll deductions. Eligible employees are able to select a rate of payroll deduction between 1% and 15% of their eligible compensation. The ESPP is implemented through a series of offering periods of up to 27 months, each having multiple purchase intervals, which are generally six months, unless otherwise determined by our Compensation Committee as the plan administrator.

The purchase price for shares of our common stock under the ESPP is established by our Compensation Committee prior to the start of any offering period but will not be less than 85% of the lower of the fair market value of our common stock on (i) the first day of each offering period and (ii) the purchase date for each

## TABLE OF CONTENTS

purchase interval. Purchases under the ESPP are subject to certain limitations, including a maximum number of shares that each participant may purchase on each purchase date of 1,000 shares, a maximum number of shares that may be purchased in total by all participants on each purchase date of 200,000 shares, and the \$25,000 annual limit under the Internal Revenue Code. In addition, under no circumstances will purchase rights be granted under the ESPP to any eligible employee if such individual would, immediately after the grant, own or hold outstanding options or other rights to purchase stock possessing 5% or more of the total combined voting power or value of all classes of stock of our company or any parent or subsidiary.

### ***Health Benefit Programs***

Our executive officers are eligible to participate in our health benefit programs, including medical, dental, vision, long-term disability, life and accidental death and dismemberment insurance, flexible spending accounts and certain other benefits. We pay 100% of the premiums for the medical, dental, vision, long-term disability and life insurance elected by Mr. Zemetra under these company-provided benefits (excluding the premiums for voluntary supplemental disability insurance). Chad Steelberg and Ryan Steelberg currently participate in our basic life and accidental death and dismemberment insurance, short-term disability and long-term disability benefit programs; in addition, we pay for 100% of the costs for their separate healthcare plans.

### **PAYMENTS UPON TERMINATION OF EMPLOYMENT OR CHANGE IN CONTROL**

The terms of the employment agreements entered into in 2020, referred to as the 2020 Employment Agreements, were effective for each named executive officer throughout 2022. As previously noted, Chad Steelberg resigned as Chief Executive Officer effective December 31, 2022. Ryan Steelberg and Michael Zemetra entered into new employment agreements in January 2023, referred to as the 2023 Employment Agreements, that are currently effective and govern the payments each would receive upon termination of employment or change in control after January 2023.

#### **2020 Employment Agreements**

##### ***Chad Steelberg and Ryan Steelberg***

Pursuant to the terms of the employment agreements entered into with each of Chad Steelberg and Ryan Steelberg in June 2020, if the officer's employment had been terminated by us without cause (as defined in his employment agreement) or due to his death or disability (as defined in his employment agreement), or the officer resigned for good reason (as defined in his employment agreement), then 50% of any unvested portion of any equity awards held by the officer would have immediately vested, and all stock options held by the officer (other than the performance-based stock options granted to him under the 2018 Plan) would have remained exercisable until the expiration of the term of such stock option. In addition, the officer would have been entitled to receive (i) his annual incentive bonus for the year in which the termination occurred, prorated based on the completed portion of the applicable performance period through the date of termination, with any performance metrics based on actual performance as determined at the end of the annual performance period, and (ii) a severance payment equal to the sum of his annual base salary and his target annual incentive bonus, multiplied by 1.5, which amount would have been paid in thirty-six (36) equal installments through salary continuation in accordance with our normal payroll practices.

In the event there had been a change in control of Veritone, if the officer's employment had been terminated without cause (as defined in his employment agreement) or due to his death or disability (as defined in his employment agreement), or the officer resigned for good reason (as defined in his employment agreement) during the six-month period prior to such change in control or 12-month period following such change in control, the officer would have been entitled to the same benefits and payments described above, except that such officer would also have been entitled to an additional severance payment equal to the sum of his annual base salary and his target annual incentive bonus, multiplied by 3.5, which amount would have been payable in a lump sum upon the officer's termination.

As discussed above, the performance-based stock options granted to Chad Steelberg and Ryan Steelberg under our 2018 Plan have vested in full. Pursuant to the terms of our 2018 Plan, in the event of a change in control of Veritone, such performance-based stock options shall be assumed, substituted or exchanged for an equivalent award by the successor entity, and shall remain exercisable for the remainder of the term thereof. In addition, if the officer's employment is terminated by us without cause, other than following a change in control of Veritone, then the exercisable portion of such awards will remain exercisable for the remainder of the term thereof, provided that the officer has not engaged in misconduct, as defined in the 2018 Plan.

##### ***Michael Zemetra***

Pursuant to the terms of the employment agreement entered into with Mr. Zemetra in October 2020, if his employment had been terminated by us without cause (as defined in his employment agreement), or he had resigned for good reason (as defined in his employment agreement), then he would have been entitled to receive (i) his annual incentive bonus for the year in which the termination occurred, prorated based on the completed portion of the applicable performance period through the date of termination, with any performance metrics based on actual performance as determined at the end of the annual performance period, and (ii) a severance payment in the form of continued salary payments in an amount initially set at six (6) months of his monthly base salary, which was increased to twelve (12) months of his monthly base salary in January 2021 upon achieving certain stock price milestones.

Mr. Zemetra's employment agreement also provided that, in the event there had been a change in control of Veritone, if his employment had been terminated by the company without cause (as defined in his employment agreement), or he resigned for good reason (as defined in his employment agreement), during the six-month

## TABLE OF CONTENTS

period prior to such change in control or 12-month period following such change in control, he would have been entitled to the same benefits and payments described above, and the following additional benefits: (a) any unvested portion of any time-based equity awards held by him would have immediately vested, and (b) an additional severance payment equal to the sum of his annual base salary and two times his target annual incentive bonus (calculated pro rata for the year as of the date of cessation of employment) would have been payable in a lump sum upon the later to occur of his termination date or such change in control.

As discussed above, the performance-based stock option granted to Mr. Zemetra has vested in full. Pursuant to the terms of Mr. Zemetra's performance-based stock option agreement, in the event of a change in control of Veritone, such stock option shall be assumed, substituted or exchanged for an equivalent award by the successor entity, and shall remain exercisable for the remainder of the term thereof.

### **2023 Employment Agreements**

#### ***Ryan Steelberg***

If Ryan Steelberg is terminated by us without cause (as defined in his employment agreement), or he resigns for good reason (as defined in his employment agreement), then he will be entitled to receive cash severance payments equal to 1.5x his then-current base salary and target annual bonus (with such annual target bonus calculated pro rata for the year as of the date of termination of employment), payable over twelve months, payment of his healthcare policy premiums during the 12-month severance period and full acceleration of any unvested time-based equity awards and options. If within three months prior to or twelve months following a change in control, Ryan Steelberg is terminated by us without cause (as defined in his employment agreement), or he resigns for good reason (as defined in his employment agreement), then he will receive a lump sum cash severance payment equal to 1.5x his then-current base salary and target annual bonus (with such annual target bonus calculated pro rata for the year as of the date of termination of employment), a payment equal to one year of his healthcare policy premiums on an after-tax basis and full acceleration of any unvested time-based equity awards and options. Performance-based equity awards will be governed by their terms.

Pursuant to the terms of our 2018 Plan, in the event of a change in control of Veritone, such performance-based stock options shall be assumed, substituted or exchanged for an equivalent award by the successor entity, and shall remain exercisable for the remainder of the term thereof. In addition, if the officer's employment is terminated by us without cause, other than following a change in control of Veritone, then the exercisable portion of such awards will remain exercisable for the remainder of the term thereof, provided that the officer has not engaged in misconduct, as defined in the 2018 Plan.

#### ***Michael Zemetra***

If Mr. Zemetra is terminated by us without cause (as defined in his employment agreement), or he resigns for good reason (as defined in his employment agreement), then he will be entitled to receive cash severance payments equal to 1x his then-current base salary and target annual bonus (with such annual target bonus calculated pro rata for the year as of the date of termination of employment), payable over twelve months, and payment of his COBRA premiums during the 12-month severance period. If within three months prior to or twelve months following a change in control, Mr. Zemetra is terminated by us without cause (as defined in his employment agreement), or he resigns for good reason (as defined in his employment agreement), then he will receive a lump sum cash severance payment equal to 1.5x his then-current base salary and target annual bonus (with such annual target bonus calculated pro rata for the year as of the date of termination of employment), a payment equal to one year of his COBRA premiums on an after-tax basis for the group health plan in which he is enrolled at the time of termination, and full acceleration of any unvested time-based equity awards and options. Performance-based equity awards will be governed by their terms.

Pursuant to the terms of our 2018 Plan, in the event of a change in control of Veritone, such performance-based stock options shall be assumed, substituted or exchanged for an equivalent award by the successor entity, and shall remain exercisable for the remainder of the term thereof. In addition, if the officer's employment is terminated by us without cause, other than following a change in control of Veritone, then the exercisable portion of such awards will remain exercisable for the remainder of the term thereof, provided that the officer has not engaged in misconduct, as defined in the 2018 Plan.

**Role of Management in Determining Executive Compensation**

The Compensation Committee periodically meets with our Chief Executive Officer and/or other executive officers to obtain recommendations with respect to compensation programs for executives and other employees. Our Chief Executive Officer makes recommendations to the Compensation Committee on the base salaries, target incentives and performance measures, and equity compensation for our executives and other key employees. The Compensation Committee considers, but is not bound to accept, management's recommendations with respect to executive compensation. Our Chief Executive Officer and certain other executives attend most of the Compensation Committee's meetings, but the Compensation Committee also holds private sessions outside the presence of members of management. The Compensation Committee discusses our Chief Executive Officer's compensation with him but makes decisions with respect to his compensation without him present.

In 2021 and 2022, the Compensation Committee reviewed the compensation arrangements for our executive officers and took the actions discussed above under the headings "Base Salaries," "Cash Incentives," "2021 Equity Awards" and "2022 Equity Awards." In late 2022 and early 2023, in connection with our CEO transition, the Compensation Committee again reviewed the compensation arrangements for our executive officers and took the actions discussed above under the heading "2023 Employment Agreements." The Compensation Committee has delegated to management the authority to make certain decisions regarding compensation for employees other than executive officers. The Compensation Committee has not delegated any of its authority with respect to the compensation of executive officers.

**Relationship Between Pay and Performance**

“Compensation actually paid” (“CAP”), as required under SEC rules, reflects adjusted values to unvested and vested equity awards during the years shown in the table based on year-end stock prices, various accounting valuation assumptions, and projected performance modifiers but does not reflect actual amounts paid out for those awards. CAP generally fluctuates due to stock price achievement and varying levels of projected and actual achievement of performance goals. For a discussion of how our Compensation Committee assessed “pay-for-performance” and how our executive compensation program is designed to link executive compensation with the achievement of our financial and strategic objectives as well as stockholder value creation each year, see “Executive Compensation” in this Proxy Statement.

**Compensation Actually Paid vs. Net Income**

**Compensation Actually Paid vs. Revenue**

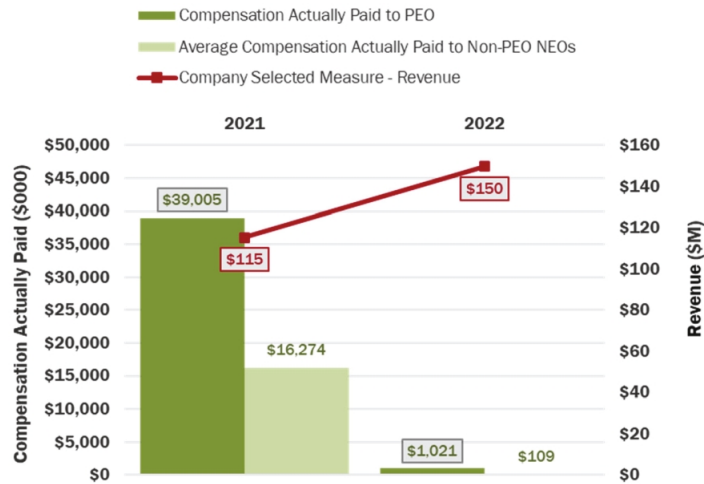

TABLE OF CONTENTS

We believe the “Compensation Actually Paid” in each of the years reported above and over the two-year cumulative period are reflective of the Compensation Committee’s emphasis on “pay-for-performance” as the “Compensation Actually Paid” fluctuated year-over-year, primarily due to the result of our stock performance.

*All information provided above under the “Pay Versus Performance” heading will not be deemed to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Securities Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing, except to the extent the Company specifically incorporates such information by reference.*

## DIRECTOR COMPENSATION

### Overview

Our non-employee director compensation program is comprised of two key components: equity awards and cash retainer fees. Non-employee director compensation is reviewed by our Compensation Committee on an annual basis. The compensation components and amounts that were in effect for 2022 are described below.

- **Equity Awards:** each non-employee director receives awards of time-based stock options and RSUs under the automatic grant program for non-employee directors approved by our Compensation Committee and issued under our 2017 Plan, including:
  - **Initial Time-Based Stock Option Award for New Directors:** on the date of initial appointment or election to our Board, each new director will be granted a number of NQSOs having a grant date value equal to a prorated portion of the \$25,000 annual NQSO award (such proration based on 365 days less the number of days elapsed from the date of our last annual meeting of stockholders to the date of such initial appointment or election, and valued using the Black-Scholes method of valuation), which NQSOs will vest on the first anniversary of the grant date (or the day immediately preceding the date of the next regular annual meeting following the grant date, if earlier);
  - **Annual RSU Award:** on the date of each annual meeting of our stockholders, each director will be granted a number of RSUs having a grant date value equal to \$75,000, which RSUs will vest on the first anniversary of the grant date (or the day immediately preceding the date of the next regular annual meeting following the grant date, if earlier); and
  - **Annual Time-Based Stock Option Award:** on the date of each annual meeting of our stockholders, each director will be granted a number of NQSOs having a grant date value equal to \$25,000 (using the Black-Scholes method of valuation), which NQSOs will vest on the first anniversary of the grant date (or the immediately preceding the date of the next regular annual meeting following the grant date, if earlier);
- **Board Fees:** on an annual basis, each non-employee director receives an annual cash retainer for serving as a member of our Board in the amount of \$25,000; and
- **Committee Fees:** on an annual basis, each non-employee director serving as a member of our Audit Committee, our Compensation Committee, or our Corporate Governance and Nominating Committee, receives an annual cash retainer in the amount of \$7,500, \$5,000, and \$2,500, respectively. In addition, each non-employee director serving as Chairman of our Audit Committee, Chairman of our Compensation Committee, or Chairman of our Corporate Governance and Nominating Committee receives an additional annual cash retainer of \$7,500, \$5,000 and \$2,500, respectively. In addition, each non-employee director serving as Chairman of our Audit Committee, Chairman of our Compensation Committee, or Chairman of our Corporate Governance and Nominating Committee will be granted a number of NQSOs having a grant date value equal to \$5,000, \$5,000, and \$2,500 (using the Black-Scholes method of valuation), respectively, which NQSOs will vest on the first anniversary of the grant date (or the immediately preceding the date of the next regular annual meeting following the grant date, if earlier);

The annual cash retainer fees are paid in quarterly installments. Our directors are also reimbursed for expenses incurred in attending Board and/or committee meetings or in connection with other business activities on behalf of our company. All such expenses must be in accordance with our travel and expense reimbursement policy.

Our executive officers, Chad Steelberg and Ryan Steelberg, who also serve on our Board, do not receive any additional compensation for their service on our Board.

## OTHER POLICIES

### Indemnification of Directors and Officers

Our amended and restated certificate of incorporation and our Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted under Delaware law, which prohibits our amended and restated certificate of incorporation from limiting the liability of our directors for the following:

- any breach of the director's duty of loyalty to us or our stockholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- unlawful payment of dividends or unlawful stock repurchases or redemptions; or
- any transaction from which the director derived an improper personal benefit.

Our amended and restated certificate of incorporation also provides that if Delaware law is amended to authorize corporate action further eliminating or limiting the personal liability of a director, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law, as so amended. This limitation of liability does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our amended and restated certificate of incorporation and our Bylaws also provide that we will indemnify our employees and agents to the fullest extent permitted by law. Our Bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether we would have the power to indemnify such person against such expense, liability or loss under the Delaware General Corporation Law. We have obtained directors' and officers' liability insurance.

We have entered into separate indemnification agreements with each of our directors and executive officers, in addition to indemnification provided for in our amended and restated certificate of incorporation and our Bylaws. These agreements, among other things, provide for indemnification of our directors and executive officers for expenses, judgments, fines and settlement amounts incurred by this person in any action or proceeding arising out of this person's services as a director or executive officer or at our request. We will not indemnify such director or officer, however, for expenses and the payment of profits arising from the purchase and sale by the director or officer of securities in violation of Section 16(b) of the Exchange Act.

### Director and Executive Stock Ownership Guidelines

In March 2023, our Board adopted stock ownership guidelines for our directors and executive officers (each, a "Covered Individual"), under which (i) our Chief Executive Officer is expected to own shares of our Common Stock with a value equal to at least five times his then-current annualized base salary, (ii) each of our other executive officers is expected to own shares of our Common Stock with a value equal to at least one times the officer's then-current annualized base salary and (iii) each of our Board members is expected to own shares with a value equal to at least three times the then-current annualized Board service retainer. Share ownership for purposes of the guidelines includes shares of our Common Stock owned directly by the Covered Individual, by the Covered Individual's spouse, or by the Covered Individual's children who reside with the Covered Individual or the Covered Individual's spouse, shares held in a trust established by the Covered Individual or the Covered Individual's spouse for estate or tax planning purposes if the trust is revocable by the Covered Individual or the Covered Individual's spouse, and shares subject to outstanding restricted stock and restricted stock unit awards (whether or not vested and whether or not payable in stock or cash of equivalent value) granted to the Covered Individual (other than restricted stock units subject to unsatisfied performance-based vesting conditions). Covered Individuals are expected to satisfy the guideline level of ownership by the first December 31 on or after the later of the date that is five years after the effective date of the guidelines or the date that the Covered Individual first become subject to the guidelines. Thereafter, compliance with the guidelines will be assessed as of December 31 each year. If a Covered Individual does not satisfy the guideline level of ownership as of such a measurement date, the Covered Individual is expected to hold at least 50% of the net vested shares acquired upon the exercise, payment or vesting of any equity award (with the "net" shares determined after taking into account any shares sold or withheld to pay any applicable exercise price of the award and to satisfy any applicable withholding

obligations) granted to the Covered Individual by the Company until and to the extent required for the Covered Individual's level of ownership to satisfy the applicable guideline level. Our Board of Directors or the Compensation Committee may suspend or grant waivers to the guidelines from time to time. The first measurement date for our stock ownership guidelines will be in March 2028.

### **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

The Compensation Committee is currently comprised of two non-employee directors: Messrs. Gehl and Taketa, each of whom served on the Compensation Committee during 2022. Ms. Nayyar also served as a member of the Compensation Committee in 2022, prior to her resignation from our Board effective as of December 31, 2022. None of the members of the Compensation Committee are or have been our officers or employees, and each member qualifies as an independent director as defined by Rules 5605(a)(2) and (d)(2) of the NASDAQ Listing Rules. No executive officer serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board or our Compensation Committee.

### **CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**

Since January 1, 2021, except as described below, there have been no transactions to which we have been a party in which the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at the end of our last two completed fiscal years and in which any of our directors, executive officers or beneficial holders of more than 5% of our common stock, or an affiliate or immediate family member thereof, had or will have a direct or indirect material interest.

#### **Policies and Procedures for Transactions with Related Persons**

Our Board has adopted a written policy setting forth the policies and procedures for the review and approval or ratification of transactions with related persons ("Related Persons Transaction Policy"). The Related Persons Transaction Policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 in any fiscal year and a related person had, has or will have a direct or indirect material interest, including without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. In reviewing and approving any such transactions, our Audit Committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction and the extent of the related person's interest in the transaction.

#### **Steel Holdings, LLC Consulting Agreement**

On January 4, 2023, the Company entered into a consulting agreement (the "Consulting Agreement") with Steel Holdings, LLC, effective as of January 1, 2023. Steel Holdings, LLC is an entity affiliated with Chad Steelberg, our former Chief Executive Officer and current Chairman of the Board of Directors of the Company. Pursuant to the Consulting Agreement, we retained Mr. Steelberg's services as a consultant to the Company after his resignation as our Chief Executive Officer on December 31, 2022.

The Consulting Agreement is effective for one year and will automatically renew for an additional year if two Performance Goals (as described below) are met in the first year, and automatically renew for a third year if six Performance Goals are met in the second year. If the requisite Performance Goals are not met, the Consulting Agreement will terminate at the end of the first or second year, as applicable.

Pursuant to the Consulting Agreement, the Company will pay Steel Holdings, LLC \$41,666 per month (the "Monthly Service Fee") to provide consulting services, which include Mr. Steelberg performing various tasks aligned with the Company's development, operation and commercialization of its aiWARE platform.

In addition, pursuant to the Consulting Agreement, Steel Holdings, LLC will be eligible to receive performance bonuses, split equally between cash and RSU awards, each vesting upon achievement of specific "Performance Goals" to be achieved for an applicable quarter or year in the following categories: Product Achievements (five goals), Customer Validation (two goals), Analyst Validation (four goals) and Transition and

## TABLE OF CONTENTS

Succession Planning (one goal). Achievement of each Performance Goal will result in a bonus value of \$250,000, with the exception of two annual Analyst Validation Performance Goals, which will result in a bonus value of \$500,000 each. If all Performance Goals are achieved over the potential three-year term of the Consulting Agreement, the Company would pay combined cash and RSU bonus payments equal to \$3,500,000 to Steel Holdings, LLC, in addition to the Monthly Service Fee.

Through March 31, 2023, we have paid a total of \$154,988 to Steel Holdings, LLC pursuant to the Consulting Agreement.

The Consulting Agreement may be terminated by either party with 90 days' notice. If the Company terminates the Consulting Agreement for any reason other than Steel Holdings, LLC's material breach, then (i) any remaining potential compensation payments will become payable as if Steel Holdings, LLC had otherwise provided services to the Company through the maximum three-year term, and (ii) all of the performance bonus payments will accelerate and the cash portions thereof will become payable as of the date on which the termination becomes effective and the Performance Goals will be deemed achieved and will vest in accordance with their terms or be paid in cash, subject to Steel Holdings LLC executing a general release of claims in favor of the Company and allowing it to become effective. In the event of a Change in Control (as defined in the Company's 2017 Equity Incentive Plan), the Consulting Agreement will terminate as of the effective date of the Change in Control and (i) any remaining potential compensation payments will become payable as if Steel Holdings, LLC had otherwise provided services to the Company through the maximum three-year term and (ii) all of the performance bonus payments will accelerate and the cash portions thereof will become payable as of the date on which the Change in Control becomes effective and the Performance Goals will be deemed achieved and will vest in accordance with their terms, or be paid in cash, subject to Steel Holdings, LLC signing a general release of claims in favor of the Company and allowing the release to become effective.

Prior to entering in the Consulting Agreement, our Audit Committee considered the terms of the Consulting Agreement under our Related Persons Transaction Policy, including whether or not the transaction is on terms comparable to those that could be obtained in an arm's length transaction for the services being rendered and the extent of the related person's interest in the transaction. Given Mr. Steelberg's expertise in the field of AI solutions, his familiarity with our aiWARE platform and the uniqueness of the services that the Company required to advance the development and commercialization of our aiWARE platform, the Audit Committee determined that entering into the Consulting Agreement was in the best interests of our Company and its stockholders and approved the Consulting Agreement under our Related Persons Transaction Policy.

## **DELINQUENT SECTION 16(a) REPORTS**

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely upon the review of reports filed electronically with the SEC during or with respect to fiscal year 2022 and written representations that no other reports were required, all of our officers, directors and greater than ten percent stockholders have complied with all applicable Section 16(a) filing requirements during the year ended December 31, 2022, with the exception of two late filings for each of Mr. Ryan Steelberg, Mr. Chad Steelberg and Mr. Zemetra pertaining to two transactions each.

**PROPOSAL TWO**  
**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC**  
**ACCOUNTING FIRM**

The Audit Committee of our Board has selected Grant Thornton LLP (“Grant Thornton”) as our independent registered public accounting firm for the fiscal year ending December 31, 2023. Grant Thornton audited our financial statements for the fiscal year ended December 31, 2022. Neither our Bylaws nor the Delaware General Corporation Law requires the approval by our stockholders of the selection of our independent registered public accounting firm, but in view of the importance of the financial statements to stockholders, our Board deems it desirable that our stockholders ratify the selection of such firm.

A representative of Grant Thornton will attend the Annual Meeting, will be given the opportunity to make a statement if he or she so desires, and will be available to respond to appropriate questions submitted by stockholders. If this proposal is not approved, the Audit Committee will reconsider its selection of our independent registered public accounting firm. Because the Audit Committee has the sole authority to appoint the independent registered public accounting firm, the ultimate decision to retain or appoint Grant Thornton in the future as our independent registered public accounting firm will be made by the Audit Committee based upon the best interests of Veritone at that time.

**Principal Accountant Fees and Services**

The table below reflects the aggregate fees billed for audit, audit-related, tax and other services rendered by Grant Thornton for our fiscal years ended December 31, 2022 and 2021.

Fee Category	Year Ended December 31, 2022	Year Ended December 31, 2021

***Audit-Related Fees***

No audit-related services were rendered by Grant Thornton for 2021 or 2022.

***Tax Fees***

**Audit Committee Pre-Approval Policies and Procedures**

Consistent with SEC rules, the Audit Committee has the responsibility for appointing, setting compensation for and overseeing the work of our independent registered public accounting firm. As such, the Audit Committee has established a policy of pre-approving all audit and permissible non-audit services provided to us by our independent registered public accounting firm. Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent

## TABLE OF CONTENTS

registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise that make it necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval prior to engagement. All audit services provided by Grant Thornton during 2022 were approved by the Audit Committee pursuant to this policy.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee reviewed and discussed the services, in addition to audit services, rendered by Grant Thornton during 2022, as well as the fees paid therefor, and has determined that the provision of such other services by Grant Thornton, and the fees paid therefor, were compatible with maintaining Grant Thornton's independence.

### **Vote Required for the Ratification of the Appointment of our Independent Registered Public Accounting Firm**

Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast on the matter at the Annual Meeting. Abstentions will have no effect on this proposal.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee assists the Board in its oversight of the Company's financial statements and reporting process, audit process and internal controls. The Audit Committee operates under a written charter adopted by the Board, which describes this and the other responsibilities of the Audit Committee. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. Our independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements and internal controls over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board ("PCAOB") and to issue a report thereon.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management, which has primary responsibility for the financial statements. Grant Thornton, the Company's independent registered public accounting firm for fiscal year 2022, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with U.S. generally accepted accounting principles and internal controls over financial reporting. The Audit Committee has discussed with Grant Thornton the matters required to be discussed by the applicable requirements of the PCAOB and the SEC. The Audit Committee has received and reviewed the written disclosures and the letter from Grant Thornton required by applicable requirements of the PCAOB regarding Grant Thornton's communications with the Audit Committee concerning independence and has discussed with Grant Thornton its independence.

Based on the review and discussions referred to above, the Audit Committee (i) recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2022 for filing with the SEC, and (ii) appointed Grant Thornton as the Company's independent registered public accounting firm for fiscal year 2022. This report is submitted by Knute P. Kurtz, Jeff P. Gehl and Richard H. Taketa.

**PROPOSAL THREE**  
**APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY'S**  
**NAMED EXECUTIVE OFFICERS**

In accordance with Section 14A of the Exchange Act, which was amended pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank"), we are asking stockholders to approve a non-binding advisory resolution approving the compensation paid to our named executive officers, as disclosed in the section titled "Executive Compensation" pursuant to Item 402 of Regulation S-K under the Exchange Act, including the compensation tables and narrative discussion set forth therein.

Our executive compensation program is designed to attract and retain the high caliber executives required for the success of our business; to reward these executives for strong financial and operating performance; and to align their interests with those of our stockholders to incentivize them to create long-term stockholder value. Our Board believes that our compensation program is appropriately designed to accomplish these objectives.

We encourage our stockholders to read the "Executive Compensation" section, which describes key elements of our executive compensation program.

We are asking stockholders to approve the following advisory resolution at the Annual Meeting:

**RESOLVED**, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company's Named Executive Officers set forth under "Executive Compensation," and the related compensation tables and narratives in the Proxy Statement for the 2023 Annual Meeting of Stockholders.

This proposal to approve the compensation paid to our executive officers is advisory only and will not be binding on the Company, our Board or the Compensation Committee, and will not be construed as overruling a decision by or creating or implying any additional fiduciary duty for the Company, our Board or the Compensation Committee. However, the Compensation Committee, which is responsible for designing and administering the Company's executive compensation program, values the opinions expressed by stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for our executive officers.

**Vote Required for the Approval, on an Advisory Basis, of the Compensation of Our Named Executive Officers**

Under our bylaws, approval, on an advisory basis, of the compensation of our named executive officers requires the affirmative vote of a majority of the votes cast on the matter at the Annual Meeting. Abstentions and broker non-votes will have no effect on this proposal.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

**PROPOSAL FOUR**  
**APPROVAL, ON AN ADVISORY BASIS, OF THE FREQUENCY OF FUTURE ADVISORY**  
**VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION**

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, we are asking stockholders to vote, on an advisory basis, for their preference as to how frequently we should seek future advisory votes on the compensation of our named executive officers. Under SEC rules, we are required to hold a new say-on-frequency vote at least every six years.

By voting with respect to this proposal, stockholders may indicate whether they would prefer that we conduct future non-binding advisory votes on executive compensation once every one, two or three years. Stockholders also may, if they wish, abstain from voting on this proposal.

Our Board believes that advisory votes on executive compensation should be conducted every year so that our stockholders may annually express their views on our executive compensation program.

This vote is advisory and not binding on us or our Board. However, our Board will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation. Our Board may decide that it is in the best interests of stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by stockholders.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of our Board.

**Vote Required for the Approval, on an Advisory Basis, of the Frequency of Future Advisory Votes on Named Executive Officer Compensation**

Under our bylaws, approval, on an advisory basis, of the frequency of future advisory votes on named executive officer compensation requires the affirmative vote of a majority of the votes cast on the matter. However, if no frequency option receives the affirmative vote of a majority of the votes cast on the matter, our Board will consider the option receiving the highest number of affirmative votes as the preferred frequency option of our stockholders. Abstentions and broker non-votes will not be counted in determining the frequency option receiving the highest number of affirmative votes.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR “ONE YEAR” AS THE PREFERRED FREQUENCY FOR FUTURE ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION.**

**PROPOSAL FIVE**  
**APPROVAL OF 2023 EQUITY INCENTIVE PLAN**

**Background**

At the Annual Meeting, we are asking stockholders to approve the Veritone, Inc. 2023 Equity Incentive Plan (the “2023 Plan”). On March 30, 2023, our Board unanimously approved the 2023 Plan, subject to stockholder approval at the Annual Meeting. Approval of the 2023 Plan by our stockholders will allow us to grant stock options, restricted stock unit awards and other awards at levels determined appropriate by our Board or Compensation Committee. The 2023 Plan allows us to grant a broad array of equity incentives and performance cash incentives to secure and retain the services of our employees, consultants and directors, and to provide long-term incentives that align the interests of our employees, consultants and directors with the interests of our stockholders. Our Board believes that the 2023 Plan is an integral part of our long-term compensation philosophy and that the 2023 Plan is necessary to continue providing appropriate levels and types of equity compensation.

The primary purpose of the 2023 Plan is to permit Veritone to have an equity plan that, among other things, (i) is consistent with good corporate governance principles; (ii) aligns closely with our stockholders’ interests and (iii) can provide equity awards to attract, retain and motivate our executive and non-executive employees, whom we believe to be one of our greatest assets. We believe that the ability to award equity compensation, including performance-based equity compensation, has been, and will continue to be, critical to our success. Equity compensation aligns the interests of our employees, directors and consultants with our stockholders and is a key component in attracting and retaining top talent. Granting equity compensation is a common element of compensation offered by our competitors and is a highly-valued benefit that is necessary for us to effectively compete in our markets.

Historically, we have made equity award grants to our employees under the 2014 Plan and the 2017 Plan (collectively, the “Prior Plans”), as well as the 2018 Plan and the Inducement Grant Plan. Currently, there are 691,864 shares available for equity grant awards under the Prior Plans (the “Available Reserve”). There are no shares available for grant under the 2018 Plan (and no further grants may be made thereunder, even if awards previously granted under the 2018 Plan are forfeited), and the Inducement Grant Plan can only be used for grants to new employees (it cannot be used to make grants to retain existing employees or generally to make grants to consultants or directors).

If stockholders approve the 2023 Plan, (i) no additional awards may be granted under the Prior Plans; (ii) the Available Reserve (plus the Prior Plans’ Returning Shares (as defined below)) will become available for issuance pursuant to awards granted under the 2023 Plan; and (iii) each outstanding award granted under the Prior Plans will remain subject to the terms of the Prior Plan pursuant to which it was granted. All awards granted under the 2023 Plan will be subject to the terms of the 2023 Plan.

If the 2023 Plan is not approved by our stockholders, the Prior Plans and the Inducement Grant Plan will continue in effect, but we will be extremely limited in the grants that we will be able to make to consultants, directors and existing employees, as well as new employees in light of our future growth plans, and we anticipate that there will be no shares available under the Prior Plans to make additional equity grants in less than one year. These circumstances would place us in a materially disadvantageous position when compared with our competitors, resulting in challenges with respect to employee acquisition and retention. It is essential that we continue the use of equity compensation to better position ourselves in the market and allow us to hire the best candidates for open positions and retain our most skilled employees, in each case to enable us to achieve our strategic objectives, which include increasing stockholder value by growing our business. Without the approval of the 2023 Plan and an additional share reserve, we will be less able to compete effectively in this highly competitive market. This could ultimately result in the loss of critical talent and inhibit our ability to meet our future growth objectives. In addition, we may be required to increase the cash compensation components of our compensation program to offset our inability to provide equity-based compensation.

**Requested Shares**

*Number of Shares*

Subject to adjustment for certain changes in our capitalization, if this Proposal 5 is approved by our stockholders, the aggregate number of shares of common stock that may be issued under the 2023 Plan will not

## TABLE OF CONTENTS

exceed the sum of 2,500,000 new shares, plus (ii) the Available Reserve under the Prior Plans as of the effective date of the 2023 Plan, plus (iii) the Prior Plans' Returning Shares, as such shares become available from time to time.

The term "Prior Plans' Returning Shares" refers to the following shares of our common stock subject to any outstanding award granted under the 2014 Plan and 2017 Plan and that following the effective date of the 2023 Plan: (A) are not issued because such stock award or any portion thereof expires or otherwise terminates without all of the shares covered by such stock award having been issued; (B) are not issued because such stock award or any portion thereof is settled in cash; (C) are forfeited back to or repurchased by the Company because of the failure to meet a contingency or condition required for the vesting of such shares; (D) are withheld or reacquired to satisfy the exercise, strike or purchase price; or (E) are withheld or reacquired to satisfy a tax withholding obligation.

### *Factors Influencing Share Request*

Our historical stock price volatility, combined with past equity awards made in connection with new hires and other retention grants, has reduced the pool of shares we have available under the Prior Plans. We expect the proposed share reserve under the 2023 Plan to be sufficient for equity grants to our employees for the next two (2) fiscal years at the current stock price, or longer if our stock price increases as we execute on our business strategy.

### **Plan Highlights**

The 2023 Plan contains provisions that are consistent with our compensation philosophy and good corporate governance principles and designed to protect the interests of our stockholders, including the following:

- *No evergreen.* Unlike the 2017 Plan, the 2023 Plan does not contain an evergreen feature to automatically increase the size of the share pool available for issuance under the 2023 Plan. Stockholder approval is required to increase the shares available under the 2023 Plan.
- *No "liberal" change in control definition.* The Transaction definition in the 2023 Plan is not a "liberal" definition. A change in control transaction must actually be consummated for the change in control provisions in the 2023 Plan to be triggered.
- *No repricing without stockholder approval.* Unlike the 2017 Plan, the 2023 Plan does not permit the "repricing" of stock options and SARs without stockholder approval. This includes a prohibition on cash buyouts of underwater options or SARs and "reloads" in connection with the exercise of options or SARs.
- *Limit on non-employee director compensation.* The aggregate value of all cash and equity-based compensation paid or granted by us to any individual for service as a non-employee director of our Board with respect to any fiscal year of the Company will not exceed (i) \$750,000 in total value or (ii) in the event such non-employee director is first appointed or elected to the Board during such fiscal year, \$1,000,000 in total value, in each case calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes.
- *Awards subject to forfeiture/clawback.* Awards granted under the 2023 Plan will be subject to recoupment in accordance with any clawback policy adopted by the Company pursuant to Nasdaq listing standards and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act prior to the deadline for establishing such policy.
- *Stock Ownership and Holding Guidelines.* Shares issued pursuant to the 2023 Plan are subject to the Company's stock ownership guidelines. Our CEO is required to hold equity equal to three times base salary and our other named executive officers are required to hold equity equal to one time base salary. Once the initial five-year compliance period has ended, executives are required to retain at least 50% of vested equity until individual stock ownership guidelines are achieved.
- *Plan Flexibility.* We may continue to grant stock options, stock appreciation rights, direct stock issuances, restricted stock, restricted stock units and other stock-based awards, as well as awards that are subject to performance vesting conditions, such as performance-based restricted stock units.
- *Administration by independent committee.* The 2023 Plan will be administered by the members of our Compensation Committee, all of whom are "non-employee directors" within the meaning of Rule 16b-3 under the Exchange Act and "independent" within the meaning of the Nasdaq listing standards.

### **Overhang and Burn Rate**

In determining the size of the share request under the 2023 Plan, our Compensation Committee considered, among other things, our outstanding equity awards, our burn rate, our stock price and volatility, our projected recruiting and retention needs, the potential dilution of our equity compensation program, the voting guidelines of certain institutional investors and proxy advisory firms, and the advice of the Compensation Committee's independent compensation consultant. The results of this comprehensive analysis were presented to the Compensation Committee and the Board of Directors for its consideration. We continue to believe that equity awards are a vital part of our overall compensation program. However, we recognize that equity awards dilute existing stockholders, and therefore, we must responsibly manage the growth of our equity compensation program. We are committed to effectively monitoring our equity compensation share reserve, including our "burn rate," to ensure that we maximize stockholders' value by granting the appropriate number of equity incentive awards necessary to attract, reward and retain employees. The tables below show our overhang and burn rate information.

#### *Overhang*

The following table provides certain additional information regarding our equity incentive program.

<sup>(1)</sup> Includes 3,167,325 Performance Awards held by Chad Steelberg and Ryan Steelberg granted under the 2018 Plan, which are "out-of-the-money" and remain unexercised.

#### *Burn Rate*

The following table provides detailed information regarding the activity related to our equity incentive plans for fiscal years 2020, 2021 and 2022. We use our burn rate to measure the potential life expectancy of our equity plan and stockholder dilution. Our burn rate experience is summarized in the table below, which provides data on our share usage under the Prior Plans for the last three fiscal years.

Our burn rate is calculated as the total amount of equity granted in any year, divided by the weighted average number of common shares outstanding as of the end of each fiscal year. For purposes of this calculation, stock options and restricted stock unit awards were counted in the year granted.

We manage our burn rate closely to ensure efficient use of our available equity in making grants to our employees, non-executive board members and consultants. Our burn rate in recent years has been impacted by, among other factors, volatility in our stock price and the granting of new-hire equity awards, including to senior executives as we built out our executive leadership team. Nevertheless, our burn rate has been declining over the past three years due to our careful management and stewardship of the Prior Plans. Our future burn rate will depend on a number of factors, including the number of participants in the 2023 Plan, our stock price, changes to our compensation strategy, changes in business practices or industry standards, changes in our capital structure due to stock splits or similar events and the compensation practices of our competitors or changes in compensation practices in the market generally.

### **Description of the 2023 Plan**

The material features of the 2023 Plan are described below. The following description of the 2023 Plan is a summary only and is qualified in its entirety by reference to the complete text of the 2023 Plan. Stockholders are urged to read the actual text of the 2023 Plan in its entirety, which is appended as Appendix A to the copy of this Proxy Statement filed with the SEC, which may be accessed from the SEC's website at [www.sec.gov](http://www.sec.gov).

*General.* The 2023 Plan provides for the grant of incentive stock options to our employees and employees of certain affiliates, and for the grant of nonstatutory stock options, stock appreciation rights, restricted stock awards, restricted stock unit awards, performance stock awards, performance cash awards, and other forms of stock awards to our employees, directors and consultants and the employees and consultants of our affiliates.

*Authorized Shares and Share Counting Provisions.* Subject to adjustment for certain changes in our capitalization, the aggregate number of shares of our common stock that may be issued under the 2023 Plan will not exceed the sum of (i) 2,500,000 new shares, plus (ii) the Available Reserve under the 2014 Plan and 2017 Plan as of the effective date of the 2023 Plan, plus (iii) the Prior Plans' Returning Shares, as such shares become available from time to time.

The aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of incentive stock options is 2,000,000 shares.

The following actions will not result in an issuance of shares under the 2023 Plan and accordingly do not reduce the number of shares subject to the share reserve and available for issuance under the 2023 Plan: (1) the expiration or termination of any portion of an award without the shares covered by such portion of the award having been issued, (2) the settlement of any portion of an award in cash, (3) the withholding of shares that would otherwise be issued by the Company to satisfy the exercise, strike or purchase price of an award, or (4) the withholding of shares that would otherwise be issued by the Company to satisfy a tax withholding obligation in connection with an award.

The following shares previously issued pursuant to an award and accordingly initially deducted from the Share Reserve will be added back to the share reserve and again become available for issuance under the Plan: (1) any shares that are forfeited back to or repurchased by the Company because of a failure to meet a contingency or condition required for the vesting of such shares, (2) any shares that are reacquired by the Company to satisfy the exercise, strike or purchase price of an award, and (3) any shares that are reacquired by the Company to satisfy a tax withholding obligation in connection with an award.

*Plan Administration.* Our Board, or a duly authorized committee of our Board, administers the 2023 Plan. Our Board may also delegate to one or more of our officers the authority to (1) designate employees (other than officers) to receive specified stock awards and (2) determine the number of shares subject to such stock awards. Under the 2023 Plan, our Board has the authority to determine the terms of awards, including recipients, the exercise, purchase or strike price of stock awards, if any, the number of shares subject to each stock award, the fair market value of a share, the vesting schedule applicable to the awards, together with any vesting acceleration, the form of consideration, if any, payable upon exercise or settlement of the award and the terms of the award agreements.

## TABLE OF CONTENTS

*No Repricing Without Stockholder Approval.* Under the 2023 Plan, the plan administrator does not have the authority to reprice any outstanding stock option or stock appreciation right by reducing the exercise or strike price of the stock option or stock appreciation right or to cancel any outstanding stock option or stock appreciation right that has an exercise or strike price greater than the then-current fair market value of our common stock in exchange for cash or other stock awards without obtaining the approval of our stockholders. Such approval must be obtained within 12 months prior to such an event.

*Dividends and Dividend Equivalents.* The 2023 Plan provides that dividends or dividend equivalents may be paid or credited with respect to any shares of our common stock subject to an award, as determined by the plan administrator and contained in the applicable award agreement.

*Stock Options.* Incentive stock options and nonstatutory stock options are granted pursuant to stock option agreements adopted by the plan administrator. The plan administrator determines the exercise price for stock options, within the terms and conditions of the 2023 Plan, provided that the exercise price of a stock option generally cannot be less than 100% of the fair market value of a share on the date of grant. Options granted under the 2023 Plan vest at the rate specified in the stock option agreement as determined by the plan administrator.

*Restricted Stock Unit Awards.* Restricted stock unit awards are granted pursuant to restricted stock unit award agreements adopted by the plan administrator. Restricted stock unit awards may be granted in consideration for any form of legal consideration that may be acceptable to our Board, or a duly authorized committee of our Board, and permissible under applicable law. A restricted stock unit award may be settled by cash, delivery of stock, a combination of cash and stock as deemed appropriate by the plan administrator or in any other form of consideration set forth in the restricted stock unit award agreement. Except as otherwise provided in the applicable award agreement, restricted stock units that have not vested will be forfeited upon the participant's cessation of continuous service for any reason.

*Restricted Stock Awards.* Restricted stock awards are granted pursuant to restricted stock award agreements adopted by the plan administrator. A restricted stock award may be awarded in consideration for cash, check, bank draft or money order, past services to us or any other form of legal consideration that may be acceptable to our Board, or a duly authorized committee of our Board, and permissible under applicable law. The plan administrator determines the terms and conditions of restricted stock awards, including vesting and forfeiture terms. If a participant's service relationship with us ceases for any reason, we may receive through a forfeiture condition or a repurchase right any or all the shares held by the participant that have not vested as of the date the participant terminates service with us.

*Stock Appreciation Rights.* Stock appreciation rights are granted pursuant to stock appreciation grant agreements adopted by the plan administrator. The plan administrator determines the purchase price or strike price for a stock appreciation right, which generally cannot be less than 100% of the fair market value of a share on the date of grant. A stock appreciation right granted under the 2023 Plan vests at the rate specified in the stock appreciation right agreement as determined by the plan administrator.

*Performance Awards.* The 2023 Plan permits the grant of performance-based stock and cash awards. Our Compensation Committee may structure awards so that the stock or cash will be issued or paid only following the achievement of certain pre-established performance goals during a designated performance period.

*Other Stock Awards.* The plan administrator may grant other awards based in whole or in part by reference to our shares. The plan administrator will set the number of shares under the stock award and all other terms and conditions of such awards.

*Changes to Capital Structure.* In the event there is a specified type of change in our capital structure, such as a stock split, reverse stock split or recapitalization, appropriate adjustments will be made to (1) the class and maximum number of shares reserved for issuance under the 2023 Plan, (2) the class and maximum number of shares that may be issued upon the exercise of incentive stock options, (3) the class and maximum number of shares subject to stock awards that can be granted in a calendar year and (4) the class and number of shares and exercise price, strike price or purchase price, if applicable, of all outstanding stock awards.

### *Corporate Transaction and Change in Control*

The following provisions will apply to outstanding awards under the 2023 Plan in the event of a corporate transaction (as defined in the 2023 Plan) or a change in control (as defined in the 2023 Plan) unless otherwise

## TABLE OF CONTENTS

provided in the instrument evidencing the award, in any other written agreement between us or one of our affiliates and the participant, or in our director compensation policy. For purposes of this Proposal 5, the term “Transaction” will mean such corporate transaction or change in control.

In the event of a Transaction, any surviving or acquiring corporation (or its parent company) may assume or continue any or all outstanding awards under the 2023 Plan, or may substitute similar stock awards for such outstanding awards (including, but not limited to, awards to acquire the same consideration paid to the stockholders of the Company pursuant to the Transaction), and any reacquisition or repurchase rights held by the Company in respect of shares issued pursuant to any outstanding awards under the 2023 Plan may be assigned by the Company to the surviving or acquiring corporation (or its parent company).

In the event of a Transaction in which the surviving or acquiring corporation (or its parent company) does not assume or continue outstanding awards under the 2023 Plan, or substitute similar stock awards for such outstanding awards, then with respect to any such awards that have not been assumed, continued or substituted and that are held by participants whose continuous service has not terminated prior to the effective time of the Transaction (the “Current Participants”), the vesting (and exercisability, if applicable) of such awards will be accelerated in full (and with respect to any such awards that are subject to performance-based vesting conditions or requirements, vesting will be deemed to be satisfied at the target level of performance to a date prior to the effective time of the Transaction (contingent upon the closing or completion of the Transaction) as the plan administrator will determine, and such awards will terminate if not exercised (if applicable) prior to the effective time of the Transaction in accordance with the exercise procedures determined by the plan administrator, and any reacquisition or repurchase rights held by the Company with respect to such awards will lapse (contingent upon the closing or completion of the corporate transaction).

In the event of a Transaction in which the surviving or acquiring corporation (or its parent company) does not assume or continue outstanding awards under the 2023 Plan, or substitute similar stock awards for such outstanding awards, then with respect to any such awards that have not been assumed, continued or substituted and that are held by participants other than the Current Participants, such awards will terminate if not exercised (if applicable) prior to the effective time of the Transaction; provided, however, that any reacquisition or repurchase rights held by the Company with respect to such awards will not terminate and may continue to be exercised notwithstanding the Transaction.

In the event any outstanding award under the 2023 Plan held by a participant will terminate if not exercised prior to the effective time of a Transaction, the plan administrator may provide that the participant may not exercise such award but instead will receive a payment, in such form as may be determined by the plan administrator, equal in value to the excess, if any, of (i) the value of the property the participant would have received upon the exercise of such award immediately prior to the effective time of the Transaction, over (ii) any exercise price payable by the participant in connection with such exercise.

*Transferability.* A participant may not transfer stock awards under the 2023 Plan other than by will, the laws of descent and distribution or as otherwise provided under the 2023 Plan.

*Plan Amendment or Termination.* Our Board has the authority to amend, suspend or terminate the 2023 Plan, provided that such action does not materially impair the existing rights of any participant without such participant’s written consent. Certain material amendments also require the approval of our stockholders. No incentive stock options may be granted after the tenth anniversary of the date our Board adopted the 2023 Plan. No stock awards may be granted under the 2023 Plan while it is suspended or after it is terminated.

### **U.S. Federal Income Tax Consequences**

The information set forth below is a summary only and does not purport to be complete. The information is based upon current federal income tax rules and therefore is subject to change when those rules change. Because the tax consequences to any recipient may depend on his or her particular situation, each recipient should consult the recipient’s tax adviser regarding the federal, state, local, and other tax consequences of the grant or exercise of an award or the disposition of stock acquired as a result of an award. The 2023 Plan is not qualified under the provisions of Section 401(a) of the Internal Revenue Code of 1986, as amended (the “Code”) and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974.

## TABLE OF CONTENTS

### *Nonstatutory Stock Options*

Generally, there is no taxation upon the grant of a nonstatutory stock option if the stock option is granted with an exercise price equal to the fair market value of the underlying stock on the grant date. On exercise, an optionholder will recognize ordinary income equal to the excess, if any, of the fair market value on the date of exercise of the stock over the exercise price. If the optionholder is employed by us or one of our affiliates, that income will be subject to withholding taxes. We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the optionholder.

### *Incentive Stock Options*

The 2023 Plan provides for the grant of stock options that qualify as “incentive stock options,” as defined in Section 422 of the Code. Under the Code, an optionholder generally is not subject to ordinary income tax upon the grant or exercise of an incentive stock option (“ISO”) (although, in certain circumstances, there may be an item of adjustment included for alternative minimum tax purposes). If the optionholder holds a share received on exercise of an ISO for more than two years from the date the stock option was granted and more than one year from the date the stock option was exercised, which is referred to as the required holding period, the difference, if any, between the amount realized on a sale or other taxable disposition of that share and the holder’s tax basis in that share will be long-term capital gain or loss. If, however, an optionholder disposes of a share acquired on exercise of an ISO before the end of the required holding period, which is referred to as a disqualifying disposition, the optionholder generally will recognize ordinary income in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the share on the date the ISO was exercised over the exercise price.

We are not allowed an income tax deduction with respect to the grant or exercise of an ISO or the disposition of a share acquired on exercise of an ISO after the required holding period. If there is a disqualifying disposition of a share, however, we are generally allowed a deduction in an amount equal to the ordinary income includible in income by the optionholder.

### *Restricted Stock Awards*

Generally, the recipient of a restricted stock award will recognize ordinary income at the time the stock is received equal to the excess, if any, of the fair market value of the stock received over any amount paid by the recipient in exchange for the stock. If, however, the stock is not vested when it is received (for example, if the employee is required to work for a period of time in order to have the right to sell the stock), the recipient generally will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the recipient in exchange for the stock. A recipient may, however, file an election with the Internal Revenue Service, within 30 days following his or her receipt of the stock award, to recognize ordinary income, as of the date the recipient receives the award, equal to the excess, if any, of the fair market value of the stock on the date the award is granted over any amount paid by the recipient for the stock. We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the recipient of the stock award.

### *Restricted Stock Unit Awards*

Generally, the recipient of a stock unit structured to conform to the requirements of Section 409A of the Code or an exception to Section 409A of the Code will recognize ordinary income at the time the stock is delivered equal to the excess, if any, of the fair market value of the shares received over any amount paid by the recipient in exchange for the shares. We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the recipient of the stock award.

### *Stock Appreciation Rights*

We may grant under the 2023 Plan stock appreciation rights separate from any other award or in tandem with other awards under the 2023 Plan. Where the stock appreciation rights are granted with a strike price equal to the fair market value of the underlying stock on the grant date, the recipient will recognize ordinary income equal to the fair market value of the stock or cash received upon such exercise. We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the recipient of the stock appreciation right.

### *Section 162(m)*

Under Section 162(m) of the Code (“Section 162(m)”), compensation paid to each of the Company’s “covered employees” that exceeds \$1 million per taxable year is generally non-deductible. Although the Compensation Committee will continue to consider tax implications as one factor in determining executive compensation, the Compensation Committee also looks at other factors in making its decisions and retains the flexibility to provide compensation for the Company’s named executive officers in a manner consistent with the goals of the Company’s executive compensation program and the best interests of the Company and its stockholders, which may include providing for compensation that is not deductible by the Company due to the deduction limit under Section 162(m).

### **New Plan Benefits**

The Company cannot currently determine the benefits or number of shares subject to awards that may be granted in the future to executive officers, directors and employees under the 2023 Plan. We do not presently have any current plans, proposals or arrangements, written or otherwise, to issue any of the newly available authorized shares under the 2023 Plan, except as set forth below with respect to non-employee directors. As of April 11, 2023, we have approximately 624 employees, 5 consultants and 3 non-employee directors who would be eligible to receive grants under the 2023 Plan.

Awards granted under the 2023 Plan to our non-employee directors are not subject to set benefits or amounts under the terms of the 2023 Plan itself. However, our director compensation policy provides for certain equity award grants to our non-employee directors. On and after the date of the Annual Meeting, if this Proposal 5 is approved by our stockholders, any such equity award grants to non-employee directors will be made under the 2023 Plan. If this Proposal 5 is not approved by our stockholders, any such equity award grants to non-employee directors will be made under the 2017 Plan. For additional information regarding our current compensation program for non-employee directors, please see “Director Compensation.”

A person who previously served as an employee or director will not be eligible to receive awards under the Inducement Grant Plan, other than following a *bona fide* period of non-employment. (c) **Plan Purpose.** The Company, by means of the Plan, seeks to secure and retain the services of Employees, Directors and Consultants, to provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and to provide a means by which such persons may be given an opportunity to benefit from increases in value of the Common Stock through the granting of Awards.

(d) **Available Awards.** The Plan provides for the grant of the following Awards: (i) Incentive Stock Options; (ii) Nonstatutory Stock Options; (iii) SARs; (iv) Restricted Stock Awards; (v) RSU Awards; (vi) Performance Awards; and (vii) Other Awards.

(e) **Adoption Date; Effective Date.** The Plan will come into existence on the Adoption Date, but no Award may be granted prior to the Effective Date.

**2. SHARES SUBJECT TO THE PLAN.**

(a) **Share Reserve.** Subject to adjustment in accordance with Section 2(c) and any adjustments as necessary to implement any Capitalization Adjustments, the aggregate number of shares of Common Stock that may be issued pursuant to Awards will not exceed 2,500,000 shares, plus (i) a number of shares of Common Stock equal to the Prior Plans' Available Reserve, plus (ii) a number of shares of Common Stock equal to the number of the Prior Plans' Returning Shares, if any, as such shares become available from time to time.

(b) **Aggregate Incentive Stock Option Limit.** Notwithstanding anything to the contrary in Section 2(a) and subject to any adjustments as necessary to implement any Capitalization Adjustments, the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options is 2,000,000 shares.

(c) **Share Reserve Operation.**

(i) **Limit Applies to Common Stock Issued Pursuant to Awards.** For clarity, the Share Reserve is a limit on the number of shares of Common Stock that may be issued pursuant to Awards and does not limit the granting of Awards, except that the Company will keep available at all times the number of shares of Common Stock reasonably required to satisfy its obligations to issue shares pursuant to such Awards. Shares may be issued in connection with a merger or acquisition as permitted by, as applicable, Nasdaq Listing Rule 5635(c), NYSE Listed Company Manual Section 303A.08, NYSE American Company Guide Section 711 or other applicable rule, and such issuance will not reduce the number of shares available for issuance under the Plan.

(ii) **Actions that Do Not Constitute Issuance of Common Stock and Do Not Reduce Share Reserve.** The following actions do not result in an issuance of shares under the Plan and accordingly do not reduce the number of shares subject to the Share Reserve and available for issuance under the Plan: (1) the expiration or termination of any portion of an Award without the shares covered by such portion of the Award having been issued, (2) the settlement of any portion of an Award in cash (i.e., the Participant

## TABLE OF CONTENTS

receives cash rather than shares of Common Stock), (3) the withholding of shares that would otherwise be issued by the Company to satisfy the exercise, strike or purchase price of an Award, or (4) the withholding of shares that would otherwise be issued by the Company to satisfy a tax withholding obligation in connection with an Award.

**(iii) Reversion of Previously Issued Shares of Common Stock to Share Reserve.** The following shares of Common Stock previously issued pursuant to an Award and accordingly initially deducted from the Share Reserve will be added back to the Share Reserve and again become available for issuance under the Plan: (1) any shares that are forfeited back to or repurchased by the Company because of a failure to meet a contingency or condition required for the vesting of such shares, (2) any shares that are reacquired by the Company to satisfy the exercise, strike or purchase price of an Award, and (3) any shares that are reacquired by the Company to satisfy a tax withholding obligation in connection with an Award.

### **3. ELIGIBILITY AND LIMITATIONS.**

**(a) Eligible Award Recipients.** Subject to the terms of the Plan, Employees, Directors and Consultants are eligible to receive Awards.

#### **(b) Specific Award Limitations.**

**(i) Limitations on Incentive Stock Option Recipients.** Incentive Stock Options may be granted only to Employees of the Company or a “parent corporation” or “subsidiary corporation” thereof (as such terms are defined in Sections 424(e) and (f) of the Code).

**(ii) Incentive Stock Option \$100,000 Limitation.** To the extent that the aggregate fair market value (determined at the time of grant) of the shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any “parent corporation” or “subsidiary corporation” thereof, as such terms are defined in Sections 424(e) and (f) of the Code) exceeds \$100,000 (or such other limit established in the Code), or any Incentive Stock Options otherwise do not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

**(iii) Limitations on Incentive Stock Options Granted to Ten Percent Stockholders.** A Ten Percent Stockholder may not be granted an Incentive Stock Option unless (i) the exercise price of such Option is at least 110% of the Fair Market Value on the date of grant of such Option and (ii) the Option is not exercisable after the expiration of five years from the date of grant of such Option.

**(iv) Limitations on Nonstatutory Stock Options and SARs.** Nonstatutory Stock Options and SARs may not be granted to Employees, Directors and Consultants who are providing Continuous Service only to any “parent” of the Company (as such term is defined in Rule 405) unless the stock underlying such Awards is treated as “service recipient stock” under Section 409A because the Awards are granted pursuant to a corporate transaction (such as a spin off transaction) or unless such Awards otherwise comply with the distribution requirements of Section 409A.

**(c) Aggregate Incentive Stock Option Limit.** The aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options is the number of shares specified in Section 2(b).

**(d) Non-Employee Director Compensation Limit.** The aggregate value of all compensation granted or paid, as applicable, to any individual for service as a Non-Employee Director with respect to any fiscal year, including Awards granted and cash fees paid by the Company to such Non-Employee Director for his or her service as a Non-Employee Director, will not exceed (i) \$750,000 in total value or (ii) in the event such Non-Employee Director is first appointed or elected to the Board during such fiscal year, \$1,000,000 in total value, in each case calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes. Such limits shall apply starting with the first fiscal year that commences following the Effective Date.

**4. OPTIONS AND STOCK APPRECIATION RIGHTS.**

Each Option and SAR will have such terms and conditions as determined by the Board. Each Option will be designated in writing as an Incentive Stock Option or Nonstatutory Stock Option at the time of grant; provided, however, that if an Option is not so designated, then such Option will be a Nonstatutory Stock Option, and the shares purchased upon exercise of each type of Option will be separately accounted for. Each SAR will be denominated in shares of Common Stock equivalents. The terms and conditions of separate Options and SARs need not be identical; provided, however, that each Option Agreement and SAR Agreement will conform (through incorporation of provisions hereof by reference in the Award Agreement or otherwise) to the substance of each of the following provisions:

(a) **Term.** Subject to Section 3(b) regarding Ten Percent Stockholders, no Option or SAR will be exercisable after the expiration of ten years from the date of grant of such Award or such shorter period specified in the Award Agreement.

(b) **Exercise or Strike Price.** Subject to Section 3(b) regarding Ten Percent Stockholders, the exercise or strike price of each Option or SAR will not be less than 100% of the Fair Market Value on the date of grant of such Award. Notwithstanding the foregoing, an Option or SAR may be granted with an exercise or strike price lower than 100% of the Fair Market Value on the date of grant of such Award if such Award is granted pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Transaction and in a manner consistent with the provisions of Sections 409A and, if applicable, 424(a) of the Code.

(c) **Exercise Procedure and Payment of Exercise Price for Options.** In order to exercise an Option, the Participant must provide notice of exercise to the Plan Administrator in accordance with the procedures specified in the Option Agreement or otherwise provided by the Company. The Board has the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The exercise price of an Option may be paid, to the extent permitted by Applicable Law and as determined by the Board, by one or more of the following methods of payment to the extent set forth in the Option Agreement:

(i) by cash or check, bank draft or money order payable to the Company;

(ii) pursuant to a "cashless exercise" program developed under Regulation T as promulgated by the United States Federal Reserve Board that, prior to the issuance of the Common Stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock that are already owned by the Participant free and clear of any liens, claims, encumbrances or security interests, with a Fair Market Value on the date of exercise that does not exceed the exercise price, provided that (1) at the time of exercise the Common Stock is publicly traded, (2) any remaining balance of the exercise price not satisfied by such delivery is paid by the Participant in cash or other permitted form of payment, (3) such delivery would not violate any Applicable Law or agreement restricting the redemption of the Common Stock, (4) any certificated shares are endorsed or accompanied by an executed assignment separate from certificate, and (5) such shares have been held by the Participant for any minimum period necessary to avoid adverse accounting treatment as a result of such delivery;

(iv) if the Option is a Nonstatutory Stock Option, by a "net exercise" arrangement pursuant to which the Company will reduce the number of shares of Common Stock issuable upon exercise by the largest whole number of shares with a Fair Market Value on the date of exercise that does not exceed the exercise price, provided that (1) such shares used to pay the exercise price will not be exercisable thereafter and (2) any remaining balance of the exercise price not satisfied by such net exercise is paid by the Participant in cash or other permitted form of payment; or

(v) in any other form of consideration that may be acceptable to the Board and permissible under Applicable Law.

(d) **Exercise Procedure and Payment of Appreciation Distribution for SARs.** In order to exercise any SAR, the Participant must provide notice of exercise to the Plan Administrator in accordance with the SAR Agreement. The appreciation distribution payable to a Participant upon the exercise of a SAR will not be greater than an amount equal to the excess of (i) the aggregate Fair Market Value on the date of exercise of a number of

## TABLE OF CONTENTS

shares of Common Stock equal to the number of Common Stock equivalents that are vested and being exercised under such SAR, over (ii) the strike price of such SAR. Such appreciation distribution may be paid to the Participant in the form of Common Stock or cash (or any combination of Common Stock and cash) or in any other form of payment, as determined by the Board and specified in the SAR Agreement.

**(e) Transferability.** Options and SARs may not be transferred to third party financial institutions for value. The Board may impose such additional limitations on the transferability of an Option or SAR as it determines. In the absence of any such determination by the Board, the following restrictions on the transferability of Options and SARs will apply, provided that except as explicitly provided herein, neither an Option nor a SAR may be transferred for consideration and provided, further, that if an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of being transferred:

**(i) Restrictions on Transfer.** An Option or SAR will not be transferable, except by will or by the laws of descent and distribution, and will be exercisable during the lifetime of the Participant only by the Participant; provided, however, that the Board may permit transfer of an Option or SAR in a manner that is not prohibited by applicable tax and securities laws upon the Participant's request, including to a trust if the Participant is considered to be the sole beneficial owner of such trust (as determined under Section 671 of the Code and applicable U.S. state law) while such Option or SAR is held in such trust, provided that the Participant and the trustee enter into a transfer and other agreements required by the Company.

**(ii) Domestic Relations Orders.** Notwithstanding the foregoing, subject to the execution of transfer documentation in a format acceptable to the Company and subject to the approval of the Board or a duly authorized Officer, an Option or SAR may be transferred pursuant to a domestic relations order.

**(f) Vesting.** The Board may impose such restrictions on or conditions to the vesting and/or exercisability of an Option or SAR as determined by the Board. Except as otherwise provided in the applicable Award Agreement or other written agreement between a Participant and the Company or an Affiliate, vesting of Options and SARs will cease upon termination of the Participant's Continuous Service.

**(g) Termination of Continuous Service for Cause.** Except as explicitly otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, if a Participant's Continuous Service is terminated for Cause, the Participant's Options and SARs will terminate and be forfeited immediately upon such termination of Continuous Service, and the Participant will be prohibited from exercising any portion (including any vested portion) of such Awards on and after the date of such termination of Continuous Service and the Participant will have no further right, title or interest in such forfeited Award, the shares of Common Stock subject to the forfeited Award, or any consideration in respect of the forfeited Award.

**(h) Post-Termination Exercise Period Following Termination of Continuous Service for Reasons Other than Cause.** Subject to Section 4(i), if a Participant's Continuous Service terminates for any reason other than for Cause, the Participant may exercise his or her Option or SAR to the extent vested, but only within the following period of time or, if applicable, such other period of time provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate; provided, however, that in no event may such Award be exercised after the expiration of its maximum term (as set forth in Section 4(a)):

**(i)** three months following the date of such termination if such termination is a termination without Cause (other than any termination due to the Participant's Disability or death);

**(ii)** 12 months following the date of such termination if such termination is due to the Participant's Disability;

**(iii)** 18 months following the date of such termination if such termination is due to the Participant's death; or

**(iv)** 18 months following the date of the Participant's death if such death occurs following the date of such termination but during the period such Award is otherwise exercisable (as provided in (i) or (ii) above).

Following the date of such termination, to the extent the Participant does not exercise such Award within the applicable Post-Termination Exercise Period (or, if earlier, prior to the expiration of the maximum term of such Award), such unexercised portion of the Award will terminate, and the Participant will have no further right, title or interest in terminated Award, the shares of Common Stock subject to the terminated Award, or any consideration in respect of the terminated Award.

## TABLE OF CONTENTS

**(i) Restrictions on Exercise; Extension of Exercisability.** A Participant may not exercise an Option or SAR at any time that the issuance of shares of Common Stock upon such exercise would violate Applicable Law. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, if a Participant's Continuous Service terminates for any reason other than for Cause and, at any time during the last thirty days of the applicable Post-Termination Exercise Period, the exercise of the Participant's Option or SAR would be prohibited solely because the issuance of shares of Common Stock upon such exercise would violate Applicable Law (as determined in the sole discretion of the Board), then the applicable Post-Termination Exercise Period will be extended to the last day of the calendar month that commences following the date the Award would otherwise expire, with an additional extension of the exercise period to the last day of the next calendar month to apply if any of the foregoing restrictions apply at any time during such extended exercise period, generally without limitation as to the maximum permitted number of extensions; provided, however, that in no event may such Award be exercised after the expiration of its maximum term (as set forth in Section 4(a)).

**(j) Non-Exempt Employees.** No Option or SAR, whether or not vested, granted to an Employee who is a non-exempt employee for purposes of the United States Fair Labor Standards Act of 1938, as amended, will be first exercisable for any shares of Common Stock until at least six months following the date of grant of such Award. Notwithstanding the foregoing, in accordance with the provisions of the United States Worker Economic Opportunity Act, any vested portion of such Award may be exercised earlier than six months following the date of grant of such Award in the event of (i) such Participant's death or Disability, (ii) a Transaction in which such Award is not assumed, continued or substituted, (iii) a Change in Control, or (iv) such Participant's retirement (as such term may be defined in the Award Agreement or another applicable agreement or, in the absence of any such definition, in accordance with the Company's then current employment policies and guidelines). This Section 4(j) is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or SAR will be exempt from his or her regular rate of pay.

**(k) Whole Shares.** Options and SARs may be exercised only with respect to whole shares of Common Stock or their equivalents.

## **5. AWARDS OTHER THAN OPTIONS AND STOCK APPRECIATION RIGHTS.**

**(a) Restricted Stock Awards and RSU Awards.** Each Restricted Stock Award and RSU Award will have such terms and conditions as determined by the Board; provided, however, that each Restricted Stock Award Agreement and RSU Award Agreement will conform (through incorporation of the provisions hereof by reference in the Award Agreement or otherwise) to the substance of each of the following provisions:

### **(i) Form of Award.**

**(1) RSAs:** To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock subject to a Restricted Stock Award may be (i) held in book entry form subject to the Company's instructions until such shares become vested or any other restrictions lapse, or (ii) evidenced by a certificate, which certificate will be held in such form and manner as determined by the Board. Unless otherwise determined by the Board, a Participant will have voting and other rights as a stockholder of the Company with respect to any shares subject to a Restricted Stock Award.

**(2) RSUs:** A RSU Award represents a Participant's right to be issued on a future date the number of shares of Common Stock that is equal to the number of restricted stock units subject to the RSU Award. As a holder of a RSU Award, a Participant is an unsecured creditor of the Company with respect to the Company's unfunded obligation, if any, to issue shares of Common Stock in settlement of such Award and nothing contained in the Plan or any RSU Agreement, and no action taken pursuant to its provisions, will create or be construed to create a trust of any kind or a fiduciary relationship between a Participant and the Company or an Affiliate or any other person. A Participant will not have voting or any other rights as a stockholder of the Company with respect to any RSU Award (unless and until shares are actually issued in settlement of a vested RSU Award).

## TABLE OF CONTENTS

### **(ii) Consideration.**

(1) RSA: A Restricted Stock Award may be granted in consideration for (A) cash or check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or (C) any other form of consideration as the Board may determine and permissible under Applicable Law.

(2) RSU: Unless otherwise determined by the Board at the time of grant, a RSU Award will be granted in consideration for the Participant's services to the Company or an Affiliate, such that the Participant will not be required to make any payment to the Company (other than such services) with respect to the grant or vesting of the RSU Award, or the issuance of any shares of Common Stock pursuant to the RSU Award. If, at the time of grant, the Board determines that any consideration must be paid by the Participant (in a form other than the Participant's services to the Company or an Affiliate) upon the issuance of any shares of Common Stock in settlement of the RSU Award, such consideration may be paid in any form of consideration as the Board may determine and permissible under Applicable Law.

(iii) **Vesting.** The Board may impose such restrictions on or conditions to the vesting of a Restricted Stock Award or RSU Award as determined by the Board. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, vesting of Restricted Stock Awards and RSU Awards will cease upon termination of the Participant's Continuous Service.

(iv) **Termination of Continuous Service.** Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, if a Participant's Continuous Service terminates for any reason, (i) the Company may receive through a forfeiture condition or a repurchase right any or all of the shares of Common Stock held by the Participant under his or her Restricted Stock Award that have not vested as of the date of such termination as set forth in the Restricted Stock Award Agreement and (ii) any portion of his or her RSU Award that has not vested will be forfeited upon such termination and the Participant will have no further right, title or interest in the RSU Award, the shares of Common Stock issuable pursuant to the RSU Award, or any consideration in respect of the RSU Award.

(v) **Dividends and Dividend Equivalents.** Dividends or dividend equivalents may be paid or credited, as applicable, with respect to any shares of Common Stock subject to a Restricted Stock Award or RSU Award, as determined by the Board and specified in the Award Agreement.

(vi) **Settlement of RSU Awards.** A RSU Award may be settled by the issuance of shares of Common Stock or cash (or any combination thereof) or in any other form of payment, as determined by the Board and specified in the RSU Award Agreement. At the time of grant, the Board may determine to impose such restrictions or conditions that delay such delivery to a date following the vesting of the RSU Award.

(b) **Performance Awards.** With respect to any Performance Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, the other terms and conditions of such Award, and the measure of whether and to what degree such Performance Goals have been attained will be determined by the Board.

(c) **Other Awards.** Other Awards may be granted either alone or in addition to Awards provided for under Section 4 and the preceding provisions of this Section 5. Subject to the provisions of the Plan, the Board will have sole and complete discretion to determine the persons to whom and the time or times at which such Other Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Awards and all other terms and conditions of such Other Awards.

## **6. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; OTHER CORPORATE EVENTS.**

(a) **Capitalization Adjustments.** In the event of a Capitalization Adjustment, the Board shall appropriately and proportionately adjust: (i) the class(es) and maximum number of shares of Common Stock subject to the Plan and the maximum number of shares by which the Share Reserve may annually increase pursuant to Section 2(a), (ii) the class(es) and maximum number of shares that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 2(b), and (iii) the class(es) and number of securities and exercise

## TABLE OF CONTENTS

price, strike price or purchase price of Common Stock subject to outstanding Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. Notwithstanding the foregoing, no fractional shares or rights for fractional shares of Common Stock shall be created in order to implement any Capitalization Adjustment. The Board shall determine an appropriate equivalent benefit, if any, for any fractional shares or rights to fractional shares that might be created by the adjustments referred to in the preceding provisions of this Section.

**(b) Dissolution or Liquidation.** Except as otherwise provided in the Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Awards (other than Awards consisting of vested and outstanding shares of Common Stock not subject to a forfeiture condition or the Company's right of repurchase) will terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Common Stock subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Award is providing Continuous Service, provided, however, that the Board may determine to cause some or all Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

**(c) Transactions.** The following provisions will apply to Awards in the event of a Transaction except asset forth in Section 11, and unless otherwise provided in the instrument evidencing the Award or any other written agreement between the Company or any Affiliate and the Participant or in a director compensation policy or unless otherwise expressly provided by the Board at the time of grant of an Award.

**(i) Awards May Be Assumed.** In the event of a Transaction, any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue any or all Awards outstanding under the Plan or may substitute similar awards for Awards outstanding under the Plan (including but not limited to, awards to acquire the same consideration paid to the stockholders of the Company pursuant to the Transaction), and any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to Awards may be assigned by the Company to the successor of the Company (or the successor's parent company, if any), in connection with such Transaction. A surviving corporation or acquiring corporation (or its parent) may choose to assume or continue only a portion of an Award or substitute a similar award for only a portion of an Award, or may choose to assume, continue, or substitute the Awards held by some, but not all Participants. The terms of any assumption, continuation or substitution will be set by the Board.

**(ii) Awards Held by Current Participants.** In the event of a Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Awards or substitute similar awards for such outstanding Awards, then with respect to Awards that have not been assumed, continued or substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Transaction (referred to as the "**Current Participants**"), the vesting of such Awards (and, with respect to Options and SARs, the time when such Awards may be exercised) will be accelerated in full to a date prior to the effective time of such Transaction (contingent upon the effectiveness of the Transaction) as the Board determines (or, if the Board does not determine such a date, to the date that is five days prior to the effective time of the Transaction), and such Awards will terminate if not exercised (if applicable) at or prior to the effective time of the Transaction, and any reacquisition or repurchase rights held by the Company with respect to such Awards will lapse (contingent upon the effectiveness of the Transaction). With respect to the vesting of Performance Awards that will accelerate upon the occurrence of a Transaction pursuant to this subsection (ii) and that have multiple vesting levels depending on the level of performance, unless otherwise provided in the Award Agreement, the vesting of such Performance Awards will accelerate at 100% of the target level upon the occurrence of the Transaction. With respect to the vesting of Awards that will accelerate upon the occurrence of a Transaction pursuant to this subsection (ii) and are settled in the form of a cash payment, such cash payment will be made no later than 30 days following the occurrence of the Transaction.

**(iii) Awards Held by Persons other than Current Participants.** In the event of a Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Awards or substitute similar awards for such outstanding Awards, then with respect to Awards that have not been assumed, continued or substituted and that are held by persons other

## TABLE OF CONTENTS

than Current Participants, such Awards will terminate if not exercised (if applicable) prior to the occurrence of the Transaction; provided, however, that any reacquisition or repurchase rights held by the Company with respect to such Awards will not terminate and may continue to be exercised notwithstanding the Transaction.

(iv) **Payment for Awards in Lieu of Exercise.** Notwithstanding the foregoing, in the event an Award will terminate if not exercised prior to the effective time of a Transaction, the Board may provide, in its sole discretion, that the holder of such Award may not exercise such Award but will receive a payment, in such form as may be determined by the Board, equal in value, at the effective time, to the excess, if any, of (1) the value of the property the Participant would have received upon the exercise of the Award (including, at the discretion of the Board, any unvested portion of such Award), over (2) any exercise price payable by such holder in connection with such exercise.

(d) **Appointment of Stockholder Representative.** As a condition to the receipt of an Award under this Plan, a Participant will be deemed to have agreed that the Award will be subject to the terms of any agreement governing a Transaction involving the Company, including, without limitation, a provision for the appointment of a stockholder representative that is authorized to act on the Participant's behalf with respect to any escrow, indemnities and any contingent consideration.

(e) **No Restriction on Right to Undertake Transactions.** The grant of any Award under the Plan and the issuance of shares pursuant to any Award does not affect or restrict in any way the right or power of the Company or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, rights or options to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

## 7. ADMINISTRATION.

(a) **Administration by Board.** The Board will administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in subsection (c) below.

(b) **Powers of Board.** The Board will have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine from time to time: (1) which of the persons eligible under the Plan will be granted Awards; (2) when and how each Award will be granted; (3) what type or combination of types of Award will be granted; (4) the provisions of each Award granted (which need not be identical), including the time or times when a person will be permitted to receive an issuance of Common Stock or other payment pursuant to an Award; (5) the number of shares of Common Stock or cash equivalent with respect to which an Award will be granted to each such person; (6) the Fair Market Value applicable to an Award; and (7) the terms of any Performance Award that is not valued in whole or in part by reference to, or otherwise based on, the Common Stock, including the amount of cash payment or other property that may be earned and the timing of payment.

(ii) To construe and interpret the Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Award Agreement, in a manner and to the extent it deems necessary or expedient to make the Plan or Award fully effective.

(iii) To settle all controversies regarding the Plan and Awards granted under it.

(iv) To accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest, notwithstanding the provisions in the Award Agreement stating the time at which it may first be exercised or the time during which it will vest.

(v) To prohibit the exercise of any Option, SAR or other exercisable Award during a period of up to 30 days prior to the consummation of any pending stock dividend, stock split, combination or exchange of

## TABLE OF CONTENTS

shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Common Stock or the share price of the Common Stock (including, but not limited to, any Transaction), for reasons of administrative convenience.

(vi) To suspend or terminate the Plan at any time. Suspension or termination of the Plan will not materially impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant.

(vii) To amend the Plan in any respect the Board deems necessary or advisable; provided, however, that stockholder approval will be required for any amendment to the extent required by Applicable Law. Except as provided above, rights under any Award granted before amendment of the Plan will not be materially impaired by any amendment of the Plan unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

(viii) To submit any amendment to the Plan for stockholder approval.

(ix) To approve forms of Award Agreements for use under the Plan and to amend the terms of anyone or more Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; provided however, that, a Participant's rights under any Award will not be materially impaired by any such amendment unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

(x) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Awards.

(xi) To adopt such procedures and sub-plans as are necessary or appropriate to permit and facilitate participation in the Plan by, or take advantage of specific tax treatment for Awards granted to, Employees, Directors or Consultants who are non-U.S. nationals or employed outside the United States (provided that Board approval will not be necessary for immaterial modifications to the Plan or any Award Agreement to ensure or facilitate compliance with the laws of the relevant non-U.S. jurisdiction).

### **(c) Delegation to Committee.**

(i) **General.** The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to another Committee or a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board will thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. Each Committee may retain the authority to concurrently administer the Plan with the Committee or subcommittee to which it has delegated its authority hereunder and may, at any time, revert in such Committee some or all of the powers previously delegated. The Board may retain the authority to concurrently administer the Plan with any Committee and may, at any time, revert in the Board some or all of the powers previously delegated.

(ii) **Rule 16b-3 Compliance.** To the extent an Award is intended to qualify for the exemption from Section 16(b) of the Exchange Act that is available under Rule 16b-3 of the Exchange Act, the Award will be granted by the Board or a Committee that consists solely of two or more Non-Employee Directors, as determined under Rule 16b-3(b)(3) of the Exchange Act and thereafter any action establishing or modifying the terms of the Award will be approved by the Board or a Committee meeting such requirements to the extent necessary for such exemption to remain available.

(d) **Effect of Board's Decision.** All determinations, interpretations and constructions made by the Board or any Committee in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons.

(e) **Delegation to an Officer.** The Board or any Committee may delegate to one or more Officers the authority to do one or both of the following (i) designate Employees who are not Officers to be recipients of

## TABLE OF CONTENTS

Options and SARs (and, to the extent permitted by Applicable Law, other types of Awards) and, to the extent permitted by Applicable Law, the terms thereof, and (ii) determine the number of shares of Common Stock to be subject to such Awards granted to such Employees; provided, however, that the resolutions or charter adopted by the Board or any Committee evidencing such delegation will specify the total number of shares of Common Stock that may be subject to the Awards granted by such Officer and that such Officer may not grant an Award to himself or herself. Any such Awards will be granted on the applicable form of Award Agreement most recently approved for use by the Board or the Committee, unless otherwise provided in the resolutions approving the delegation authority. Notwithstanding anything to the contrary herein, neither the Board nor any Committee may delegate to an Officer who is acting solely in the capacity of an Officer (and not also as a Director) the authority to determine the Fair Market Value.

**(f) No Repricing Without Stockholder Approval.** Neither the Board nor any Committee shall have the authority to: (1) reduce the exercise price (or strike price) of any outstanding Option or SAR; (2) cancel any outstanding Option or SAR and grant in substitution therefor (A) a new Option, SAR, Restricted Stock Award, RSU Award or Other Award, under the Plan or another equity plan of the Company, covering the same or a different number of shares of Common Stock, (B) cash and/or (C) other valuable consideration (as determined by the Board or any Committee); or (3) take any other action that is treated as a repricing under generally accepted accounting principles, unless the stockholders of the Company have approved such an action within the prior twelve (12) months.

## **8. TAX WITHHOLDING**

**(a) Withholding Authorization.** As a condition to acceptance of any Award under the Plan, a Participant authorizes withholding from payroll and any other amounts payable to such Participant, and otherwise agrees to make adequate provision for, any sums required to satisfy any U.S. and/or non-U.S. federal, state or local tax or social insurance contribution withholding obligations of the Company or an Affiliate, if any, which arise in connection with the grant, vesting, exercise, or settlement of such Award, as applicable. Accordingly, a Participant may not be able to exercise an Award even though the Award is vested, and the Company shall have no obligation to issue shares of Common Stock subject to an Award, unless and until such obligations are satisfied.

**(b) Satisfaction of Withholding Obligation.** To the extent permitted by the terms of an Award Agreement, the Company may, in its sole discretion, satisfy any U.S. and/or non-U.S. federal, state or local tax or social insurance withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Award; (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; (v) by allowing a Participant to effectuate a "cashless exercise" pursuant to a program developed under Regulation T as promulgated by the United States Federal Reserve Board; or (vi) by such other method as may be set forth in the Award Agreement.

**(c) No Obligation to Notify or Minimize Taxes; No Liability to Claims.** Except as required by Applicable Law, the Company has no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Award. Furthermore, the Company has no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award and will not be liable to any holder of an Award for any adverse tax consequences to such holder in connection with an Award. As a condition to accepting an Award under the Plan, each Participant (i) agrees to not make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates related to tax liabilities arising from such Award or other Company compensation and (ii) acknowledges that such Participant was advised to consult with his or her own personal tax, financial and other legal advisors regarding the tax consequences of the Award and has either done so or knowingly and voluntarily declined to do so. Additionally, each Participant acknowledges any Option or SAR granted under the Plan is exempt from Section 409A only if the exercise or strike price is at least equal to the "fair market value" of the Common Stock on the date of grant as determined by the United States Internal Revenue Service and there is no other impermissible deferral of compensation associated with the Award. Additionally, as a condition to accepting an Option or SAR granted under the Plan, each Participant agrees not to make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates in the event that the United States Internal Revenue

Service asserts that such exercise price or strike price is less than the “fair market value” of the Common Stock on the date of grant as subsequently determined by the United States Internal Revenue Service.

**(d) Withholding Indemnification.** As a condition to accepting an Award under the Plan, in the event that the amount of the Company’s and/or its Affiliate’s withholding obligation in connection with such Award was greater than the amount actually withheld by the Company and/or its Affiliates, each Participant agrees to indemnify and hold the Company and/or its Affiliates harmless from any failure by the Company and/or its Affiliates to withhold the proper amount.

### **9. MISCELLANEOUS.**

**(a) Source of Shares.** The stock issuable under the Plan will be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market or otherwise.

**(b) Use of Proceeds from Sales of Common Stock.** Proceeds from the sale of shares of Common Stock pursuant to Awards will constitute general funds of the Company.

**(c) Corporate Action Constituting Grant of Awards.** Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board consents, resolutions or minutes) documenting the corporate action approving the grant contain terms (e.g., exercise price, vesting schedule or number of shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.

**(d) Stockholder Rights.** No Participant will be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Award unless and until (i) such Participant has satisfied all requirements for exercise of the Award pursuant to its terms, if applicable, and (ii) the issuance of the Common Stock subject to such Award is reflected in the records of the Company.

**(e) No Employment or Other Service Rights.** Nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto will confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or affect the right of the Company or an Affiliate to terminate at will and without regard to any future vesting opportunity that a Participant may have with respect to any Award (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant’s agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the U.S. state or non-U.S. jurisdiction in which the Company or the Affiliate is incorporated, as the case may be. Further, nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award will constitute any promise or commitment by the Company or an Affiliate regarding the fact or nature of future positions, future work assignments, future compensation or any other term or condition of employment or service or confer any right or benefit under the Award or the Plan unless such right or benefit has specifically accrued under the terms of the Award Agreement and/or Plan.

**(f) Change in Time Commitment.** In the event a Participant’s regular level of time commitment in the performance of his or her services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an Employee of the Company and the Employee has a change in status from a full-time Employee to a part-time Employee or takes an extended leave of absence) after the date of grant of any Award to the Participant, the Board may determine, to the extent permitted by Applicable Law, to (i) make a corresponding reduction in the number of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

**(g) Execution of Additional Documents.** As a condition to accepting an Award under the Plan, the Participant agrees to execute any additional documents or instruments necessary or desirable, as determined in

## TABLE OF CONTENTS

the Plan Administrator's sole discretion, to carry out the purposes or intent of the Award, or facilitate compliance with securities and/or other regulatory requirements, in each case at the Plan Administrator's request.

**(h) Electronic Delivery and Participation.** Any reference herein or in an Award Agreement to a "written" agreement or document will include any agreement or document delivered electronically, filed publicly at www.sec.gov (or any successor website thereto) or posted on the Company's intranet (or other shared electronic medium controlled by the Company to which the Participant has access). By accepting any Award, the Participant consents to receive documents by electronic delivery and to participate in the Plan through any on-line electronic system established and maintained by the Plan Administrator or another third party selected by the Plan Administrator. The form of delivery of any Common Stock (e.g., a stock certificate or electronic entry evidencing such shares) shall be determined by the Company.

**(i) Clawback/Recovery.** All Awards granted under the Plan will be subject to recoupment in accordance with any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other Applicable Law and any clawback policy that the Company otherwise adopts, to the extent applicable and permissible under Applicable Law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Board determines necessary or appropriate, including but not limited to a reacquisition right in respect of previously acquired shares of Common Stock or other cash or property upon the occurrence of Cause. No recovery of compensation under such a clawback policy will be an event giving rise to a Participant's right to voluntarily terminate employment upon a "resignation for good reason," or for a "constructive termination" or any similar term under any plan of or agreement with the Company.

**(j) Securities Law Compliance.** A Participant will not be issued any shares in respect of an Award unless either (i) the shares are registered under the Securities Act; or (ii) the Company has determined that such issuance would be exempt from the registration requirements of the Securities Act. Each Award also must comply with other Applicable Law governing the Award, and a Participant will not receive such shares if the Company determines that such receipt would not be in material compliance with Applicable Law.

**(k) Transfer or Assignment of Awards; Issued Shares.** Except as expressly provided in the Plan or the form of Award Agreement, Awards granted under the Plan may not be transferred or assigned by the Participant. After the vested shares subject to an Award have been issued, or in the case of a Restricted Stock Award and similar awards, after the issued shares have vested, the holder of such shares is free to assign, hypothecate, donate, encumber or otherwise dispose of any interest in such shares provided that any such actions are in compliance with the provisions herein, the terms of the Trading Policy and Applicable Law.

**(l) Effect on Other Employee Benefit Plans.** The value of any Award granted under the Plan, as determined upon grant, vesting or settlement, shall not be included as compensation, earnings, salaries, or other similar terms used when calculating any Participant's benefits under any employee benefit plan sponsored by the Company or any Affiliate, except as such plan otherwise expressly provides. The Company expressly reserves its rights to amend, modify, or terminate any of the Company's or any Affiliate's employee benefit plans.

**(m) Deferrals.** To the extent permitted by Applicable Law, the Board, in its sole discretion, may determine that the delivery of Common Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may also establish programs and procedures for deferral elections to be made by Participants. Deferrals will be made in accordance with the requirements of Section 409A.

**(n) Section 409A.** Unless otherwise expressly provided for in an Award Agreement, the Plan and Award Agreements will be interpreted to the greatest extent possible in a manner that makes the Plan and the Awards granted hereunder exempt from Section 409A, and, to the extent not so exempt, in compliance with the requirements of Section 409A. If the Board determines that any Award granted hereunder is not exempt from and is therefore subject to Section 409A, the Award Agreement evidencing such Award will incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code, and to the extent an Award Agreement is silent on terms necessary for compliance, such terms are hereby incorporated by reference into the Award Agreement. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if the shares of Common Stock are publicly traded, and if a Participant holding an Award that constitutes "deferred compensation" under Section 409A is a "specified employee" for purposes of Section 409A, no distribution or payment of any amount that is due because of a

“separation from service” (as defined in Section 409A without regard to alternative definitions thereunder) will be issued or paid before the date that is six months and one day following the date of such Participant’s “separation from service” or, if earlier, the date of the Participant’s death, unless such distribution or payment can be made in a manner that complies with Section 409A, and any amounts so deferred will be paid in a lump sum on the day after such six month period elapses, with the balance paid thereafter on the original schedule.

(o) **Choice of Law.** This Plan and any controversy arising out of or relating to this Plan shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to conflict of law principles that would result in any application of any law other than the law of the State of Delaware.

### **10. COVENANTS OF THE COMPANY.**

(a) **Compliance with Law.** The Company will seek to obtain from each regulatory commission or agency, as may be deemed necessary, having jurisdiction over the Plan such authority as may be required to grant Awards and to issue and sell shares of Common Stock upon exercise or vesting of the Awards; provided, however, that this undertaking will not require the Company to register under the Securities Act the Plan, any Award or any Common Stock issued or issuable pursuant to any such Award. If, after reasonable efforts and at a reasonable cost, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary or advisable for the lawful issuance and sale of Common Stock under the Plan, the Company will be relieved from any liability for failure to issue and sell Common Stock upon exercise or vesting of such Awards unless and until such authority is obtained. A Participant is not eligible for the grant of an Award or the subsequent issuance of Common Stock pursuant to the Award if such grant or issuance would be in violation of any Applicable Law.

### **11. ADDITIONAL RULES FOR AWARDS SUBJECT TO SECTION 409A.**

(a) **Application.** Unless the provisions of this Section of the Plan are expressly superseded by the provisions in the form of Award Agreement, the provisions of this Section shall apply and shall supersede anything to the contrary set forth in the Award Agreement for a Non-Exempt Award.

(b) **Non-Exempt Awards Subject to Non-Exempt Severance Arrangements.** To the extent a Non-Exempt Award is subject to Section 409A due to application of a Non-Exempt Severance Arrangement, the following provisions of this subsection (b) apply.

(i) If the Non-Exempt Award vests in the ordinary course during the Participant’s Continuous Service in accordance with the vesting schedule set forth in the Award Agreement, and does not accelerate vesting under the terms of a Non-Exempt Severance Arrangement, in no event will the shares be issued in respect of such Non-Exempt Award any later than the later of: (i) December 31<sup>st</sup> of the calendar year that includes the applicable vesting date, or (ii) the 60<sup>th</sup> day that follows the applicable vesting date.

(ii) If vesting of the Non-Exempt Award accelerates under the terms of a Non-Exempt Severance Arrangement in connection with the Participant’s Separation from Service, and such vesting acceleration provisions were in effect as of the date of grant of the Non-Exempt Award and, therefore, are part of the terms of such Non-Exempt Award as of the date of grant, then the shares will be earlier issued in settlement of such Non-Exempt Award upon the Participant’s Separation from Service in accordance with the terms of the Non-Exempt Severance Arrangement, but in no event later than the 60<sup>th</sup> day that follows the date of the Participant’s Separation from Service. However, if at the time the shares would otherwise be issued the Participant is subject to the distribution limitations contained in Section 409A applicable to “specified employees,” as defined in Section 409A(a)(2)(B)(i) of the Code, such shares shall not be issued before the date that is six months following the date of such Participant’s Separation from Service, or, if earlier, the date of the Participant’s death that occurs within such six month period.

(iii) If vesting of a Non-Exempt Award accelerates under the terms of a Non-Exempt Severance Arrangement in connection with a Participant’s Separation from Service, and such vesting acceleration provisions were not in effect as of the date of grant of the Non-Exempt Award and, therefore, are not a part of the terms of such Non-Exempt Award on the date of grant, then such acceleration of vesting of the Non-Exempt Award shall not accelerate the issuance date of the shares, but the shares shall instead be issued on the same schedule as set forth in the Grant Notice as if they had vested in the ordinary course during the Participant’s Continuous Service, notwithstanding the vesting acceleration of the Non-Exempt

## TABLE OF CONTENTS

Award. Such issuance schedule is intended to satisfy the requirements of payment on a specified date or pursuant to a fixed schedule, as provided under United States Treasury Regulations Section 1.409A-3(a)(4).

**(c) Treatment of Non-Exempt Awards Upon a Transaction for Employees and Consultants.** The provisions of this subsection (c) shall apply and shall supersede anything to the contrary set forth in the Plan with respect to the permitted treatment of any Non-Exempt Award in connection with a Transaction if the Participant was either an Employee or Consultant upon the applicable date of grant of the Non-Exempt Award.

**(i) Vested Non-Exempt Awards.** The following provisions shall apply to any Vested Non-Exempt Award in connection with a Transaction:

**(1)** If the Transaction is also a Section 409A Change in Control, then the Acquiring Entity may not assume, continue or substitute the Vested Non-Exempt Award. Upon the Section 409A Change in Control, the settlement of the Vested Non-Exempt Award will automatically be accelerated and the shares will be immediately issued in respect of the Vested Non-Exempt Award. Alternatively, the Company may instead provide that the Participant will receive a cash settlement equal to the Fair Market Value of the shares that would otherwise be issued to the Participant upon the Section 409A Change in Control.

**(2)** If the Transaction is not also a Section 409A Change in Control, then the Acquiring Entity must either assume, continue or substitute each Vested Non-Exempt Award. The shares to be issued in respect of the Vested Non-Exempt Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of the Fair Market Value of the shares made on the date of the Transaction.

**(ii) Unvested Non-Exempt Awards.** The following provisions shall apply to any Unvested Non-Exempt Award unless otherwise determined by the Board pursuant to subsection (e) of this Section.

**(1)** In the event of a Transaction, the Acquiring Entity shall assume, continue or substitute any Unvested Non-Exempt Award. Unless otherwise determined by the Board, any Unvested Non-Exempt Award will remain subject to the same vesting and forfeiture restrictions that were applicable to the Award prior to the Transaction. The shares to be issued in respect of any Unvested Non-Exempt Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of Fair Market Value of the shares made on the date of the Transaction.

**(2)** If the Acquiring Entity will not assume, substitute or continue any Unvested Non-Exempt Award in connection with a Transaction, then such Award shall automatically terminate and be forfeited upon the Transaction with no consideration payable to any Participant in respect of such forfeited Unvested Non-Exempt Award. Notwithstanding the foregoing, to the extent permitted and in compliance with the requirements of Section 409A, the Board may in its discretion determine to elect to accelerate the vesting and settlement of the Unvested Non-Exempt Award upon the Transaction, or instead substitute a cash payment equal to the Fair Market Value of such shares that would otherwise be issued to the Participant, as further provided in subsection (e)(ii) below. In the absence of such discretionary election by the Board, any Unvested Non-Exempt Award shall be forfeited without payment of any consideration to the affected Participants if the Acquiring Entity will not assume, substitute or continue the Unvested Non-Exempt Awards in connection with the Transaction.

**(3)** The foregoing treatment shall apply with respect to all Unvested Non-Exempt Awards upon any Transaction, and regardless of whether or not such Transaction is also a Section 409A Change in Control.

## TABLE OF CONTENTS

**(d) Treatment of Non-Exempt Awards Upon a Transaction for Non-Employee Directors.** The following provisions of this subsection (d) shall apply and shall supersede anything to the contrary that may be set forth in the Plan with respect to the permitted treatment of a Non-Exempt Director Award in connection with a Transaction.

**(i)** If the Transaction is also a Section 409A Change in Control, then the Acquiring Entity may not assume, continue or substitute the Non-Exempt Director Award. Upon the Section 409A Change in Control, the vesting and settlement of any Non-Exempt Director Award will automatically be accelerated and the shares will be immediately issued to the Participant in respect of the Non-Exempt Director Award. Alternatively, the Company may provide that the Participant will instead receive a cash settlement equal to the Fair Market Value of the shares that would otherwise be issued to the Participant upon the Section 409A Change in Control pursuant to the preceding provision.

**(ii)** If the Transaction is not also a Section 409A Change in Control, then the Acquiring Entity must either assume, continue or substitute the Non-Exempt Director Award. Unless otherwise determined by the Board, the Non-Exempt Director Award will remain subject to the same vesting and forfeiture restrictions that were applicable to the Award prior to the Transaction. The shares to be issued in respect of the Non-Exempt Director Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of Fair Market Value made on the date of the Transaction.

**(e)** If the RSU Award is a Non-Exempt Award, then the provisions in this Section 11(e) shall apply and supersede anything to the contrary that may be set forth in the Plan or the Award Agreement with respect to the permitted treatment of such Non-Exempt Award:

**(i)** Any exercise by the Board of discretion to accelerate the vesting of a Non-Exempt Award shall not result in any acceleration of the scheduled issuance dates for the shares in respect of the Non-Exempt Award unless earlier issuance of the shares upon the applicable vesting dates would be in compliance with the requirements of Section 409A.

**(ii)** The Company explicitly reserves the right to earlier settle any Non-Exempt Award to the extent permitted and in compliance with the requirements of Section 409A, including pursuant to any of the exemptions available in United States Treasury Regulations Section 1.409A-3(j)(4)(ix).

**(iii)** To the extent the terms of any Non-Exempt Award provide that it will be settled upon a Change in Control or Transaction, to the extent it is required for compliance with the requirements of Section 409A, the Change in Control or Transaction event triggering settlement must also constitute a Section 409A Change in Control. To the extent the terms of a Non-Exempt Award provides that it will be settled upon a termination of employment or termination of Continuous Service, to the extent it is required for compliance with the requirements of Section 409A, the termination event triggering settlement must also constitute a Separation From Service. However, if at the time the shares would otherwise be issued to a Participant in connection with a "separation from service" such Participant is subject to the distribution limitations contained in Section 409A applicable to "specified employees," as defined in Section 409A(a)(2)(B)(i) of the Code, such shares shall not be issued before the date that is six months following the date of the Participant's Separation From Service, or, if earlier, the date of the Participant's death that occurs within such six month period.

**(iv)** The provisions in this subsection (e) for delivery of the shares in respect of the settlement of a RSU Award that is a Non-Exempt Award are intended to comply with the requirements of Section 409A so that the delivery of the shares to the Participant in respect of such Non-Exempt Award will not trigger the additional tax imposed under Section 409A, and any ambiguities herein will be so interpreted.

## **12. SEVERABILITY.**

If all or any part of the Plan or any Award Agreement is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any portion of the Plan or such Award Agreement not declared to be unlawful or invalid. Any Section of the Plan or any Award Agreement (or part of

## TABLE OF CONTENTS

such a Section) so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

### **13. TERMINATION OF THE PLAN.**

The Board may suspend or terminate the Plan at any time. No Incentive Stock Options may be granted after the tenth anniversary of the earlier of: (i) the Adoption Date, or (ii) the date the Plan is approved by the Company's stockholders. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

### **14. DEFINITIONS.**

As used in the Plan, the following definitions apply to the capitalized terms indicated below:

(a) "**Acquiring Entity**" means the surviving or acquiring corporation (or its parent company) in connection with a Transaction.

(b) "**Adoption Date**" means the date the Plan is first approved by the Board or Compensation Committee.

(c) "**Affiliate**" means, at the time of determination, any "parent" or "subsidiary" of the Company as such terms are defined in Rule 405 promulgated under the Securities Act. The Board may determine the time or times at which "parent" or "subsidiary" status is determined within the foregoing definition.

(d) "**Applicable Law**" means the Code and any applicable U.S. or non-U.S. securities, federal, state, material local or municipal or other law, statute, constitution, principle of common law, resolution, ordinance, code, edict, decree, rule, listing rule, regulation, judicial decision, ruling or requirement issued, enacted, adopted, promulgated, implemented or otherwise put into effect by or under the authority of any Governmental Body (including under the authority of any applicable self-regulating organization such as the Nasdaq Stock Market, New York Stock Exchange, or the Financial Industry Regulatory Authority).

(e) "**Award**" means any right to receive Common Stock, cash or other property granted under the Plan (including an Incentive Stock Option, a Nonstatutory Stock Option, a Restricted Stock Award, a RSU Award, a SAR, a Performance Award or any Other Award).

(f) "**Award Agreement**" means a written agreement between the Company and a Participant evidencing the terms and conditions of an Award. The Award Agreement generally consists of the Grant Notice and the agreement containing the written summary of the general terms and conditions applicable to the Award and which is provided to a Participant along with the Grant Notice.

(g) "**Board**" means the board of directors of the Company (or its designee). Any decision or determination made by the Board shall be a decision or determination that is made in the sole discretion of the Board (or its designee), and such decision or determination shall be final and binding on all Participants.

(h) "**Capitalization Adjustment**" means any change that is made in, or other events that occur with respect to, the Common Stock subject to the Plan or subject to any Award after the Effective Date without the receipt of consideration by the Company through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, stock split, reverse stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto). Notwithstanding the foregoing, the conversion of any convertible securities of the Company will not be treated as a Capitalization Adjustment.

(i) "**Cause**" has the meaning ascribed to such term in any written agreement between the Participant and the Company or an Affiliate defining such term and, in the absence of such agreement, such term means, with respect to a Participant, the occurrence of any of the following events: (i) such Participant's actual or attempted commission of, or participation in, a fraud or act of dishonesty against the Company or an Affiliate; (ii) such Participant's intentional, material violation of any contract or agreement between the Participant and the Company or an Affiliate or of any statutory duty owed to the Company or an Affiliate; (iii) such Participant's unauthorized use or disclosure of the Company's or any of its Affiliate's confidential information or trade secrets; or (iv) such Participant's gross misconduct. The determination that a termination of the Participant's Continuous

## TABLE OF CONTENTS

Service is either for Cause or without Cause will be made by the Board with respect to Participants who are executive officers of the Company and by the Company's Chief Executive Officer with respect to Participants who are not executive officers of the Company. Any determination by the Company that the Continuous Service of a Participant was terminated with or without Cause for the purposes of outstanding Awards held by such Participant will have no effect upon any determination of the rights or obligations of the Company or an Affiliate or such Participant for any other purpose.

(j) **"Change in Control" or "Change of Control"** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events; provided, however, to the extent necessary to avoid adverse personal income tax consequences to the Participant in connection with an Award, such event or events, as the case may be, also constitute a Section 409A Change in Control:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company's securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, or (C) solely because the level of Ownership held by any Exchange Act Person (the "Subject Person") exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than 50% of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iii) there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than 50% of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(iv) individuals who, on the date the Plan is adopted by the Board, are members of the Board (the **"Incumbent Board"**) cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

Notwithstanding the foregoing or any other provision of this Plan, (A) the term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, and (B) the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Awards subject to such agreement; provided, however, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

TABLE OF CONTENTS

(l) “*Committee*” means the Compensation Committee and any other committee of one or more Directors to whom authority has been delegated by the Board or Compensation Committee in accordance with the Plan.

(m) “*Common Stock*” means the common stock of the Company.

(n) “*Company*” means Veritone, Inc., a Delaware corporation, and any successor thereto.

(o) “*Compensation Committee*” means the Compensation Committee of the Board.

(p) “*Consultant*” means any person, including an advisor, who is (i) engaged by the Company or an Affiliate to render consulting or advisory services and is compensated for such services, or (ii) serving as a member of the board of directors of an Affiliate and is compensated for such services. However, service solely as a Director, or payment of a fee for such service, will not cause a Director to be considered a “Consultant” for purposes of the Plan. Notwithstanding the foregoing, a person is treated as a Consultant under this Plan only if a Form S-8 Registration Statement under the Securities Act is available to register either the offer or the sale of the Company’s securities to such person.

(q) “*Continuous Service*” means that the Participant’s service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Director or Consultant or a change in the Entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, will not terminate a Participant’s Continuous Service; provided, however, that if the Entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Board, such Participant’s Continuous Service will be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. For example, a change in status from an Employee of the Company to a Consultant of an Affiliate or to a Director will not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party’s sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any leave of absence approved by the Board or chief executive officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in an Award only to such extent as may be provided in the Company’s leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law. In addition, to the extent required for exemption from or compliance with Section 409A, the determination of whether there has been a termination of Continuous Service will be made, and such term will be construed, in a manner that is consistent with the definition of “separation from service” as defined under United States Treasury Regulation Section 1.409A-1(h) (without regard to any alternative definition thereunder).

(r) “*Corporate Transaction*” means the consummation, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) a sale or other disposition of all or substantially all, as determined by the Board, of the consolidated assets of the Company and its Subsidiaries;

(ii) a sale or other disposition of at least 50% of the outstanding securities of the Company;

(iii) a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or

(iv) a merger, consolidation or similar transaction following which the Company is the surviving corporation but the shares of Common Stock outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise.

(s) “*Director*” means a member of the Board.

(t) “*determine*” or “*determined*” means as determined by the Board or the Committee (or its designee) in its sole discretion.

(v) “**Effective Date**” means the date on which the Plan is approved by the Company’s stockholders.

(ii) If there is no closing sales price for the Common Stock on the date of determination, then the Fair Market Value will be the closing selling price on the last preceding date for which such quotation exists.

(iii) In the absence of such markets for the Common Stock, or if otherwise determined by the Board, the Fair Market Value will be determined by the Board in good faith and in a manner that complies with Sections 409A and 422 of the Code.

(cc) “**Governmental Body**” means any: (i) nation, state, commonwealth, province, territory, county, municipality, district or other jurisdiction of any nature; (ii) U.S. federal, state, local, municipal, non-U.S. or other government; (iii) governmental or regulatory body, or quasi-governmental body of any nature (including any governmental division, department, administrative agency or bureau, commission, authority, instrumentality, official, ministry, fund, foundation, center, organization, unit, body or Entity and any court or other tribunal, and for the avoidance of doubt, any Tax authority) or other body exercising similar powers or authority; or (iv) self-regulatory organization (including the Nasdaq Stock Market, New York Stock Exchange, and the Financial Industry Regulatory Authority).

## TABLE OF CONTENTS

(ff) “**Materially Impair**” means any amendment to the terms of the Award that materially adversely affects the Participant’s rights under the Award. A Participant’s rights under an Award will not be deemed to have been Materially Impaired by any such amendment if the Board, in its sole discretion, determines that the amendment, taken as a whole, does not materially impair the Participant’s rights. For example, the following types of amendments to the terms of an Award do not Materially Impair the Participant’s rights under the Award: (i) imposition of reasonable restrictions on the minimum number of shares subject to an Option that may be exercised, (ii) to maintain the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (iii) to change the terms of an Incentive Stock Option in a manner that disqualifies, impairs or otherwise affects the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (iv) to clarify the manner of exemption from, or to bring the Award into compliance with or qualify it for an exemption from, Section 409A; or (v) to comply with other Applicable Law.

(gg) “**Non-Employee Director**” means a Director who either (i) is not a current employee or officer of the Company or an Affiliate, does not receive compensation, either directly or indirectly, from the Company or an Affiliate for services rendered as a consultant or in any capacity other than as a Director (except for an amount to which disclosure would not be required under Item 404(a) of Regulation S-K promulgated pursuant to the Securities Act (“**Regulation S-K**”)), does not possess an interest in any other transaction for which disclosure would be required under Item 404(a) of Regulation S-K, and is not engaged in a business relationship for which disclosure would be required pursuant to Item 404(b) of Regulation S-K; or (ii) is otherwise considered a “non-employee director” for purposes of Rule 16b-3.

(hh) “**Non-Exempt Award**” means any Award that is subject to, and not exempt from, Section 409A, including as the result of (i) a deferral of the issuance of the shares subject to the Award which is elected by the Participant or imposed by the Company or (ii) the terms of any Non-Exempt Severance Agreement.
