Item 1.01 Entry into a Material Definitive Agreement.

On August 13, 2018, Veritone, Inc. (the “Company”) entered into a definitive agreement to acquire Wazee Digital, Inc., a Delaware corporation (“Wazee”), pursuant to an Agreement and Plan of Merger (the “Wazee Merger Agreement”) by and among the Company, Project West Acquisition Corporation, a Delaware corporation and a wholly owned subsidiary of the Company (“West Merger Sub”), Wazee and West Victory Stockholder Representative, LLC, a Delaware limited liability company, in its capacity as the representative of the stockholders of Wazee. The Wazee Merger Agreement provides that West Merger Sub will merge with and into Wazee (the “Wazee Merger”), with Wazee surviving the Wazee Merger as a wholly owned subsidiary of the Company. The boards of directors of the Company and Wazee unanimously approved the Wazee Merger, the Wazee Merger Agreement and the transactions contemplated thereby, and the requisite approvals of the Wazee stockholders have been obtained.

Pursuant to the Wazee Merger Agreement, the Company will pay aggregate consideration of \$15 million (the “Merger Consideration”), \$7.5 million of which will be paid in cash and \$7.5 million of which will be paid in shares of the Company’s common stock, par value \$0.001 per share (“Common Stock”), valued at the volume weighted average trading price of the Common Stock for the 20-day period ended three business days prior to the date of the Wazee Merger Agreement. The Merger Consideration is subject to adjustment based on Wazee’s cash, indebtedness, transaction expenses and working capital as of the closing of the Wazee Merger (the “Closing”). At the effective time of the Wazee Merger (the “Effective Time”):

- the issued and outstanding shares of Wazee’s Series E Preferred Stock, par value \$0.001 per share (the “Series E Preferred Stock”), other than dissenting shares and cancelled shares, will be converted into the right to receive the aggregate liquidation preference of the Series E Preferred Stock (the “Aggregate Series E Liquidation Preference”), payable in cash and shares of Common Stock, to be distributed among the holders thereof in accordance with Wazee’s Seventh Amended and Restated Certificate of Incorporation;
- each issued and outstanding share of Wazee’s Series D Preferred Stock, par value \$0.001 per share (“Series D Preferred Stock”), other than dissenting shares and cancelled shares, will be converted into the right to receive an amount equal to (i) the amount of Merger Consideration remaining, if any, after payment in full of the Aggregate Series E Liquidation Preference divided by (ii) the aggregate number of shares of Series D Preferred Stock outstanding as of immediately prior to the Effective Time, payable in cash and shares of Common Stock;
- each issued and outstanding share of (i) Wazee’s Series C-1 Preferred Stock, par value \$0.001 per share, (ii) Series C Preferred Stock, par value \$0.001 per share (“Series C Preferred Stock”), (iii) Series A Preferred Stock, par value \$0.001 per share and (iv) Wazee’s common stock, par value \$0.001 per share (“Wazee Common Stock”), in each case, other than dissenting shares, will be automatically cancelled without consideration; and
- each (i) option to purchase shares of Wazee Common Stock, (ii) restricted share of Wazee Common Stock and (iii) warrant exercisable for shares of Series C Preferred Stock, will be automatically cancelled without consideration.

The Company and Wazee have agreed to customary representations, warranties and covenants in the Wazee Merger Agreement. Subject to certain limitations, the holders of Series E Preferred Stock and Series D Preferred Stock (collectively, the “Consideration Stockholders”) are required to indemnify the Company for certain losses resulting from breaches of Wazee’s representations, warranties and covenants made in the Wazee Merger Agreement and for certain other matters, in each case, as set forth in the Merger Agreement. A portion of the Merger Consideration will be placed in an escrow account to partially secure the indemnification obligations of the Consideration Stockholders. In addition, to supplement the indemnification provided by the Consideration Stockholders for breaches of Wazee’s representations and warranties, the Company will obtain a representation and warranty insurance policy (the “R&W Insurance Policy”) effective as of the Closing. The costs and expenses associated with obtaining the R&W Insurance Policy will be shared equally by the Company and the Consideration Stockholders.

During the period between the date of the Wazee Merger Agreement and the Closing (or, if earlier, the termination of the Wazee Merger Agreement), Wazee has agreed to conduct its business in the ordinary course of business consistent with past practice, including keeping available the services of certain key employees and preserving relationships with its major customers and suppliers. Wazee has also agreed not to take certain actions prior to the Closing (or, if earlier, the termination of the Wazee Merger Agreement) without the prior written consent of the Company. The Company has agreed to file a Registration Statement on Form S-3 on or prior to September 30, 2018, to register for resale the shares of Common Stock included in the Merger Consideration, and to take certain other actions in connection therewith.

The Closing is subject to customary conditions, including, among others:

- the absence of any law or order that enjoins, restrains or otherwise prohibits the consummation of the Wazee Merger and the other transactions contemplated by the Wazee Merger Agreement;
- the accuracy of the parties' representations and warranties and the compliance by the parties with the covenants set forth in the Wazee Merger Agreement, subject to certain materiality qualifications;
- the execution and delivery by the parties of the ancillary agreements contemplated by the Wazee Merger Agreement;
- the absence of any pending or threatened litigation challenging the transactions contemplated by the Wazee Merger Agreement or seeking to limit the ability of the Company to exercise full rights of ownership with respect to the business of Wazee after the Closing;
- the absence of any material adverse effect on Wazee;
- the Company obtaining the R&W Insurance Policy; and
- Wazee delivering to the Company audited financial statements for its 2017 fiscal year.

The Wazee Merger Agreement provides for customary termination rights for both the Company and Wazee, including, among other bases for termination, if the Wazee Merger is not consummated prior to September 14, 2018. The Wazee Merger is expected to close by the end of August 2018.

The foregoing description of the Wazee Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Wazee Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Smyk, the sole stockholder of Performance Bridge. **ARTICLE III
CLOSING; PAYMENT OF CONSIDERATION**

Section 3.1 Closing; Effective Time.

(a) The closing of the Merger (the "Closing") shall take place remotely via the exchange of documents and signatures, on the first Business Day following the satisfaction or, to the extent permitted by applicable Law, waiver of all conditions to the obligations of the parties set forth in Article VIII (other than such conditions as may, by their terms, only be satisfied at the Closing or on the Closing Date), or on such other date as the parties mutually may agree in writing (the "Closing Date"). The Closing shall be effective as of 12:01 a.m., New York City time, on the Closing Date.

(b) Simultaneously with the making of the payments required by Section 3.3(a)(i), the parties shall cause a certificate of merger in the form attached as Exhibit E hereto to be executed and filed with the Secretary of State of the State of Delaware (the "Certificate of Merger"), executed in accordance with the relevant provisions of the DGCL. The Merger shall

become effective upon the filing of the Certificate of Merger with the Secretary of State of the State of Delaware or at such other time as the parties shall agree and as shall be specified in the Certificate of Merger. The date and time when the Merger shall become effective is herein referred to as the “Effective Time.”

Section 3.2 Exchange of Shares of Company Capital Stock.

(a) Surrender and Exchange Procedures.

(i) Prior to the Effective Time, each Consideration Stockholder shall deliver to Acquiror (A) a letter of transmittal substantially in the form attached as Exhibit F hereto (a “Letter of Transmittal”) and (B) the certificate(s) representing all shares of Company Capital Stock held by such Consideration Stockholder. The payment of the applicable Per Share Closing Payment in respect of the shares of Company Capital Stock formerly represented by such certificate(s) pursuant to Section 3.3 is conditioned upon (1) the execution and delivery of such Letter of Transmittal to Acquiror, (2) the delivery of such certificates to Acquiror, and (3) the delivery to Acquiror of a properly completed and duly executed IRS Form W-9 or applicable IRS Form W-8 (or suitable substitute form) establishing an exemption from backup withholding. Upon the Effective Time and the payment to each Consideration Stockholder, pursuant to Section 3.3, of the applicable Per Share Closing Payment payable in respect of the shares of Company Capital Stock formerly represented by the certificate(s) surrendered, without interest, if any, and the certificate(s) so surrendered shall forthwith be cancelled. If any payment of any portion of the applicable Per Share Closing Payment is to be made to a Person other than the Person in whose name such certificate(s) is registered, it shall be a condition of payment that the certificate(s) so surrendered shall be properly endorsed or shall otherwise be in proper form for transfer, that the signatures on such certificate(s) or any related stock power shall be properly guaranteed and that the Person requesting such consideration shall have established to the satisfaction of Acquiror that any transfer Taxes required by reason of such payment to a Person other than the registered holder of such certificate have been paid or are not applicable. From and after the Effective Time, any certificate formerly representing shares of Company Capital Stock (other than certificates representing Cancelled Shares or Dissenting Shares) shall be deemed to represent only the right to receive the portion of the Merger Consideration, if any, payable with respect thereto, without interest, as contemplated herein.

(b) Transfer Books; No Further Ownership Rights. At the Effective Time, the stock transfer books of the Company shall be closed, and thereafter there shall be no further registration of transfers of the shares of Company Capital Stock on the records of the Company. From and after the Effective Time, the holders of certificates formerly evidencing ownership of the shares of Company Capital Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such shares, except as otherwise provided for herein or by applicable Law. After the Effective Time, the Surviving Corporation or Acquiror shall cancel any presented certificate representing shares of Company Capital Stock outstanding immediately prior to the Effective Time.

(c) Lost, Stolen or Destroyed Certificates. In the event any certificate(s) which formerly represented shares of Company Capital Stock shall have been lost, stolen or destroyed, upon the making and delivery of an affidavit of that fact by the Consideration

Stockholder thereof in form reasonably satisfactory to Acquiror, Acquiror shall deliver to such Consideration Stockholder the applicable Per Share Closing Payment as provided in Section 3.2(a); provided, however, that Acquiror may, in its sole discretion and as a condition precedent to delivering the applicable Per Share Closing Payment, require the owner of such lost, stolen or destroyed certificate(s) to deliver an agreement of indemnification in form and substance reasonably satisfactory to Acquiror and a bond in such sum as Acquiror may reasonably direct, as indemnity against any claim that may be made against Acquiror or the Surviving Corporation with respect to the certificate(s) alleged to have been lost, stolen or destroyed.

(d) Withholding Rights. Each of Acquiror, the Surviving Corporation and the Escrow Agent shall be entitled to deduct and withhold from any consideration payable pursuant to this Agreement or any Ancillary Agreement such amounts as may be required to be deducted and withheld with respect to such consideration under the Code or any other applicable Law. If Acquiror, the Surviving Corporation or the Escrow Agent determines that withholding is required on any consideration paid by it, then Acquiror, the Surviving Corporation or the Escrow Agent, as applicable, shall make reasonable efforts to give notice to the Stockholder Representative at least five Business Days in advance of the payment of such consideration of such intent to withhold and the amount of such withholding. Acquiror, the Surviving Corporation and the Escrow Agent shall cooperate with the Stockholder Representative to the extent reasonable in efforts by the Stockholder Representative to obtain reduction of or relief from such deduction or withholding. To the extent that consideration is so withheld by Acquiror, the Surviving Corporation or the Escrow Agent and paid over to the applicable Governmental Authority, such withheld consideration shall be treated for all purposes of this Agreement and the Ancillary Agreements as having been paid to the Stockholders to whom such amounts would otherwise have been paid.

(e) Restrictive Legend. All certificates evidencing Acquiror Shares included in the Merger Consideration (including all certificates evidencing Acquiror Shares included in the Escrow Fund) shall bear the following legend on their face:

“THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”) NOR UNDER THE SECURITIES LAWS OF ANY STATE. THESE SECURITIES MAY NOT BE SOLD, OFFERED FOR SALE, OR HYPOTHECATED IN THE ABSENCE OF A REGISTRATION STATEMENT IN EFFECT WITH RESPECT TO THE SECURITIES UNDER SUCH ACT OR AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED PURSUANT TO A VALID EXEMPTION THEREFROM UNDER THE SECURITIES ACT.”

Section 3.3 Other Closing Payments.

(a) Cash Consideration. As part of the Merger Consideration, concurrently with the Effective Time but subject to compliance by the Consideration Stockholders with Sections 3.2(a) and (c), Acquiror shall:

(i) pay to each Consideration Stockholder the portion of the Cash Consideration that is part of such Consideration Stockholder’s Per Share Closing Payment;

(ii) deposit with the Escrow Agent, for deposit into the Escrow Fund, an amount in cash equal to 50% of the Escrow Amount;

(iii) pay, on behalf of the Company, the amount payable to each counterparty or holder of Payoff Indebtedness in order to fully discharge such Payoff Indebtedness and terminate all applicable obligations and liabilities of the Company and any of its Affiliates related thereto, as specified in the Debt Payoff Letters and in accordance with this Agreement;

(iv) pay to the Stockholder Representative, the Stockholder Representative Fund; and

(v) pay, on behalf of the Company, the amount payable to each Person who is owed a portion of the Estimated Transaction Expenses (other than as set forth in Section 3.3(c)), as specified in the Transaction Expenses Payoff Instructions and in accordance with this Agreement.

All payments of cash hereunder (including pursuant to Section 3.5(e)) shall be made by wire transfer of immediately available funds in United States dollars to such account as may be designated to the payor by the payee at least two Business Days prior to the anticipated Closing Date.

(b) Non-Cash Consideration. As part of the Merger Consideration, concurrently with the Effective Time but subject to compliance by the Consideration Stockholders with Sections 3.2(a) and (c), Acquiror shall:

(i) issue and deliver to each Consideration Stockholder that number of Acquiror Shares (valued at the Closing Acquiror Share Value) included in such Consideration Stockholder's Per Share Closing Payment;

(ii) issue and deliver to each Change of Control Recipient that number of Acquiror Shares (valued at the Closing Acquiror Share Value) equal to (x) such Change of Control Recipient's Share Change of Control Payment, minus (y) the amount of any applicable withholding taxes attributable to the amount set forth in clause (x); and

(iii) deposit with the Escrow Agent, for deposit into the Escrow Fund, that number of Acquiror Shares (valued at the Closing Acquiror Share Value) equal to 50% of the Escrow Amount.

(c) Cash Change of Control Payments. Concurrently with the Effective Time, Acquiror will deposit with the Company sufficient funds for the Company to pay through payroll, to the Change of Control Recipients, the Cash Change of Control Payments (less any applicable withholding Taxes applicable to the entire amount of the Change of Control Payments).

Section 3.4 Closing Estimates.

(a) At least two Business Days prior to the anticipated Closing Date (or if the parties do not have two Business Days' notice that the Closing is required to occur pursuant to Section 3.1(a), such later time as is as soon as possible prior to the Closing Date), the Company shall prepare, or cause to be prepared, and deliver to Acquiror a written statement (the "Preliminary Closing Statement"), which shall include and set forth:

(i) a balance sheet of the Company as of immediately prior to the Closing showing the components of Net Working Capital (the "Preliminary Closing Balance Sheet");

(ii) a good-faith estimate of (A) Net Working Capital based on the Preliminary Closing Balance Sheet (the "Estimated Net Working Capital"), (B) Indebtedness (the "Estimated Indebtedness"), (C) Cash (the "Estimated Cash") and (D) all Transaction Expenses that are accrued or due and remain unpaid (the "Estimated Transaction Expenses") (with each of Estimated Net Working Capital, Estimated Cash, Estimated Indebtedness and Estimated Transaction Expenses projected as of immediately prior to the Closing and, except for Estimated Transaction Expenses, without giving effect to the transactions contemplated herein); and

(iii) on the basis of the foregoing, a calculation of the value of the Cash Consideration, Stock Consideration and Closing Merger Consideration.

(b) Estimated Net Working Capital, Estimated Indebtedness and Estimated Cash shall be calculated in accordance with GAAP applied on a basis consistent with the preparation of the Balance Sheet, as modified by the principles, practices and methodologies set forth on Exhibit G (the accounting principles as described in this sentence, the "Applicable Accounting Principles"). All other items required to be included in the Preliminary Closing Statement will be calculated in accordance with the terms of this Agreement and the Company Charter.

Section 3.5 Post-Closing Adjustment of Merger Consideration.

(a) Within 60 days after the Closing Date, the Surviving Corporation shall prepare and deliver to the Stockholder Representative a written statement (the "Final Closing Statement"), which shall include and set forth:

(i) a balance sheet of the Company as of immediately prior to the Closing showing the components of Net Working Capital (the "Closing Balance Sheet"); and

(ii) a calculation of the actual (A) Net Working Capital (the "Closing Net Working Capital"), (B) Indebtedness (the "Closing Indebtedness"), (C) Cash (the "Closing Cash"), and (D) Transaction Expenses (the "Closing Transaction Expenses") (with each of Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses determined as of immediately prior to the Closing and, except for Closing Transaction Expenses, without giving effect to the transactions contemplated herein). Closing Net Working Capital, Closing Indebtedness and Closing Cash shall be calculated in accordance with the Applicable Accounting Principles.

(b) The Final Closing Statement shall become final and binding on the 45th day following delivery thereof, unless prior to the end of such period, the Stockholder Representative delivers to Acquiror written notice of its disagreement (a “Notice of Disagreement”) specifying the nature and amount of any dispute as to the Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses, as set forth in the Final Closing Statement. The Stockholder Representative shall be deemed to have agreed with all items and amounts of Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses not specifically referenced in the Notice of Disagreement, and such items and amounts shall not be subject to review in accordance with Section 3.5(c). Any Notice of Disagreement may reference only disagreements based on mathematical errors or based on Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses as reflected on the Final Closing Statement not being calculated in accordance with the Applicable Accounting Principles or the provisions of this Agreement.

(c) During the 30-day period following delivery of a Notice of Disagreement by the Stockholder Representative to Acquiror, the parties in good faith shall seek to resolve in writing any differences that they may have with respect to the computation of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses as specified therein. Any disputed items resolved in writing between the Stockholder Representative and Acquiror within such 30-day period shall be final and binding with respect to such items, and if the Stockholder Representative and Acquiror agree in writing on the resolution of each disputed item specified by the Stockholder Representative in the Notice of Disagreement and the amount of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses, the amounts so determined shall be final and binding on the parties for all purposes hereunder and shall not be subject to appeal or further review. If the Stockholder Representative and Acquiror have not resolved all such differences by the end of such 30-day period, the Stockholder Representative and Acquiror shall submit, in writing, to an independent public accounting firm (the “Independent Accounting Firm”), their briefs detailing their views as to the correct nature and amount of each item remaining in dispute and the amounts of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses, and the Independent Accounting Firm shall make a written determination as to each such disputed item and the amount of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses, which determination shall be final and binding on the parties for all purposes hereunder. The Independent Accounting Firm shall consider only those items and amounts in the Stockholder Representative’s and Acquiror’s respective calculations of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses that are identified as being items and amounts to which the Stockholder Representative and Acquiror have been unable to agree. In resolving any disputed item, the Independent Accounting Firm may not assign a value to any item greater than the greatest value for such item claimed by either party or less than the smallest value for such item claimed by either party. The Independent Accounting Firm shall be such independent public accounting firm as shall be agreed in writing by the Stockholder Representative and Acquiror. The Stockholder Representative and Acquiror shall use their commercially reasonable efforts to cause the Independent Accounting Firm to render a written decision resolving the matters submitted to it as promptly as practicable, and in any event within 30 days following the submission thereof. Judgment may be entered upon the written determination of the Independent Accounting Firm in accordance with Section 11.9. In acting under this Agreement, the

Independent Accounting Firm will be entitled to the powers, privileges and immunities of an arbitrator.

(d) The costs of any dispute resolution pursuant to Section 3.5(c), including the fees and expenses of the Independent Accounting Firm and of any enforcement of the determination thereof, shall be borne by the Stockholder Representative and Acquiror in inverse proportion as they may prevail on the matters resolved by the Independent Accounting Firm, which proportionate allocation shall be calculated on an aggregate basis based on the relative dollar values of the amounts in dispute and shall be determined by the Independent Accounting Firm at the time the determination of such firm is rendered on the merits of the matters submitted. The fees and disbursements of the Representatives of each party incurred in connection with the preparation or review of the Final Closing Statement and preparation or review of any Notice of Disagreement, as applicable, shall be borne by such party.

(e) The value of the Closing Merger Consideration shall be adjusted, upwards or downwards, as follows:

(i) If the Net Adjustment Amount is positive, the value of the Closing Merger Consideration shall be adjusted upwards in an amount equal to the Net Adjustment Amount. In such event, Acquiror shall pay the Net Adjustment Amount (which will consist 50% of Acquiror Shares valued at the Closing Acquiror Share Value and 50% of cash) to the Consideration Stockholders in accordance with Section 2.6, first to the holders of Series E Preferred Stock to the extent that the consideration set forth in Section 2.6(c) has not been paid in full, then to the holder of Series D Preferred Stock; provided, that in no event will the Net Adjustment Amount exceed the Escrow Amount.

(ii) If the Net Adjustment Amount is negative (in which case the “Net Adjustment Amount” for purposes of this clause (ii) shall be deemed to be equal to the absolute value of such amount), the value of the Closing Merger Consideration shall be adjusted downwards in an amount equal to the Net Adjustment Amount. In such event, Acquiror and the Stockholder Representative shall deliver joint written instructions to the Escrow Agent, directing the Escrow Agent to release to Acquiror from the Escrow Fund, an amount equal to the Net Adjustment Amount (which will consist 50% of Acquiror Shares (valued at the Closing Acquiror Share Value) and 50% of cash); provided, that in no event will the Net Adjustment Amount exceed the Escrow Amount.

Section 3.6 Stockholder Representative.

(a) By the approval of this Agreement pursuant to the DGCL, the Stockholder Consent and the Letters of Transmittal, the Stockholders irrevocably appoint and constitute West Victory Stockholder Representative, LLC as agent, proxy and attorney-in-fact, with full power of substitution, to act on behalf of the Stockholders for certain limited purposes, as specified herein (the “Stockholder Representative”), including the full power and authority to act on the Stockholders’ behalf as provided in Section 3.6(b). The Stockholders, by approving this Agreement, further agree that such agency, proxy and attorney-in-fact are coupled with an interest, are therefore irrevocable without the consent of the Stockholder Representative, except as provided in Section 3.6(c), and shall be binding upon the successors, heirs, executors,

administers and legal representatives of each Stockholder and shall not be affected by, and shall survive, the death, incapacity, bankruptcy, dissolution or liquidation of any Stockholder. All decisions, actions, consents and instructions by the Stockholder Representative shall be binding upon all of the Stockholders, and no Stockholder shall have the right to object to, dissent from, protest or otherwise contest any such decision, action, consent or instruction. Acquiror and Sub shall be entitled to rely on any decision, action, consent or instruction of the Stockholder Representative as being the decision, action, consent or instruction of the Stockholders, and Acquiror and Sub are hereby relieved from any liability to any Person for acts done by them in accordance with any such decision, act, consent or instruction.

(b) The Stockholder Representative shall have such powers and authority as are necessary to carry out the functions assigned to it under this Agreement. Without limiting the generality of the foregoing, the Stockholder Representative shall have full power, authority and discretion to (i) consummate the transactions contemplated under this Agreement and the Ancillary Agreements (including pursuant to Section 3.5 hereof); (ii) negotiate disputes arising under, or relating to, this Agreement and the Ancillary Agreements (including pursuant to Section 3.5 and Article IX hereof); (iii) receive and disburse to the Stockholders any funds received on behalf of the Stockholders under this Agreement (including pursuant to Section 3.5 and Article IX hereof); (iv) withhold any amounts received on behalf of the Stockholders under this Agreement or otherwise to satisfy any and all obligations or liabilities incurred by the Stockholders or the Stockholder Representative in the performance of their duties hereunder (including pursuant to Section 3.5 and Article IX hereof); (v) execute and deliver any amendment or waiver to this Agreement and the Ancillary Agreements (without the prior approval of the Stockholders); (vi) representing the Stockholders in connection with matters under Article IX hereof; and (vii) to take all other actions to be taken by or on behalf of the Stockholders in connection with this Agreement (including pursuant to Section 3.5 and Article IX hereof) and the Ancillary Agreements. The Stockholder Representative shall have no duties or obligations hereunder, including any fiduciary duties, except those set forth herein, and such duties and obligations shall be determined solely by the express provisions of this Agreement.

(c) The Stockholder Representative may resign at any time, and may be removed, after the Closing, for any reason or no reason by the vote or written consent of a majority of the Stockholders as of the Effective Time (the “Majority Holders”), with the prior consent of Acquiror, not to be unreasonably withheld. In the event of the death, incapacity, resignation or removal of the Stockholder Representative, a new Stockholder Representative shall be appointed by the vote or written consent of the Majority Holders, with the prior consent of Acquiror, not to be unreasonably withheld. Notice of such vote or a copy of the written consent appointing such new Stockholder Representative shall be sent to Acquiror and, after the Effective Time, to the Surviving Corporation, such appointment to be effective upon the later of the date indicated in such consent or the date such consent is received by Acquiror and, after the Effective Time, the Surviving Corporation; provided, that until such notice is received, Acquiror, Sub and the Surviving Corporation, as applicable, shall be entitled to rely on the decisions, actions, consents and instructions of the prior Stockholder Representative as described in Section 3.6(a).

(d) All out-of-pocket fees and expenses (including legal, accounting and other advisors’ fees and expenses, if applicable) reasonably incurred by the Stockholder

Representative in performing any actions under this Agreement or the Ancillary Agreements will be paid out of the Stockholder Representative Fund from time to time, as and when such fees and expenses are incurred. To the extent the Stockholder Representative Fund is insufficient to cover such fees and expenses the Stockholder Representative shall be entitled to reimbursement by the Consideration Stockholders, for all reasonable expenses, disbursements and advances (including fees and disbursements of its counsel, experts and other agents and consultants) incurred by the Stockholder Representative in such capacity. For the avoidance of doubt, neither Acquiror nor the Company shall have any monetary obligation or liability to the Stockholder Representative. If any balance of the Stockholder Representative Fund remains undisbursed at such time as all disputes, claims and other matters relating to the transactions contemplated by this Agreement and the Ancillary Agreements have been finally resolved, then the Stockholder Representative will distribute to each Consideration Stockholder, by wire transfer of immediately available funds to an account designated by each Consideration Stockholder, such Consideration Stockholder's Pro Rata Portion of such remaining balance of the Stockholder Representative Fund.

(e) By the approval of this Agreement pursuant to the DGCL, the Stockholder Consent and the Letters of Transmittal, each Consideration Stockholder hereby, jointly and severally, agrees to indemnify and hold harmless the Stockholder Representative and its partners, managers, officers, agents and other representatives from and against any losses, liabilities, expenses (including reasonable attorneys' fees), judgments, fines and amounts incurred by such Persons arising out of actions taken or omitted to be taken in the Stockholder Representative's capacity as the Stockholder Representative (except for those arising out of the Stockholder Representative's gross negligence or willful misconduct), including the costs and expenses of investigation and defense of claims.

(f) The Stockholder Representative shall incur no responsibility whatsoever to any Stockholder by reason of any error in judgment or other act or omission performed or omitted hereunder or in connection with this Agreement or any such other agreement, instrument or document, excepting only responsibility for any failure to act in accordance with the written, if any, directives of the Majority Holders.

Each of Acquiror and Sub is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of the properties and assets occupied, owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary, except for any such failures to be so qualified or licensed and in good standing that, individually or in the aggregate, have not had and would not reasonably be expected to have an Acquiror Material Adverse Effect

Section 5.2 Authority. Each of Acquiror and Sub has full corporate power and authority to execute and deliver this Agreement and each of the Ancillary Agreements to which it will be a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution, delivery and performance by Acquiror and Sub of this Agreement and each of the Ancillary Agreements to which it will be a party and the consummation by Acquiror and Sub of the transactions contemplated hereby and thereby have been duly and validly authorized by the Boards of Directors of Acquiror and Sub and by Acquiror as the sole stockholder of Sub. No other corporate proceedings on the part of Acquiror or Sub are necessary to authorize this Agreement or any Ancillary Agreement or to consummate the transactions contemplated hereby or thereby. This Agreement has been, and upon their execution each of the Ancillary Agreements to which Acquiror or Sub will be a party will have been, duly executed and delivered by Acquiror and Sub, as applicable, and, assuming due execution and delivery by each of the other parties hereto and thereto, this Agreement constitutes, and upon their execution each of the Ancillary Agreements to which Acquiror or Sub will be a party will constitute, the legal, valid and binding obligations of Acquiror and Sub, as applicable, enforceable against Acquiror and Sub, as applicable, in accordance with their respective terms.

(a) The execution, delivery and performance by each of Acquiror and Sub of this Agreement and each of the Ancillary Agreements to which it will be a party, and the consummation of the transactions contemplated hereby and thereby, do not and will not:

- (i) conflict with or violate the certificate of incorporation or bylaws of Acquiror or Sub;
- (ii) conflict with or violate any Law applicable to Acquiror or Sub; or

(iii) result in any breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) under, require any consent of any Person pursuant to, give to others any right of termination, amendment, modification, acceleration or cancellation of, allow the imposition of any fees or penalties, require the offering or making of any payment or redemption, give rise to any increased, guaranteed, accelerated or additional rights or entitlements of any Person or otherwise adversely affect any rights of Acquiror or Sub under, or result in the creation of any Encumbrance on any property, asset or right of Acquiror or Sub pursuant to, any material Contract to which Acquiror or Sub is a party or by which Acquiror or Sub, or any of their respective properties, assets or rights are bound or affected;

except for any such conflicts, violations, breaches, defaults or other occurrences that would not, individually or in the aggregate, reasonably be expected to have an Acquiror Material Adverse Effect.

(b) Neither Acquiror nor Sub is required to file, seek or obtain any notice, authorization, approval, order, permit or consent of or with any Governmental Authority in connection with the execution, delivery and performance by Acquiror and Sub of this Agreement and each of the Ancillary Agreements to which it will be party or the consummation of the transactions contemplated hereby or thereby, except for (i) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware and (ii) such filings as may be required by any applicable federal or state securities or “blue sky” laws.

Section 5.4 Issuance of Acquiror Shares. The Acquiror Shares included in the Merger Consideration, when issued in accordance with this Agreement, will be duly authorized, validly issued, fully paid and nonassessable and will not be subject to any preemptive rights. The issuance of the Acquiror Shares included in the Merger Consideration does not require the vote or approval of the stockholders of Acquiror under the rules of the Exchange.

Section 5.5 SEC Reports; Financial Statements; No Undisclosed Liabilities.

(a) Acquiror has filed with or furnished to the SEC on a timely basis true and complete copies of all forms, reports, schedules, statements and other documents required to be filed with or furnished to the SEC by Acquiror (all such documents, together with all exhibits and schedules to the foregoing materials and all information incorporated therein by reference, the “Acquiror SEC Documents”). Each of the Acquiror SEC Documents, at the time of its filing or being furnished (or, if amended or superseded by a filing prior to the date hereof, as of the date of such filing and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of the relevant meetings, respectively), complied as to form in all material respects with the applicable requirements of the Exchange Act, the Securities Act and the Sarbanes-Oxley Act of 2002, and any rules and regulations promulgated thereunder applicable to the Acquiror SEC Documents. At the time of its filing or being furnished (or, if

amended or superseded by a filing prior to the date hereof, as of the date of such filing and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of the relevant meetings, respectively), the Acquiror SEC Documents did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances in which they were made, not misleading.

(b) The financial statements (including the related notes and schedules thereto) included (or incorporated by reference) in the Acquiror SEC Documents (i) comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, (ii) have been prepared in accordance with GAAP (except, in the case of unaudited financial statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis throughout the periods indicated (except as may be indicated in the notes thereto) and (iii) fairly present, in all material respects, the consolidated financial position, results of operations and cash flows of Acquiror and its Subsidiaries as of the respective dates thereof and for the respective periods indicated therein (subject, in the case of unaudited financial statements, to normal and recurring year-end audit adjustments that were not, or are not expected to be, material in amount), all in accordance with GAAP.

(c) Neither Acquiror nor any of its Subsidiaries has any material liability or obligation of any nature (whether accrued, absolute, contingent, liquidated or unliquidated, due or to become due, determined, determinable or otherwise) that would be required by GAAP to be reflected in a balance sheet of Acquiror or disclosed in the notes thereto, except (i) to the extent adequately accrued or reserved against in the audited consolidated balance sheet of Acquiror and its Subsidiaries as of December 31, 2017 included in the Annual Report on Form 10-K filed by Acquiror with the SEC on March 9, 2018 and (b) for liabilities and obligations incurred in the ordinary course of business consistent with past practice since December 31, 2017 that are not, individually or in the aggregate, material to Acquiror and its Subsidiaries, taken as a whole.

(d) Each of the principal executive officer of Acquiror and the principal financial officer of Acquiror has made all certifications required by Rule 13a-14 or Rule 15d-14 under the Exchange Act or Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 and the rules and regulations of the SEC promulgated thereunder with respect to the Acquiror SEC Documents and the statements contained in such certifications are true and accurate in all material respects. For purposes of the preceding sentence, “principal executive officer” and “principal financial officer” shall have the meanings given to such terms in the Sarbanes-Oxley Act of 2002.

Section 5.6 Absence of Certain Changes. Since December 31, 2017, except as disclosed in the Acquiror SEC Documents, there has not been any change, event or development or prospective change, event or development that, individually or in the aggregate, has had or would reasonably be expected to have an Acquiror Material Adverse Effect.

Section 5.7 Litigation. There is no Action pending or, to the knowledge of Acquiror, threatened against or affecting Acquiror or any of its Subsidiaries or any of their material properties or assets, other than any Action that, individually or in the aggregate, has not had and would not reasonably be expected to have an Acquiror Material Adverse Effect. Neither Acquiror nor any of its Subsidiaries nor any of their material properties or assets is subject to any outstanding order, writ, judgment, injunction, decree, determination or award of, or pending or, to the knowledge of Acquiror, threatened investigation by, any Governmental Entity that, individually or in the aggregate, has had or would reasonably be expected to have an Acquiror Material Adverse Effect.

Section 5.8 Compliance with Laws and Listing Requirements; Permits.

(a) Acquiror is, and since May 17, 2017 has been, in compliance in all material respects with all Laws applicable to it or by which any of its properties or assets are bound. None of Acquiror or any of its executive officers has received, nor to the knowledge of Acquiror is there any basis for, any notice, order, complaint or other communication from any Governmental Authority or any other Person that Acquiror is not in compliance in any material respect with any Law applicable to it or by which any of its properties or assets is bound. Acquiror is in compliance in all material respects with the listing and corporate governance rules and regulations of the Exchange applicable to Acquiror.

(b) Acquiror has all material permits, licenses, franchises, approvals, certificates, consents, waivers, concessions, exemptions, orders, registrations, notices or other authorizations of any Governmental Authority necessary for Acquiror to own, lease and operate its properties and to carry on its business in all material respects as currently conducted (the "Acquiror Permits"). Acquiror is, and since May 17, 2017 has been, in compliance in all material respects with all such Acquiror Permits. All Acquiror Permits are in full force and effect, and no suspension, cancellation, modification, revocation or nonrenewal of any Acquiror Permit is pending or, to the knowledge of Acquiror, threatened, except as would not, individually or in the aggregate, reasonably be expected to have an Acquiror Material Adverse Effect.

Section 5.9 Availability of Funds. Acquiror has, or will have at the Closing, sufficient cash in immediately available funds to enable Acquiror to (a) pay the Cash Consideration and (b) pay, on behalf of the Company, the Payoff Indebtedness and the Estimated Transaction Expenses.

Section 5.10 Acknowledgment and Representations. Each of Acquiror and Sub acknowledges and agrees that it has made its own independent review and investigations into and, based thereon, has formed an independent judgment concerning, the business, assets, condition, operations and prospects of the Company. In entering into this Agreement, each of Acquiror and Sub has relied solely upon its own investigation and analysis and the representations and warranties of the Company set forth in Article IV, and each of Acquiror

and Sub acknowledges that, except for the representations and warranties set forth in Article IV, (a) none of the Company or any of its directors, officers, employees, Affiliates, stockholders, agents or Representatives makes or has made any other representation or warranty, either express or implied and (b) it has not been induced by or relied upon any other representation, warranty, inducement, promise or other statement, express or implied, made by the Company or any of its directors, officers, employees, Affiliates, stockholders, agents or Representatives.

ARTICLE VI COVENANTS

(k) increase the compensation payable or to become payable or the benefits provided to its directors, officers or employees, except for normal merit and cost-of-living increases consistent with past practice in salaries or wages of employees of the Company who are not directors or officers of the Company and who receive less than \$75,000 in total annual cash compensation from the Company, or grant any severance or termination payment to, or pay, loan or advance any amount to, any director, officer or employee of the Company, or establish, adopt, enter into or amend any Plan, except to the extent required by applicable Law or as provided under the terms of any Plan in existence as of the date of this Agreement; provided, that nothing in this clause (k) shall be deemed to prevent or prohibit the Company from seeking the approval of the Stockholders with respect to any payments that reasonably could be expected to be "excess parachute payments" pursuant to Section 280G of the Code;

or
- (t) enter into any formal or informal agreement, or otherwise make a commitment to do any of the foregoing.

Section 6.2 Access to Information. During the Pre-Closing Period, the Company shall afford Acquiror and its Representatives reasonable access (including for inspection and copying) during normal business hours to the Representatives, properties, offices, facilities, books and records of the Company, and shall furnish Acquiror with such financial, operating and other data and information as Acquiror may reasonably request; provided, however, that the Company may restrict the foregoing access to the extent, in the reasonable judgment of the Company, any Law or confidentiality obligation of the Company to any Person requires it to restrict such access or providing such access would result in a loss of privilege or if such access would unreasonably disrupt the operations of the Company (and the Company shall, to the extent practicable, make appropriate substitute arrangements if such restrictions apply). Acquiror shall hold all information received pursuant to this Section 6.2 in confidence in accordance with the terms of the Confidentiality Agreement (as defined below).

Section 6.3 Exclusivity. The Company agrees that between the date of this Agreement and the earlier of the Closing and the termination of this Agreement, the Company shall not, and shall direct its Affiliates and Representatives not to, directly or indirectly (a) solicit, initiate, knowingly encourage or accept any proposal or offer that constitutes, or could reasonably be expected to lead to, an Acquisition Proposal or (b) participate in any discussions, conversations, negotiations or other communications regarding, or furnish to any other Person any information with respect to, or otherwise cooperate in any way, assist or participate in, facilitate or knowingly encourage the submission of, any proposal that constitutes, or could reasonably be expected to lead to, an Acquisition Proposal. The Company immediately shall cease and cause to be terminated all existing discussions, conversations, negotiations and other communications with any Persons conducted heretofore with respect to any of the foregoing. The Company shall promptly notify Acquiror, and in any event within 24 hours, orally and in writing if any such Acquisition Proposal, or any inquiry or other contact with any Person that could reasonably be expected to lead to an Acquisition Proposal, is made. Any such notice to Acquiror shall indicate in reasonable detail the identity of the Person making such Acquisition Proposal, inquiry or other

contact and the material terms and conditions of such Acquisition Proposal, inquiry or other contact. The Company shall not release any Person from, or waive any provision of, any confidentiality or standstill agreement to which the Company is a party relating to any Acquisition Proposal, without the prior written consent of Acquiror. For purposes of this Agreement, “Acquisition Proposal” means any offer or proposal for, or any indication of interest in, any of the following (other than the Merger): (i) any direct or indirect acquisition or purchase of (A) 10% or more of the capital stock or other equity or ownership interest of the Company or (B) 10% or more of the assets of the Company based on the value of such assets on the Balance Sheet (other than inventory to be sold in the ordinary course of business consistent with past practice), (ii) any merger, consolidation or other business combination relating to the Company or (iii) any recapitalization, reorganization or any other extraordinary business transaction involving or otherwise relating to the Company.

Section 6.4 Stockholder Consent; Information Statement.

(a) Within twenty-four (24) hours after the execution of this Agreement, the Company shall deliver to Acquiror the Stockholder Consent, executed by Stockholders representing the Requisite Stockholder Approvals.

(b) As soon as practicable after the execution of this Agreement, the Company shall prepare and deliver an information statement (as the same may be amended and supplemented from time to time, the “Information Statement”) to every Stockholder who did not sign the Stockholder Consent, in accordance with Section 228(e) of the DGCL. The Information Statement shall contain (i) the unanimous recommendation of the Board of Directors of the Company that the Stockholders approve this Agreement and the transactions contemplated hereby and the unanimous conclusion of the Board of Directors of the Company that the terms and conditions of the Merger are fair and reasonable to the Stockholders, (ii) the information required pursuant to Delaware Law, including the notices required pursuant to Sections 228(e) and 262(d)(2) thereof, and (iii) the notice of appraisal rights required pursuant to the DGCL to Stockholders who may elect to exercise such rights under the DGCL in connection with the transactions contemplated hereby. The Company will provide copies of drafts of the Information Statement to Acquiror and will mail the Information Statement to the Stockholders only after Acquiror and its legal counsel shall have approved the disclosure in the Information Statement (such approval not to be unreasonably withheld, delayed or conditioned). Notwithstanding anything to the contrary contained herein, the Company shall not include in the Information Statement any information with respect to Acquiror, Sub or their Affiliates, the form and content of which information shall not have been approved by Acquiror, in its sole discretion, prior to such inclusion. The Company shall promptly advise Acquiror in writing if at any time prior to the Effective Time the Company obtains knowledge of any facts that might make it necessary or appropriate to amend or supplement the Information Statement in order to make the statements contained therein not misleading. Following the mailing of the Information Statement to the Stockholders, the Company shall deliver by any manner permitted by the DGCL any subsequent notice required to be delivered with respect to appraisal rights pursuant to the DGCL.

(c) The Company agrees to use its commercially reasonable efforts to cause the Stockholders that have not previously executed the Stockholder Consent to adopt this Agreement and approve the Merger by executing and joining the Stockholder Consent.

(d) To the extent not delivered prior to the execution and delivery of this Agreement, the Company will timely deliver all notices required to be delivered by the Company to the holders of Preferred Stock, Options, Restricted Stock and Warrants pursuant to the Company Charter or any Contract, as applicable, in connection with the consummation of the transactions contemplated hereby. All such notices will contain all information required to be included therein pursuant to the instruments governing such Equity Participations.

(e) To the extent not validly exercised prior to the execution and delivery of this Agreement, the Consideration Stockholders will validly exercise drag-along rights pursuant to the Stockholder Agreement in connection with the transactions contemplated by this Agreement and will timely deliver all notices and other information required to be delivered to the other parties thereto in connection with the exercise of such rights.

Section 6.5 Equity Plans. Prior to the Effective Time, the Company shall take all actions necessary to ensure that (a) all of the Equity Plans or other equity-based plans shall terminate as of the Effective Time and (b) after the Effective Time, the Company is not bound by any Option, Warrant or other equity-based right that would entitle any Person, other than Acquiror or its Affiliates, to beneficially own, or receive any payments in respect of, any capital stock of the Company or the Surviving Corporation.

Section 6.6 Confidentiality. Each of the parties shall hold, and shall cause its Representatives to hold, in confidence all documents and information furnished to it by or on behalf of any other party to this Agreement in connection with the transactions contemplated hereby pursuant to the terms of the confidentiality agreement dated May 2, 2017, between Acquiror and the Company (the "Confidentiality Agreement"), which shall continue in full force and effect until the Closing Date. If for any reason this Agreement is terminated prior to the Closing Date, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms.

Section 6.7 Commercially Reasonable Efforts; Further Assurances.

(a) Each of the parties shall use all commercially reasonable efforts to take, or cause to be taken, all appropriate action to do, or cause to be done, all things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements as promptly as practicable, including to (i) obtain from all Persons all consents, approvals, authorizations, qualifications and orders as are necessary for the consummation of the transactions contemplated by this Agreement and the Ancillary Agreements, (ii) promptly make all necessary filings, and thereafter make any other required submissions, with respect to this Agreement required under any applicable Law and (iii) have vacated, lifted, reversed or overturned any order, decree, ruling, judgment, injunction or other action (whether temporary, preliminary or permanent) that is in effect and that enjoins, restrains, conditions, makes illegal or otherwise restricts or prohibits the consummation of the transactions contemplated by this Agreement and the Ancillary Agreements. In furtherance and not in limitation of the foregoing, the Stockholder Representative shall permit Acquiror a reasonable opportunity to participate in the defense and settlement of any claim, suit or cause of action relating to this Agreement, the Merger or the other transactions contemplated hereby, and the Stockholder Representative shall not settle or

compromise any such claim, suit or cause of action without Acquiror's prior written consent (which shall not be unreasonably withheld, conditioned or delayed).

(b) The Company shall promptly give notice to the third parties set forth on Schedule 6.7(b) and the Company and Acquiror shall cooperate and use commercially reasonable efforts to obtain the consents required from such third parties (the "Required Consents") in connection with the transactions contemplated by this Agreement and the Ancillary Agreements. The Stockholder Representative and Acquiror agree that, in the event that any other consent, approval or authorization necessary or desirable to preserve for the Company any right or benefit under any lease, license, commitment or other Contract to which the Company is a party has not been obtained prior to Closing, the Stockholder Representative will cooperate with Acquiror in attempting to obtain such consent, approval or authorization as promptly thereafter as practicable.

(c) From time to time after the Closing Date, and for no further consideration, each of the parties shall, and shall cause its Affiliates to, execute, acknowledge and deliver such assignments, transfers, consents, assumptions and other documents and instruments and take such other actions as may be necessary or desirable to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements.

Section 6.8 Termination of Indebtedness. The Company shall negotiate Debt Payoff Letters for all Payoff Indebtedness. The Company shall deliver all notices and take all other actions reasonably requested by Acquiror to facilitate the termination of all Contracts relating to Payoff Indebtedness, the termination of the commitments provided thereunder, the repayment in full of all obligations then outstanding thereunder (using funds provided by Acquiror) and the release of all Encumbrances in connection therewith on the Closing Date; provided, however, that in no event shall this Section 6.8 require the Company to cause the termination of any Contracts relating to Payoff Indebtedness other than as part of the Closing.

Section 6.9 Public Announcements. During the Pre-Closing Period, the parties shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or the transactions contemplated hereby, and none of the parties shall issue any press release or make any public statement prior to obtaining the other parties' written approval, which approval shall not be unreasonably withheld, except that no such approval shall be necessary to the extent disclosure may be required by applicable Law or any listing agreement of any party hereto.

Section 6.10 Termination of Stockholder Agreements. The Company shall, and shall cause the Stockholders to, cause the termination, effective immediately prior to the Effective Time, of all stockholder agreements, investor rights agreements, voting agreements, voting trusts, right of first refusal and co-sale agreements, management rights agreements and all other similar Contracts to which any of them may be party, in each case, without any liability to the Company.

Section 6.11 Registration of Acquiror Shares.

(a) On or prior to September 30, 2018 (but in all cases subject to the limitations set forth in Section 6.11(b) below), Acquiror shall use commercially reasonable efforts to prepare and file with the SEC a registration statement on Form S-3 (the "Registration Statement") providing for the registration and resale, on a continuous or delayed basis pursuant to Rule 415 under the Securities Act, of the Acquiror Shares included in the Merger Consideration and the Share Change of Control Payments; provided, that before filing the Registration Statement or prospectus or any amendments or supplements thereto, Acquiror shall furnish to the counsel selected by the Stockholder Representative copies of all such documents proposed to be filed, which documents shall be subject to the review and reasonable comment of such counsel. Acquiror shall use commercially reasonable efforts to: (i) cause the Registration Statement to be declared effective under the Securities Act by the SEC as soon as reasonably practicable after the date on which the Registration Statement is filed; (ii) keep the Registration Statement continuously effective under the Securities Act until the earlier of (A) the date on which all of the Acquiror Shares covered by such Registration Statement have been sold and (B) the date on which such Acquiror Shares become eligible for resale without restriction and without the need for current public information pursuant to any section of Rule 144 (or any similar provision then in effect) under the Securities Act (such period, the "Effectiveness Period"); (iii) cause all of the Acquiror Shares included in the Merger Consideration to be listed on each securities exchange on which similar securities of the Company are then listed and, if not so listed, to be listed on a securities exchange; (iv) furnish to each Consideration Stockholder and Change of Control Recipient the Registration Statement, each amendment and supplement thereto, the prospectus included in such Registration Statement (including each preliminary prospectus) and each free writing prospectus (as defined in Rule 405 promulgated under the Securities Act) in order to facilitate the disposition of the Acquiror Shares included in the Merger Consideration and Share Change of Control Payments (which obligation of Acquiror shall be deemed satisfied if such documents are filed with or furnished to the SEC and available on EDGAR); (v) provide a transfer agent and registrar for all of the Acquiror Shares included in the Merger Consideration and Share Change of Control Payments not later than the effective date of the Registration Statement; and (vii) make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months beginning with the first day of Acquiror's first full calendar quarter after the effective date of the Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 promulgated under the Securities Act (which obligation of Acquiror shall be deemed satisfied if such documents are filed with or furnished to the SEC and available on EDGAR). The Registration Statement when effective (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any prospectus contained in such Registration Statement, in the light of the circumstances under which a statement is made). As soon as practicable following the date that the Registration Statement becomes effective, but in any event within two Business Days of such date, Acquiror shall provide the Stockholder Representative with written notice of the effectiveness of the Registration Statement. During the Effectiveness Period, Acquiror will prepare and file with the SEC any supplements to the prospectus contained in the Registration Statement or post-effective amendments to the Registration Statement required to be filed by applicable Law in order to

incorporate into such prospectus any information necessary so that (x) the Registration Statement shall not include any untrue statement of material fact or omit to state any material fact necessary in order to make the statements therein not misleading and (y) Acquiror complies with its obligations under Item 512(a)(1) of Regulation S-K.

(b) Notwithstanding anything to the contrary contained in this Agreement:

(i) Acquiror shall not be required to file a Registration Statement (or any amendment thereto) or, if a Registration Statement has been filed but not declared effective by the SEC, request effectiveness of such Registration Statement, for a period of up to 90 days by providing written notice to the Stockholder Representative, if (A) Acquiror's board of directors determines in good faith that a postponement is in the best interest of Acquiror and its stockholders generally due to a pending transaction involving Acquiror (including a pending securities offering by Acquiror, or any proposed financing, acquisition, merger, tender offer, business combination, corporate reorganization, consolidation or other significant transaction involving Acquiror), (B) Acquiror determines, on the advice of counsel, that such registration would render Acquiror unable to comply with applicable securities laws, or (C) Acquiror determines, on advice of counsel, that such registration would require disclosure of material non-public information within the meaning of Regulation FD promulgated under the Exchange Act ("MNPI") not otherwise required to be disclosed under applicable Law; provided, that (1) in no event shall any such period exceed an aggregate of 135 days in any 365-day period and (2) this right, together with the right to suspend use of a Registration Statement pursuant to Section 6.11(b)(ii), may not be exercised more than two times in any 365-day period; and

(ii) Acquiror may, upon written notice to the Stockholder Representative, suspend the use by the Consideration Stockholders and Change of Control Recipients of any prospectus which is a part of the Registration Statement (in which event the Consideration Stockholders shall discontinue sales of the Acquiror Shares pursuant to the Registration Statement but may settle any previously made sales of Acquiror Shares) if (A) Acquiror determines on the advice of counsel that it would be required to make disclosure of MNPI in the Registration Statement not otherwise required to be disclosed under applicable Law or (B) Acquiror has experienced some other material non-public event the disclosure of which at such time, in the good faith judgment of Acquiror's board of directors, would adversely affect Acquiror; provided, that (1) in no event shall the Consideration Stockholders or Change of Control Recipients be suspended from selling Acquiror Shares pursuant to the Registration Statement for a period that exceeds an aggregate of 60 days in any 180-day period or 135 days in any 365-day period and (2) this right, together with the right to delay filing or effectiveness of a the Registration Statement pursuant to Section 6.11(b)(i), may not be exercised more than two times in any 365-day period. Upon disclosure of such information or the termination of the condition described above, Acquiror shall provide prompt notice to the Stockholder Representative, and shall promptly terminate any suspension of sales it has put into effect and shall take such other reasonable actions to permit registered sales of Acquiror Shares.

(c) The Stockholder Representative agrees to furnish to Acquiror, on behalf of each Consideration Stockholder and Change of Control Recipient, not less than five Business Days prior to the date that the Registration Statement will be filed, a completed questionnaire for each Consideration Stockholder and Change of Control Recipient in the form attached hereto as

Exhibit H, duly executed by each Consideration Stockholder and Change of Control Recipient. Acquiror shall have no obligation to include Acquiror Shares held by a Stockholder with respect to whom the Stockholder Representative has failed to furnish such questionnaire, and any other information that Acquiror determines, after consultation with its counsel, is reasonably required in order for the Registration Statement to comply with the Securities Act, within such five Business Day period.

(d) Acquiror shall immediately notify the Stockholder Representative (who shall notify the Consideration Stockholders and Change of Control Recipients) of: (i) the happening of any event as a result of which the prospectus contained in the Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which any such statement is made; (ii) the issuance or express threat of issuance by the SEC of any stop order suspending the effectiveness of the Registration Statement, or the initiation of any proceedings for that purpose; or (iii) the receipt by Acquiror or its counsel of any notification with respect to the suspension of the qualification of any Acquiror Shares for sale under the applicable securities or blue sky laws of any jurisdiction.

(e) Following the provision of the notice contemplated by Section 6.11(d), Acquiror will as promptly as practicable (i) amend or supplement the prospectus or take other appropriate action so that the prospectus does not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing and (ii) take such other commercially reasonable action as is necessary to remove a stop order, suspension, threat thereof or proceedings related thereto.

(f) Upon receipt of notice from the Stockholder Representative pursuant to Section 6.11(d), the Consideration Stockholders and Change of Control Recipients will forthwith discontinue offers and sales of the Acquiror Shares by means of such prospectus until (i) the Consideration Stockholders and Change of Control Recipients have received copies of the supplemented or amended prospectus contemplated by Section 6.12(e) or (ii) the Consideration Stockholders and Change of Control Recipients are advised in writing by the Stockholder Representative (only after having been so advised by Acquiror) that the use of the prospectus may be resumed, and have received copies of any additional or supplemental filings incorporated by reference into the prospectus. If so directed by Acquiror, the Consideration Stockholders and Change of Control Recipients will deliver to the Stockholder Representative (for delivery to Acquiror) all copies in their possession or control of the prospectus covering such Acquiror Shares current at the time of receipt of notice pursuant to Section 6.11(d).

Section 6.12 Employee Matters.

(a) Acquiror agrees to provide any required notice under the WARN Act and to otherwise comply with the WARN Act with respect to any “plant closing” or “mass layoff” (as defined in the WARN Act) occurring on or after the Closing Date or arising as a result of the transactions contemplated hereby. As of the Closing Date, and until December 31, 2018, Acquiror will provide, or cause one of its Subsidiaries or Affiliates (including the Company) to

provide, each employee of the Company as of the Closing (other than employees who resign, die or are terminated) (the “Company Employees”) Company Employee with (i) a base salary or an hourly wage rate that is not less than that provided to such Company Employee by the Company immediately prior to the Closing, (ii) bonus and incentive compensation opportunities that are not less favorable than those provided to such Company Employee by the member of the Company Group immediately prior to the Closing, and (iii) employee benefits that are not less favorable than those provided to such Company Employee by the Company immediately prior to the Closing. Acquiror and its Subsidiaries and Affiliates will treat, and will cause each Plan and each other benefit program, practice, policy and arrangement maintained by Acquiror or any of its Subsidiaries or Affiliates (including the Company) following the Closing and in which any Company Employee (or the spouse, domestic partner or any dependent of any Company Employee) participates or is eligible to participate (each, an “Acquiror Plan”) to treat, for all purposes (including determining eligibility to participate, vesting, benefit accrual and level of benefits), all service with the Company (or predecessor employers if the Company or any Plan provides past service credit) as service with Acquiror and its Subsidiaries and Affiliates. Acquiror will cause each Acquiror Plan that is a welfare benefit plan, within the meaning of Section 3(1) of ERISA, to waive any eligibility waiting periods, actively-at-work requirements, evidence of insurability requirements, pre-existing condition limitations and other exclusions and limitations regarding the Company Employees and their spouses, domestic partners and dependents to the extent waived, satisfied or not included under the corresponding Plan.

(b) Nothing in this Section 6.12 (i) is intended to, or will be construed to, confer upon any Company Employee or any other Person other than the parties to this Agreement any rights or remedies hereunder, including the right to continued employment; or (ii) will establish, amend or be deemed to establish or amend any Plan or any other benefit plan, program, policy or arrangement of Acquiror or any member of the Company Group or will limit the rights of Acquiror or the Company to establish, amend or terminate any Plan or any other benefit plan, program, policy or arrangement, whether before or after Closing.

Section 6.13 Indemnification of Directors and Officers of the Company.

(a) On the Closing Date, the Company shall obtain a prepaid tail policy (the “Tail Policy”) that provides each current (as of immediately prior to the Effective Time) and each former director, manager, officer, employee or agent of the Company (the “Indemnified Employees”) with directors’ and officers’ liability insurance, on terms no less favorable than those set forth in the Company’s current directors’ and officers’ liability insurance policy immediately prior to the execution and delivery of this Agreement, for a period ending no earlier than the sixth anniversary of the Effective Time. All costs and expenses related to obtaining and entering into the tail policy, including the total premium, shall be deemed Transaction Expenses. For a period of six years after the Closing Date, Acquiror will cause the Surviving Corporation to maintain on terms no less favorable than the current terms, and to honor in accordance with such terms, the provisions of the governing documents of the Company as in effect on the date hereof with respect to exculpation and indemnification of the Indemnified Employees (including provisions relating to contribution and advancement of expenses).

(b) The provisions of this Section 6.13 (i) are intended to be for the benefit of, and will be enforceable by, each Indemnified Employee, and each such Person’s heirs, legatees,

representatives, successors, and assigns (and the Parties expressly agree that such Persons will be third-party beneficiaries of this Section 6.13) and (ii) will survive the consummation of a transaction involving the merger, consolidation or other reorganization of Acquiror or the Surviving Corporation and continue in full force and effect and binding against the survivor of any such transaction or successor to Acquiror or the Surviving Corporation. In the event that Acquiror, the Surviving Corporation or any of their respective successors or assigns (A) consolidates with or merges into any other Person and will not be the continuing or surviving corporation or entity in such consolidation or merger or (B) transfers all or at least a majority of its properties and assets to any Person, then, in either such case, proper provision will be made so that the successors and assigns of Acquiror or the Surviving Corporation, as the case may be, will assume all of the obligations set forth in this Section 6.13.

Section 6.14 R&W Insurance Policy. Promptly following the execution and delivery of this Agreement, Acquiror shall bind the R&W Insurance Policy, and execute and enter into the R&W Insurance Policy at or prior to the Closing on substantially the terms set forth on Schedule 1.1(e); provided that Acquiror shall use commercially reasonable efforts to have that the R&W Insurance Policy reflect the reasonable comments of the Company regarding the Protective Provisions.

Acquiror shall prepare or cause to be prepared and file or cause to be timely filed all Tax Returns for the Company for all Tax Periods ending on or before the Closing Date, including any state income or sales Tax returns required to be filed by the Company for Tax Periods ending on or before the Closing Date that were not previously filed during such periods (each, a “Final Pre-Closing Tax Return”). Unless otherwise required by applicable Law, the Acquiror shall prepare such Final Pre-Closing Tax Returns in a manner consistent with the past practice of the Company. Each Final Pre-Closing Tax Return shall be submitted to the Stockholder Representative for review and comment at least 20 days prior to the due date of such Final Pre-Closing Tax Return (including extensions), and Acquiror shall consider in good faith any reasonable comments made by the Stockholder Representative prior to the filing of such Tax Return. Acquiror shall be entitled to recover all reasonable out-of-pocket cost and expenses incurred in connection with the preparation and filing of the Final Pre-Closing Tax Returns from the Escrow Fund. Acquiror shall prepare and timely file (or cause to be prepared and timely filed) all Tax Returns of the Company (each, an “Acquiror Prepared Tax Return”) for any Straddle Period. Unless otherwise required by applicable Law, Acquiror shall prepare such Acquiror Prepared Tax Returns in a manner consistent with the past practices of the Company. Acquiror shall submit such Acquiror Prepared Tax Returns to the Stockholder Representative for review and comment at least 20 days prior to the due date of such Tax Return (including extensions), and Acquiror shall consider in

good faith any reasonable comments made by the Stockholder Representative prior to the filing of such Tax Return.

Section 7.2 Tax Cooperation. Acquiror, the Company, and the Stockholder Representative shall reasonably cooperate, as and to the extent reasonably requested by the other party, in connection with the filing of Tax Returns pursuant to this Agreement and any audit, litigation or other proceeding with respect to Taxes. Such cooperation shall include the retention and (upon the other party's request) the provision of records and information which are reasonably relevant to any such audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Acquiror, the Company, and the Stockholder Representative agree (a) to retain all books and records with respect to Tax matters pertinent to the Company relating to any Pre-Closing Tax Period until the expiration of the statute of limitations (and any extensions thereof) of the respective taxable periods, and to abide by all record retention agreements entered into with any Governmental Authority; and (b) to give the other party reasonable written notice prior to transferring, destroying or discarding any such books and records and, if the other party so requests, Acquiror, the Company, and the Stockholder Representative, as the case may be, shall allow the other party to take possession or to prepare copies of such books and records at such other party's expense.

Section 7.3 Tax Proceedings. If, subsequent to the Closing, Acquiror or the Company becomes involved in any proceeding involving Taxes with respect to any Pre-Closing Tax Period (a "Tax Proceeding"), then promptly after becoming involved in such Tax Proceeding, Acquiror shall notify the Stockholder Representative thereof. Acquiror shall have the right to control the conduct and resolution of any Tax Proceeding; provided, that Acquiror shall keep the Stockholder Representative reasonably informed of all material developments in such Tax Proceeding on a timely basis and consider in good faith any reasonable input of the Stockholder Representative with respect to the conduct and resolution of such Tax Proceeding. Section 7.4 Transfer Taxes. Except as otherwise set forth in this Agreement, all transfer, documentary, sales, use, stamp, duty, recording, registration and other substantially similar Taxes and fees (including any penalties and interest) incurred in connection with the transactions contemplated by this Agreement (collectively, "Transfer Taxes") shall be borne equally by the Consideration Stockholders and Acquiror. The Company shall be responsible for preparing and filing all Tax Returns or other applicable documents in connection with all Transfer Taxes, to the extent permitted by applicable Law; provided, however, that Acquiror and the Stockholder Representative shall cooperate with the Company in the preparation and filing of all Tax Returns or other applicable documents for or with respect to Transfer Taxes, including timely signing and delivering such Tax Returns, documents, and certificates as may be necessary or appropriate to file such Tax Returns or establish an exemption from (or otherwise reduce) Transfer Taxes.

Section 7.5 Tax Sharing Agreements. All Tax sharing agreements or similar agreements with respect to or involving the Company (other than customary commercial agreements the primary subject of which is not Taxes) shall be terminated as of the Closing Date

and, after the Closing Date, neither Acquiror nor the Company shall be bound thereby or have any liability thereunder.

Section 7.6 Tax Refunds. Any Tax refunds that are actually received by Acquiror or the Surviving Corporation (including any overpayment that may be applied on an elective basis against Taxes due in subsequent periods) that relate to Taxes of the Company for a Pre-Closing Tax Period or the pre-Closing portion of a Straddle Period, to the extent such refunds were not taken into account in the calculation of the Merger Consideration, shall be for the benefit of the Consideration Stockholders, and Acquiror shall pay or cause to be paid over to the Stockholder Representative (for the account of the Consideration Stockholders) any such refund within five Business Days after receipt thereof or actual reduction of Tax payable.

**ARTICLE IX
INDEMNIFICATION**

Section 9.1 Survival.

(a) The representations, warranties, covenants and agreements of the Company, the Stockholder Representative, Acquiror and Sub, as applicable, contained in this Agreement and the Ancillary Agreements and any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby shall survive the Closing until the second anniversary of the Closing Date; provided, however, that in the case of Fraud, all representations and warranties shall survive for a period of 20 years; and

(b) None of the Consideration Stockholders, Acquiror or Sub shall have any liability with respect to any representations, warranties, covenants or agreements unless notice of an actual or threatened claim, or of discovery of any facts or circumstances that Acquiror or the Stockholder Representative, as the case may be, reasonably believes may result in a claim, hereunder is given to the other party prior to the expiration of the survival period, if any, for such representation, warranty, covenant or agreement, in which case such representation, warranty, covenant or agreement shall survive as to such claim until such claim has been finally resolved, without the requirement of commencing any Action in order to extend such survival period or preserve such claim.

Section 9.2 Indemnification by the Consideration Stockholders. The Consideration Stockholders, severally in accordance with each Consideration Stockholder's Pro Rata Portion and not jointly, shall save, defend, indemnify and hold harmless Acquiror, Sub, the Surviving Corporation and their Affiliates, and the respective Representatives, successors and assigns of each of the foregoing (each, an "Acquiror Indemnified Party") from and against, and shall compensate and reimburse each of the foregoing for, any and all losses, damages, liabilities, deficiencies, claims, interest, awards, judgments, penalties, costs and expenses (including attorneys' fees, costs and other out-of-pocket expenses incurred in investigating, preparing or defending the foregoing) (hereinafter collectively, "Losses"), asserted against, incurred, sustained or suffered by any of the foregoing as a result of, arising out of or relating to:

(a) any breach of any representation or warranty made by the Company contained in this Agreement or any schedule, certificate or other document delivered pursuant hereto in connection with the transactions contemplated hereby (without giving effect to any limitations or qualifications as to materiality or Material Adverse Effect);

(b) any breach of any covenant or agreement of (i) the Company requiring performance at or prior to the Closing, or (ii) the Stockholder Representative, contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered by the Company, the Stockholder Representative or any Consideration Stockholder pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby;

(c) any Transaction Expenses or Indebtedness that shall not have been fully paid on the Closing Date or included in the computation of Closing Merger Consideration, as finally determined pursuant to Section 3.5;

(d) (i) any exercise by any Stockholder of appraisal rights under the DGCL and (ii) any Action brought or threatened by any Stockholder arising out of or relating to (A) the transactions contemplated by this Agreement (including any process run by or on behalf of the Company to sell the Company) or (B) the Information Statement, in each case to the extent not covered by the Tail Policy (including as a result of the deductible under the Tail Policy not being reached or because the policy limit of the Tail Policy would be exceeded);

(e) any royalties that were due and payable by the Company or for which the Company otherwise became liable prior to the Closing that are delinquent by more than 90 days in their payment; and

(f) the matters described on Schedule 9.2(f).

Section 9.3 Indemnification by Acquiror. Acquiror shall save, defend, indemnify and hold harmless the Consideration Stockholders and their Affiliates and the respective Representatives, successors and assigns of each of the foregoing (each, a "Stockholder Indemnified Party") from and against, and shall compensate and reimburse each of the foregoing for, any and all Losses asserted against, incurred, sustained or suffered by any of the foregoing as a result of, arising out of or relating to:

(a) any breach of any representation or warranty made by Acquiror or Sub contained in this Agreement or any schedule, certificate or other document delivered pursuant hereto or in connection with the transactions contemplated hereby (without giving effect to any limitations or qualifications as to materiality or Acquiror Material Adverse Effect); and

(b) any breach of any covenant or agreement by Acquiror or Sub contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby.

Section 9.4 Procedures.

(a) A party seeking indemnification (the "Indemnified Party") in respect of, arising out of or involving a Loss or a claim or demand made by any person against the Indemnified Party (a "Third-Party Claim") shall deliver notice (a "Claim Notice") in respect thereof to the Stockholder Representative, on behalf of the Consideration Stockholders, or to Acquiror, as applicable (the "Indemnifying Party") with reasonable promptness, and in any case within 30 days, after receipt by such Indemnified Party of notice of the Third-Party Claim, and shall provide the Indemnifying Party with such information with respect thereto as the Indemnifying Party may reasonably request. The failure to deliver a Claim Notice, however, shall not release the Indemnifying Party from any of its obligations under this Article IX except to the extent that the Indemnifying Party is materially prejudiced by such failure.

(b) The Indemnifying Party shall have the right, upon written notice to the Indemnified Party within 20 days of receipt of a Claim Notice from the Indemnified Party in respect of such Third-Party Claim, to assume the defense thereof at the expense of the Indemnifying Party (which expenses shall not be applied against any indemnity limitation herein) with counsel selected by the Indemnifying Party and reasonably satisfactory to the Indemnified Party. Notwithstanding the foregoing, the Indemnifying Party shall not be entitled to assume the defense of any Third-Party Claim for equitable or injunctive relief or any claim that would impose criminal liability, and the Indemnified Party shall have the right to defend, at the expense of the Indemnifying Party, any such Third-Party Claim, with counsel selected by the Indemnified Party and reasonably satisfactory to the Indemnifying Party. The Indemnifying Party shall be liable for the fees and expenses of counsel employed by the Indemnified Party that otherwise qualify as indemnifiable Losses under this Article IX for any period during which the Indemnifying Party has failed to assume the defense thereof. If the Indemnifying Party does not expressly elect to assume the defense of such Third-Party Claim within the time period and otherwise in accordance with the first sentence of this Section 9.4(b), the Indemnified Party shall have the sole right to assume the defense of and to settle such Third-Party Claim. If the Indemnifying Party assumes the defense of such Third-Party Claim, the Indemnified Party shall have the right to employ separate counsel and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party unless (i) the employment of such counsel shall have been specifically authorized in writing by the Indemnifying Party, (ii) the named parties to the Third-Party Claim (including any impleaded parties) include both the Indemnified Party and the Indemnifying Party, and the Indemnified Party shall have been advised by such counsel that there are one or more legal defenses available to it that are different from or additional to those available to the Indemnifying Party or (iii) the Indemnifying Party is not defending such Third-Party Claim in good faith. In any of the circumstances described in the foregoing clauses (i) through (iii), the fees and expenses of separate counsel for the Indemnified Party shall be at the expense of the Indemnifying Party. If the Indemnifying Party assumes the defense of any Third-Party Claim, the Indemnified Party shall, at the Indemnifying Party's expense, cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as are reasonably required by the Indemnifying Party. If the Indemnifying Party assumes the defense of any Third-Party Claim, the Indemnifying Party shall not, without the prior written consent of the Indemnified Party, enter into any settlement or compromise or consent to the entry of any judgment with respect to such Third-Party Claim if such settlement, compromise or judgment (A) involves a finding or admission of wrongdoing, (B) does not include an unconditional written release by the claimant or plaintiff of the Indemnified Party from all liability in respect of such Third-Party Claim or (C) imposes equitable remedies or any obligation on the Indemnified Party other than solely the payment of money damages for which the Indemnified Party will be indemnified hereunder. Notwithstanding the foregoing, with respect to any Third-Party Claim for which an Acquiror Indemnified Party's sole and exclusive remedy with respect to any related Losses would be to make a claim under the R&W Insurance Policy, the Acquiror Indemnified Party shall timely deliver a Claim Notice to the Stockholder Representative pursuant to Section 9.4(a), but the provisions of this Section 9.4(b) shall not apply.

(c) An Indemnified Party seeking indemnification in respect of, arising out of or involving a Loss or a claim or demand hereunder that does not involve a Third-Party Claim being asserted against or sought to be collected from such Indemnified Party (a “Direct Claim”) shall deliver a Claim Notice in respect thereof to the Indemnifying Party with reasonable promptness, and in any case within 30 days, after becoming aware of facts supporting such Direct Claim, and shall provide the Indemnifying Party with such information with respect thereto as the Indemnifying Party may reasonably request. The failure to deliver a Claim Notice, however, shall not release the Indemnifying Party from any of its obligations under this Article IX except to the extent that the Indemnifying Party is materially prejudiced by such failure and shall not relieve the Indemnifying Party from any other obligation or liability that it may have to the Indemnified Party or otherwise than pursuant to this Article IX. If the Indemnifying Party does not notify the Indemnified Party within 20 days following its receipt of a Claim Notice in respect of a Direct Claim that the Indemnifying Party disputes its liability to the Indemnified Party hereunder, such Direct Claim specified by the Indemnified Party in such Claim Notice shall be conclusively deemed a liability of the Indemnifying Party hereunder and the Indemnifying Party shall pay the amount of such liability to the Indemnified Party on demand. If the Indemnifying Party agrees that it has an indemnification obligation but asserts that it is obligated to pay a lesser amount than that claimed by the Indemnified Party, the Indemnifying Party shall pay such lesser amount in accordance with this Article IX promptly to the Indemnified Party, without prejudice to or waiver of the Indemnified Party’s claim for the difference. Notwithstanding the foregoing, with respect to any Direct Claim for which an Acquiror Indemnified Party’s sole and exclusive remedy with respect to any related Losses would be to make a claim under the R&W Insurance Policy, the Acquiror Indemnified Party shall timely deliver a Claim Notice to the Stockholder Representative pursuant to this Section 9.4(c), but the remaining provisions of this Section 9.4(c) shall not apply.

(d) The Indemnifying Party shall not be entitled to require that any action be made or brought against any other Person before action is brought or claim is made against it hereunder by the Indemnified Party.

(e) Notwithstanding the provisions of Section 11.9, each Indemnifying Party hereby consents to the nonexclusive jurisdiction of any court in which an Action in respect of a Third-Party Claim is brought against any Indemnified Party for purposes of any claim that an Indemnified Party may have under this Agreement with respect to such Action or the matters alleged therein and agrees that process may be served on each Indemnifying Party with respect to such claim anywhere.

Section 9.5 Limits on Indemnification. Notwithstanding anything to the contrary contained in this Agreement:

(a) The Consideration Stockholders shall not be liable for any claim for indemnification pursuant to Section 9.2(a), unless and until the aggregate amount of indemnifiable Losses which may be recovered from the Consideration Stockholders pursuant to Section 9.2(a) equals or exceeds the Basket Amount, in which case the Consideration Stockholders shall be liable only for Losses in excess of the Basket Amount; provided, that the limit provided for in this clause (a) shall not apply in the event of Fraud.

(b) The maximum aggregate amount of indemnifiable Losses which may be recovered from the Consideration Stockholders resulting from, arising out of or relating to the causes set forth in Section 9.2(a) shall be an amount equal to the Cap; provided, that the limit provided for in this clause (b) shall not apply (i) to any Losses resulting from, arising out of or relating to the inaccuracy or breach of any Fundamental Representation or (ii) in the event of Fraud;

(c) (i) The maximum aggregate amount of indemnifiable Losses that may be recovered from the Consideration Stockholders resulting from, arising out of or relating to the causes set forth in Section 9.2 shall be the Escrow Amount; provided, that the limit provided for in this clause (c)(i) shall not apply in the event of Fraud, in which case the maximum amount of indemnifiable Losses which may be recovered from such Consideration Stockholders shall be limited to the value of the Merger Consideration (with the value of the Stock Consideration calculated using the Closing Acquiror Share Value) actually received hereunder and (ii) the maximum liability of any Consideration Stockholder under this Article IX shall be limited to such Consideration Stockholder's Pro Rata Portion of the Escrow Amount; provided, that the limit provided for in this clause (c)(ii) shall not apply in the event of Fraud, in which case the maximum amount of indemnifiable Losses which may be recovered from any Consideration Stockholder shall be limited to the value of the Merger Consideration (with the value of the Stock Consideration calculated using the Closing Acquiror Share Value) actually received hereunder by such Consideration Stockholder.

(d) Acquiror shall not be liable for any claim for indemnification pursuant to Section 9.3(a), unless and until the aggregate amount of indemnifiable Losses that may be recovered from Acquiror equals or exceeds the Basket Amount, in which case Acquiror shall be liable only for Losses in excess of that amount; provided, that the limit provided for in this clause (d) shall not apply in the event of Fraud.

(e) The maximum aggregate amount of indemnifiable Losses that may be recovered from Acquiror resulting from, arising out of or relating to the causes set forth in Section 9.3 shall be \$1,850,000; provided, that the limit provided for in this clause (e) shall not apply in the event of Fraud.

(f) In no event shall any punitive or exemplary Losses be subject to indemnification hereunder unless such Losses are actually awarded to a third party.

(g) The amount of any Losses that are subject to indemnification by an Indemnifying Party under this Article IX shall be calculated net of the amount of any proceeds actually received by the Indemnified Party from insurance or any other third party in respect of such Losses (net of costs and expenses incurred in connection with the recovery of such proceeds and any increase in insurance premium associated therewith). If any such proceeds are received with respect to any Losses after payment has been made to an Indemnified Party with respect thereto under this Article IX, the Indemnified Party shall promptly, (i) if the Indemnified Party is an Acquiror Indemnified Party and such proceeds are received prior to the Final Release Date, deliver the amount of such proceeds (net of costs and expenses incurred in connection with the recovery of such proceeds and any increase in insurance premium associated therewith) to the Escrow Agent for deposit into the Escrow Fund, or (ii) if the Indemnified Party is a Stockholder

Indemnified Party, or an Acquiror Indemnified Party and such proceeds are received after the Final Release Date, deliver the amount of such proceeds (net of costs and expenses incurred in connection with the recovery of such proceeds and any increase in insurance premium associated therewith) to the Indemnifying Party. This Section 9.5(e) shall not apply with respect to insurance proceeds recovered under the R&W Insurance Policy.

(h) For purposes of calculating the indemnifiable Losses that may be recovered pursuant to Section 9.2, the amount of any indemnifiable Losses shall be determined without duplication of any other Loss for which indemnification has been provided and shall be computed net of any amounts specifically related to such Losses that are actually included in the calculation of Closing Merger Consideration (as adjusted pursuant to Section 3.5).

Section 9.6 R&W Insurance Policy; Escrow Fund.

(a) The parties hereby agree that:

(i) With respect to any claim for indemnifiable Losses asserted pursuant to Section 9.2(a) (other than any claim arising out of or relating to the inaccuracy or breach of any Fundamental Representation, or of any representation or warranty in the event of Fraud), an Acquiror Indemnified Party shall seek a remedy (A) first, from the Escrow Fund, to the extent that the aggregate amount of indemnifiable Losses which may be recovered from the Consideration Stockholders pursuant to Section 9.2(a) exceeds the Basket Amount, and only until the aggregate amount of all indemnifiable Losses pursuant to Section 9.2(a) equals the Cap and (B) second, by making and diligently pursuing a claim under the R&W Insurance Policy, which shall constitute the Acquiror Indemnified Party's sole remaining source of recovery with respect to such claim for indemnifiable Losses.

(ii) With respect to any claim for indemnifiable Losses asserted pursuant to Section 9.2(a) that arises out of or relates to the inaccuracy or breach of any Fundamental Representation (other than in the event of Fraud), an Acquiror Indemnified Party shall seek a remedy (A) first, from the Escrow Fund, to the extent that the aggregate amount of indemnifiable Losses which may be recovered from the Consideration Stockholders pursuant to Section 9.2(a) exceeds the Basket Amount, and only until the aggregate amount of all indemnifiable Losses pursuant to Section 9.2(a) equals the Cap, (B) second, by making and diligently pursuing a claim under the R&W Insurance Policy (to the extent that the policy limit under the R&W Insurance Policy has not been exhausted), and (C) third, solely to the extent that all such indemnifiable Losses are not recovered by the Acquiror Indemnified Party under the R&W Insurance Policy, from the Escrow Fund, which shall constitute the Acquiror Indemnified Party's sole remaining source of recovery with respect to such claim for indemnifiable Losses.

(iii) With respect to any claim for indemnifiable Losses asserted pursuant to Section 9.2 (other than as described in Section 9.6(a)(i) and (ii) or in the event of Fraud), the sole and exclusive remedy of an Acquiror Indemnified Party will be to seek a remedy from the Escrow Fund.

(iv) Acquiror will not consent to or otherwise permit the amendment or waiver of the Protective Provisions of the R&W Insurance Policy without the prior written consent of the Stockholder Representative.

(v) Nothing in this Section 9.6(a) shall be deemed to limit the rights of, or remedies available to, any Acquiror Indemnified Party in the event of Fraud.

(b) On the date that is six months following the Closing Date (the “First Release Date”), Acquiror and the Stockholder Representative will deliver joint written instructions to the Escrow Agent, directing the Escrow Agent to deliver cash and Acquiror Shares (valued at the Closing Acquiror Share Value) equal in value to the First Escrow Release Value, 50% of which will consist of cash and 50% of which will consist of Acquiror Shares, to the Consideration Stockholders in accordance with Section 2.6, first to the holders of Series E Preferred Stock to the extent that the consideration set forth in Section 2.6(c) has not been paid in full, then to the holder of Series D Preferred Stock.

(c) On the second anniversary of the Closing Date (the “Final Release Date”), Acquiror and the Stockholder Representative will deliver joint written instructions to the Escrow Agent, directing the Escrow Agent to deliver any Acquiror Shares and cash remaining in the Escrow Fund (less the amount of Acquiror Shares and cash reasonably necessary to satisfy any outstanding claim for indemnification by any Acquiror Indemnified Party for which a Claim Notice has been delivered to the Stockholder Representative) to the Consideration Stockholders in accordance with Section 2.6, first to the holders of Series E Preferred Stock to the extent that the consideration set forth in Section 2.6(c) has not been paid in full, then to the holder of Series D Preferred Stock. With respect to Acquiror Shares and cash remaining in the Escrow Fund for outstanding claims for indemnification by any Acquiror Indemnified Party for which a Claim Notice has been delivered prior to the Final Release Date, upon the resolution of each such claim, the Acquiror Shares and cash remaining in the Escrow Fund that are no longer needed to satisfy the remaining outstanding claims shall be delivered to the Consideration Stockholders in accordance with Section 2.6, first to the holders of Series E Preferred Stock to the extent that the consideration set forth in Section 2.6(c) has not been paid in full, then to the holder of Series D Preferred Stock.

(d) Following the final release of the Escrow Fund in accordance with Section 9.6(c) (or with respect to outstanding claims for indemnification by any Acquiror Indemnified Party for which a Claim Notice has been delivered prior to the Final Release Date, upon the resolution of each such claim), no Acquiror Indemnified Party shall have any further remedy under this Article IX or otherwise for any breach of any representation, warranty, covenant or other claim arising out of or relating to this Agreement and the transactions contemplated hereby; provided, however, that the foregoing sentence shall not be deemed a waiver by any party of any right to specific performance or injunctive or equitable relief, or any right or remedy arising from a criminal Action or by reason of any claim for Fraud or to any rights under the R&W Insurance Policy.

Section 9.7 Treatment of Adjustments: Value of Acquiror Shares. The Stockholders, on the one hand, and Acquiror and Sub, on the other hand, agree that, unless otherwise required by Law, all payments made by or on behalf of either of them to or for the benefit of the other

(including any payments to the Company) under this Article IX shall be treated as adjustments to the consideration payable pursuant to this Agreement for Tax purposes and that such treatment shall govern for purposes hereof. For purposes of this Article IX, Acquiror Shares held in the Escrow Fund and released to Acquiror therefrom in satisfaction of indemnifiable Losses shall be valued at the Closing Acquiror Share Value.

Section 9.8 Remedies. From and after the Closing Date, this Article IX shall be the sole and exclusive remedy of the Acquiror Indemnified Parties and the Stockholder Indemnified Parties for any breach of any representation, warranty, covenant or other claim arising out of or relating to this Agreement and the transactions contemplated hereby; provided, however, that the foregoing sentence shall not be deemed a waiver by any party of any right to specific performance or injunctive or equitable relief, or any right or remedy arising from a criminal Action or by reason of any claim for Fraud.

ARTICLE X TERMINATION

Section 10.1 Termination. This Agreement may be terminated at any time prior to the Closing:

- (a) by mutual written consent of Acquiror and the Company;
- (b) by Acquiror, if the Stockholder Representative fails to deliver the Stockholder Consent to the Secretary of the Company (with a copy to Acquiror), executed as described in Section 6.4, within twenty-four (24) hours after the execution of this Agreement;
- (c) (i) by the Company, if Company is not then in material breach of its obligations under this Agreement and Acquiror or Sub breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement and such breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 8.2, (B) cannot be or has not been cured within 15 days following delivery of written notice of such breach or failure to perform and (C) has not been waived by the Company or (ii) by Acquiror, if Acquiror or Sub is not then in material breach of its obligations under this Agreement and the Company breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement and such breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 8.3, (B) cannot be or has not been cured within 15 days following delivery of written notice of such breach or failure to perform and (C) has not been waived by Acquiror;
- (d) by either the Company or Acquiror if the Merger shall not have been consummated by September 14, 2018; provided, that the right to terminate this Agreement under this Section 10.1(d) shall not be available if the failure of the party so requesting termination to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Merger to be consummated on or prior to such date; or
- (e) by either the Company or Acquiror in the event that any Governmental Authority shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such

order, decree, ruling or other action shall have become final and nonappealable; provided, that Acquiror and Sub (if Acquiror is so requesting termination) or the Company (if it is so requesting termination), as the case may be, shall have used their commercially reasonable efforts, in accordance with Section 6.7, to have such order, decree, ruling or other action vacated.

The party seeking to terminate this Agreement pursuant to this Section 10.1 (other than Section 10.1(a)) shall give prompt written notice of such termination to the other party.

Section 10.2 Effect of Termination.

(a) In the event of termination of this Agreement as provided in Section 10.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party except (i) for the provisions Section 3.24 relating to broker's fees and finder's fees, Section 6.6 relating to confidentiality, Section 6.9 relating to public announcements, this Section 10.2, Section 10.3 relating to fees and expenses and Article XI, and (ii) that nothing herein shall relieve either party from liability for any breach of this Agreement or for Fraud.

(b) The parties acknowledge that the agreements contained in this Section 10.2 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, none of the parties would have entered into this Agreement.

Section 10.3 Fees and Expenses. Except as otherwise provided herein, all fees and expenses incurred in connection with or related to this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby shall be paid by the party incurring such fees or expenses, whether or not such transactions are consummated; provided, that if the transactions contemplated hereby are consummated, Transaction Expenses shall be borne and paid as provided in this Agreement. In the event of termination of this Agreement, the obligation of each party to pay its own expenses will be subject to any rights of such party arising from a breach of this Agreement by the other.

**ARTICLE XI
GENERAL PROVISIONS**

Section 11.1 Amendment and Modification. This Agreement may be amended, modified or supplemented by the parties by a written instrument signed by each of the parties hereto and, in the case of the Company, Acquiror and Sub, authorized by their respective Boards of Directors at any time prior to the Closing (notwithstanding any stockholder approval); provided, however, that after the Requisite Stockholder Approvals are obtained, no amendment shall be made which pursuant to applicable Law requires further approval by such Stockholders without such further approval. Following the Closing, this Agreement may be amended, modified or supplemented by a written instrument signed by Acquiror and the Stockholder Representative. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing specifically designated in writing as an amendment hereto.

Section 11.2 Extension. At any time prior to the Effective Time, the parties, by action taken or authorized by their respective Boards of Directors, may, to the extent permitted by applicable Law, extend the time for the performance of any of the obligations or other acts of the

parties. Any agreement on the part of a party to any such extension shall be valid only if set forth in a written instrument executed and delivered by a duly authorized officer on behalf of such party.

Section 11.3 Waiver. At any time prior to the Effective Time, the parties may, to the extent permitted by applicable Law, (a) waive any inaccuracies in the representations and warranties of the other parties contained in this Agreement or any document delivered pursuant hereto or (b) subject to applicable Law, waive compliance with any of the agreements or conditions of the other parties contained herein. Any agreement on the part of a party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by a duly authorized officer on behalf of such party. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder.

Section 11.4 Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly given (a) on the date of delivery if delivered personally, or if by facsimile or e-mail, upon written confirmation of receipt by facsimile, e-mail or otherwise, (b) on the first Business Day following the date of dispatch if delivered utilizing a next-day service by a recognized next-day courier or (c) on the earlier of confirmed receipt or the fifth Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid. Section 11.5 Interpretation. When a reference is made in this Agreement to a Section, Article, Exhibit or Schedule such reference shall be to a Section, Article, Exhibit or Schedule of this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement or in any Exhibit or Schedule are for convenience of reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All words used in this Agreement will be construed to be of such gender or number as the circumstances require. Any capitalized terms used in any Exhibit or Schedule but not otherwise defined therein shall have the meaning as defined in this Agreement. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth herein.

The word “including” and words of similar import when used in this Agreement will mean “including, without limitation,” unless otherwise specified. The words “hereof,” “herein” and “hereunder” and words of similar import when used in this Agreement shall refer to the Agreement as a whole and not to any particular provision in this Agreement. The term “or” is not exclusive. The word “will” shall be construed to have the same meaning and effect as the word “shall.” References to days mean calendar days unless otherwise specified.

Section 11.6 Entire Agreement. This Agreement (including the Exhibits and Schedules hereto), the Ancillary Agreements and the Confidentiality Agreement constitute the entire agreement, and supersede all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings among the parties with respect to the subject matter hereof and thereof. Notwithstanding any oral agreement or course of conduct of the parties or their Representatives to the contrary, no party to this Agreement shall be under any legal obligation to enter into or complete the transactions contemplated hereby unless and until this Agreement shall have been executed and delivered by each of the parties.

Section 11.7 Third-Party Beneficiaries. Except as provided in Section 6.13 and Article IX, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties and their respective successors and permitted assigns any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement.

Section 11.8 Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware.

Section 11.9 Submission to Jurisdiction. Each of the parties irrevocably agrees that any legal action or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns against any other party shall be brought and determined in the Court of Chancery of the State of Delaware, provided, that if jurisdiction is not then available in the Court of Chancery of the State of Delaware, then any such legal action or proceeding may be brought in any federal court located in the State of Delaware or any other Delaware state court. Each of the parties hereby irrevocably submits to the exclusive jurisdiction of the aforesaid courts for itself and with respect to its property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the parties agrees not to commence any action, suit or proceeding relating thereto except in the courts described above in Delaware, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in Delaware as described herein. Each of the parties further agrees that notice as provided herein shall constitute sufficient service of process and the parties further waive any argument that such service is insufficient. Each of the parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, (a) any claim that it is not personally subject to the jurisdiction of the courts in Delaware as described herein for any reason, (b) that it or its property is exempt or immune from

jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) that (i) the suit, action or proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Agreement, or the subject matter hereof, may not be enforced in or by such courts. Notwithstanding the foregoing, the parties agree that disputes with respect to the matters referenced in Section 3.5 shall be resolved by the Independent Accounting Firm as provided therein.

Section 11.10 Assignment; Successors. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any party without the prior written consent of Acquiror (in the case of an assignment by the Company) or the Company (in the case of an assignment by Acquiror or Sub), and any such assignment without such prior written consent shall be null and void; provided, however, that Acquiror or Sub may assign this Agreement to any Affiliate of Acquiror without the prior consent of the Company; provided further, that no assignment shall limit the assignor's obligations hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 11.11 Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware; provided, that if jurisdiction is not then available in the Court of Chancery of the State of Delaware, then in any federal court located in the State of Delaware or any other Delaware state court, this being in addition to any other remedy to which such party is entitled at law or in equity. Each of the parties hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security as a prerequisite to obtaining equitable relief.

Section 11.12 Currency. All references to "dollars" or "\$" or "US\$" in this Agreement or any Ancillary Agreement refer to United States dollars, which is the currency used for all purposes in this Agreement and any Ancillary Agreement.

Section 11.13 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 11.14 Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 11.15 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party.

Section 11.16 Facsimile or .pdf Signature. This Agreement may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.

Section 11.17 No Presumption Against Drafting Party. Each of Acquiror, Sub and the Company acknowledges that each party to this Agreement has been represented by legal counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

Section 11.18 Disclosure Schedules. All representations and warranties of the Company in this Agreement are made subject to and modified by the exceptions noted in the schedules delivered by the Company to Acquiror concurrently herewith and identified as the "Disclosure Schedules." Any item disclosed in the Disclosure Schedule referenced by a particular section in this Agreement will be deemed to have been disclosed with respect to every other section in this Agreement if the relevance of such disclosure to such other section is reasonably apparent on its face. Information reflected in the Disclosure Schedule is not necessarily limited to matters required by this Agreement to be reflected in the Disclosure Schedule. Such additional information is set forth for informational purposes and does not necessarily include other matters of a similar nature. Disclosure of such additional information will not be deemed to constitute an acknowledgment that such information is required to be disclosed, and disclosure of such information will not be deemed to enlarge or enhance any of the representations or warranties in this Agreement or otherwise alter in any way the terms of this Agreement. Inclusion of information in the Disclosure Schedule will not be construed as an admission that such information is material to the business, assets, liabilities, financial position, operations or results of operations of the Company.

Section 11.19 Legal Representation.

(a) Each of the parties acknowledges that Perkins Coie LLP ("PC") currently serves as counsel to the Company, including in connection with the negotiation, preparation, execution and delivery of this Agreement, the other Ancillary Agreements and the consummation of the transactions contemplated by this Agreement. There may come a time, including after the consummation of the transactions contemplated by this Agreement, when the interests of the Stockholders and the Company may no longer be aligned. The Parties understand and specifically agree that PC may, in connection with the transactions contemplated by this

Agreement and the other Ancillary Agreements, represent the Stockholders and the Stockholder Representative, even if the interests of the Stockholders and the interests of the Company or the Surviving Corporation are or may be adverse, including in connection with any dispute arising out of or relating to this Agreement or the transactions contemplated hereby, and even though PC may have represented the Company in a matter substantially related to such dispute or may be handling ongoing matters for the Company or any of its Affiliates, and Acquiror, Sub, and the Company hereby consent thereto and waive any conflict of interest arising therefrom.

(b) Notwithstanding anything to the contrary contained herein, the parties intend that all communications at or prior to the Closing between the Company (or any of its directors, officers, employees, Affiliates, Stockholders, agents or other Representatives), on the one hand, and its attorneys, on the other hand, relating to the negotiation of the transactions contemplated by this Agreement and any alternative transactions (collectively, the “Communications”), and all associated rights to assert, waive and otherwise administer the attorney-client privilege and rights of confidentiality of the Company (or any of its directors, officers, employees, Affiliates, Stockholders, agents or other Representatives) (the “Associated Rights”), will, from and after the Closing, rest exclusively with the Stockholders and the Stockholder Representative and will not be transferred, assigned, conveyed or delivered, by operation of law or otherwise, to Acquiror, Sub or any of their respective Affiliates (including, after the Closing, the Surviving Corporation) or any successor or assign of any of the foregoing (collectively, the “Acquiror Group”). Accordingly, the parties hereby agree that, as of immediately prior to the Closing, for the consideration set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged: (i) all Communications and Associated Rights are, and will be deemed for all purposes, transferred, assigned, conveyed and delivered in full to the Stockholders, and (ii) no member of the Acquiror Group (including, after the Closing, the Surviving Corporation) will have any right, title, interest or benefit in or to any of the Communications or any Associated Rights. Without limiting the foregoing, the parties acknowledge the decision of the Delaware Chancery Court in *Great Hill Equity Partners IV, LP, et al. v. SIG Growth Equity Fund, I, LLLP, et al.* (Civil Action No. 7905-CS, November 15, 2013) and desire to expressly exclude the Communications and Associated Rights from the assets, rights, privileges and benefits of the Company that might otherwise be transferred or assigned to any member of the Acquiror Group by operation of law or otherwise.

FOR IMMEDIATE RELEASE

VERITONE® ONE SIGNS AGREEMENT TO ACQUIRE PERFORMANCE BRIDGE MEDIA, WILL EXPAND MARKET SHARE TO OVER 25% OF ALL US-BASED PODCAST AD REVENUE

COSTA MESA, Calif. – August 13, 2018 - (BUSINESS WIRE) – Veritone One, a subsidiary of Veritone, Inc. (NASDAQ: VERI) today announced that it has signed an agreement to acquire Performance Bridge Media, a leading and long-standing podcast agency. The acquisition will make Veritone One, a performance-based media agency, one of the largest entities to offer comprehensive, podcast and radio solutions, helping clients efficiently acquire new business at scale while building their brands. The acquisition is subject to customary closing conditions, and is expected to close in the next several days.

Performance Bridge Media, with its historic knowledge of podcast campaign performance dating back to 2002, possesses unique insight into one of the fastest growing segments of the estimated \$221 billion US Advertising Market.¹ This insight will be leveraged by Veritone and supplemented with the company's aiWARE artificial intelligence platform, greatly enhancing the combined agency's highly specific ad tracking and podcast targeting capabilities for brands. Performance Bridge Media had 2017 net revenues of \$3.7 million.

Ryan Steelberg, President of Veritone One, said, "Podcasts are primarily original content that offers compelling, personalized edu-tainment, much as Netflix and Amazon Prime Video have demonstrated with video entertainment programming. In the United States, an estimated 73 million people listen to podcasts every month, a 25% increase from 2017², making podcasting an extremely attractive and scalable segment for advertisers."

In a Q1 2018 study conducted by Nielsen³, 69% of all podcast listeners agreed that podcast ads made them aware of new products or services. The study also revealed that podcast listeners are more likely to follow companies and brands on social media, and are more likely to own a smart home device such as Amazon Echo, Google Home or Apple HomePod. Specifically, the trend of mobile devices as the primary listening device in the home or on the road is shifting to these smart home devices, which are owned by 43 million people, approximately 18% of the US population of adults 18 years and older, and the technology powering those devices is expanding into automobiles, the second most common place for listening to podcasts, after the home.⁴

Steelberg stated, "As industry leaders in performance-based advertising, we are constantly looking to leverage the opportunities of today and tomorrow. Acquiring Performance Bridge Media will allow us not only to continue to execute on the rapidly-growing podcast opportunities of today, but also to expand into the exciting growth opportunities offered by tomorrow's voice
